**JUVENATION**

Best treatment for the removal of freckles, acne, moth spots. JUVENATION was for centuries the favorite of the aristocrats of Europe. The price is so exorbitant that only the very rich could afford it. For every woman seeking relief from the stage, society and screen, twenty years off their age, try JUVENATION. It is the only skin cream that peels, brightens and softens. **RAY'S** 30 E. Randolph St. Suite 315
