Organized 17 Years Ago

The Boy Scout movement was orga-nized in the United States seven-teen years ago and is an off-shoot from the British organization origi-nated by Gen. Baden-Powell. The American organization is wholly in-dependent of all others and was started as a result of a good turn done a prominent Chicago businessman in London by an English Boy Scout. This Chicago man returned home and together with a group of educators and church leaders helped to organize the Boy Scouts of America.

The movement has grown by leaps and bounds and the great good done among the boys of this country by this organization is beyond estimate. In the seventeen years since its be-ginning in this country more than three millions of boys have taken the Boy Scout oath, which is:

"On my honor I will do my best to do my duty to God and my country, and to obey the Scout law; to help other people at all times; to keep myself physically strong, mentally awake and morally straight."

Million Enrolled

More than one million men and boys are now enrolled as Boy Scouts and Scout Leaders in the United States, and scouting is organized in practi-cally every nation of the world.

Much interest is already manifested among the several troops of the North Shore area in this notable week of Boy Scout events, and it is believed that in each of the towns represented the plans outlined will be carried out with great enthusiasm. Further in-formation may be obtained regard-ing this matter by calling the office of the North Shore area council, 16 North Sheridan road, Highland Park; telephone, Highland Park, 2431.

Join Our 1927 Christmas Club

Those who had the foresight to join in 1926 were untroubled when the Christmas shopping season arrived, for they drew checks, which in many cases were more than sufficient to meet their Holiday requirements. When next Christmas arrives, will you be one of the fortunate—or will your shopping be a financial burden? The Christmas club serves two excellent purposes. It makes Christmas shopping a genuine pleasure and it usually leaves you a certain amount "to place in your own stocking" towards the rainy day.
