THISTLETHWAITE TO LEAVE NORTHWESTERN

IS GOING TO WISCONSIN

Well Known and Popular Coach
of Wildcats Becomes Head
of Coaching Staff at
Wisconsin U.

Glenn F. Thistlethwaite is to leave Northwestern and become head football coach at the University of Wisconsin. This became definitely known last week when reports from Madison and a statement from the Wildcats' coach confirmed a rumor that has been prevalent for several days.

Some days ago it was announced the Wisconsin regent had authorized George Little, athletic director, to employ a head coach for the football team. Negotiations between Little and Thistlethwaite were immediately concluded but necessarily awaited approval of the regents before the announcement of yesterday. Thistlethwaite's contract with Northwestern does not expire until June, but it is understood that he will give a leave of absence to go to Wisconsin and take charge of spring football practice.

The position of head football coach at the University of Wisconsin is attractive to me," Mr. Thistlethwaite last week told newspaper interviewers, "because of the fact that it is with a large state institution in an ideal location with traditions conducive to successful athletics. The large number of men attending the university offers a broad field for service and naturally furnishes a wealth of material.

"I shall regard it a privilege to be associated with Wisconsin's excellent coaching staff, headed by George Little, whose sterling qualities are so highly praised throughout the conference. However, it is with keen regret that I shall leave Northwestern. My stay here has been most pleasant in every respect. Co-operation on the part of the faculty, students, alumni and the Evanston public has never been lacking. Dr. O. F. Long, chairman of the faculty athletic committee, and "Tug" Wilson, athletic director, have given wholeheartedly of their time and service in making the access we have had in football possible. I believe the foundation for successful athletic teams has been laid and that Northwestern under the leadership of President Walter Dill Scott has a brilliant future ahead."

No move to secure a successor to Thistlethwaite has been made as yet by the Purple athletic authorities and some uncertainty exists in regard to the balance of the coaching staff. Harvard has made "Duke" Dunne, its coach, a very attractive offer, but it is understood he has not yet accepted. It is hoped by his friends that his loyalty to Northwestern will cause him to stay at the school for at least another year.

WINNETKA FIRE LOSS LAST MONTH \$1,135

Sixteen Calls But Total Damage
Is Small, Report of Chief
Shows

The Winnetka fire department averaged better than a call every other day during the month of December, as shown by the monthly report of Chief G. M. Houren.

The department responded to a total of sixteen calls, but the damage resulting from the fires was held down to only \$1,135, due in a very large measure to the prompt and efficient service of the department. Of this amount, \$1,015 damages resulted to buildings and only \$120 to contents thereof.

Three of the fires were in the roof, fires, which, if not promptly and properly handled, quickly mount up in dollars of damage to the contents.

Four inspections were made by Chief Houren during the month and adjustments made as he advised.

WATER WAKENS MAN IN BURNING SHACK

Libertyville Resident Aroused
By Firemen as House Blazes
Over His Head

A stream of icy cold water propelled with great speed through a fire hose, proved to be a first class alarm clock for Henry Kreitzer, Libertyville resident, when he was peacefully sleeping last Friday night and his cottage was burning around him.

Neighbors noticed the fire at about midnight and called out the fire department. Kreitzer and two male boarders in his bachelor establishment described by Libertyvillians as a "shack," were sleeping when the department arrived. A stream of water from the fire hose shattered the window pane and played with some force over the sleeping form of Kreitzer. Needless to say he awakened in great haste, some amazement and a considerable degree of anger.

He stormed out of the burning shack in his sleeping garments and upbraided the firemen roundly for wetting down everything and wrecking his home. Accidentally the hose was turned on him a second time, and, drenched with cold water, Kreitzer and his two boarders who live in this man kept home, took refuge in a nearby house.

One of the shacks of the establishment was burned to the ground after the furnishings had been rescued, while a second shack was also attacked by the flames.

PUBLIC SERVICE CO. EXTENDS ITS SERVICE

Kaneville and Sugar Grove Are
New Communities Added
Recently

Kaneville and Sugar Grove recently have been added to the steadily growing family of communities supplied with electric light and power by the Public Service Company of Northern Illinois. Switching on of the service in Kaneville came in the nature of a "New Year's greeting," as the night of December 31 was the first occasion on which electric illumination dispelled the community's gathering shadows. Service to Sugar Grove, however, has been supplied since November 30.

Numerous farms adjacent to the company's distribution line from Sugar Grove to Kaneville also have become electric light and power customers. Receipts by the Public Service company of approximately 20 applications for service from farms along this particular line is indicative of the rapidly increasing popularity of electrical energy for agricultural purposes.

The Public Service company maintains an agricultural development department, headed by a trained agricultural engineer, for the sole purpose of acquainting farmers with the practical, economic application of electricity to numerous farming problems.

WINNETKA MARKSMEN WANT INDOOR RANGE

Plan to Take Matter Up With
Council; Give Police
Practice

The Winnetka Rifle association expects very shortly to take up with the village council the matter of providing an indoor range, it was stated this week.

The association, at the time of its formation last spring, had two things uppermost in mind, the first being the organization of a club under the National Rifle association, whereby men interested in rifle shooting are permitted to shoot on the government range at Fort Sheridan.

Back of the second object is the belief on the part of many of the men of Winnetka, that the members of the police department of the village should be provided with a place for practice in revolver shooting, and through the organization of a rifle association, it is felt, the village government might be brought to see the importance of providing the indoor range.

LAKE VILLA CHIEF ORDERED REMOVED

IS RESULT OF BIG SUIT

Circuit Judge Refuses New Trial
and Issued Order for Removal;
Malfeasance Charge;
Details of Case

Circuit Judge Claire C. Edwards last week overruled a motion for a new trial made by attorney George Field in behalf of Chief of Police Barnard Hamlin of Lake Villa, who was convicted some months ago on a charge of malfeasance in office, and issued an order removing Hamlin from office. Hamlin also has to pay the costs of the case.

In asking for a new trial Attorney Field told the court that he had learned since the trial that one of the jurors, Frank Newell, of Waukegan, who said prior to being taken as a juror that he was not a member of the Chicago Motor club, belongs to that organization. The court said that he would allow 30 days for the filing of a bill of exceptions if an appeal was desired and that in the meantime he would allow affidavits to be filed in regard to the defense contentions as to Newell. Hamlin said no appeal would be taken.

No State Argument
State's Attorney A. V. Smith did not have any argument on the Hamlin motion. He made it clear, however, during the trial that he wanted the police chief ousted from office.

It is said that the court order will not prevent the village board at Lake Villa from again appointing Hamlin as police chief and that he may be put back in office in May. For the present no chief will be appointed, it is said.

The state charged Hamlin with promiscuous shooting in arresting Arthur Schlauder, a Downers Grove motorist, and also using undue force in taking the man to the station after arresting him. It was also shown by the state evidence that Schlauder had never been brought to trial.

It was shown by the state that Hamlin in shooting at the Schlauder car jeopardized the lives of other motorists. Hamlin claimed that Schlauder was driving while drunk and had nearly run him down and also came close to hitting other persons due to reckless driving. He said that Schlauder resisted him and that no more force was exercised than absolutely necessary.

WAUCONDA MAN DIES AS RESULT OF BURNS

Hans Moline, 77, Victim of Explosion
of His Gasoline
Stove; Pneumonia

Death of Hans Moline, 77 years old retired shoemaker, who died in the Lake County hospital Friday afternoon, was due to complications of pneumonia and shock of burns received when a gasoline stove exploded in his home in Wauconda early last week, according to the verdict reached by a coroner's jury in an inquest held at Waukegan.

Burns received by the aged man were not of a serious nature but the shock of the accident in view of his weakened condition while suffering with pneumonia, is believed to have hastened his death.

Moline, who lived alone, had been ill for some time. He had gotten out of bed to light the stove, intending to prepare some food. He had returned to his bed when the blast occurred. He received light burns on one leg and one arm.

Noise of the blast attracted neighbors to the home and the flames were quickly extinguished. He was then removed to the local hospital.

He had made his home in Wauconda for three years. He has several grandchildren residing in Chicago who have assumed charge of the remains and are arranging plans for the funeral.

M'HENRY COUNTY TO HAVE PARK DISTRICT

PLANS NEAR COMPLETION

Voters Shortly to Be Asked to
Vote on Creation of Such
District at Special
Election

Plans for the creation of a new park district in McHenry county are rapidly nearing completion, and within a short time the voters will be asked to pass on the project.

A petition authorizing a vote on the question has been circulated through the proposed park district its sponsors making a special effort to obtain the names of representative leaders in all sections. This week it is understood, the petition will be presented to County Judge Charles Allen.

Plan Special Election
Judge Allen then will order a special election to be held within the boundaries of the proposed district. At the same election five park commissioners are to be chosen.

The planners of the district have incorporated in it 40 square miles of lake, river and adjacent property. This includes all of the land in McHenry township bordering on the Fox river and Pistakee bay and McColiums lake, and 14 square miles in Nunda township bordering on the Fox river, including Griswold and Lily lake.

Get Ample Funds
"This being a large district," Mr. Erickson of the committee said, "ample funds will be available for the purchase of land for park purposes and the annual tax levy with the additional income from concessions will provide sufficient money to pay for park maintenance and the employment of officers to police the entire park district.

"Several beautiful tracts of land are now available for park purposes, and it is hoped early spring will witness a new Fox River Valley park in the making."

WINNETKA CHAPTER O. E. S. INSTALLATION

The Winnetka chapter of the Order of the Eastern Star on Monday installed the following officers:

Mabel A. Whipple, worthy matron; Thomas N. Wheatley, worthy patron; Christine Wolter, associate matron; Jennie M. Stevens, secretary; Anna Blake, treasurer; Leo Orr Belote, conductress; Emily Mulle, associate conductress; Ida P. Webster, chaplain; Annette Wheatley, marshal; Arline Kirkgasser, Adah; Estelle Kus, Ruth; Ruth L. Brannon, Esther; Susan M. Kirby, Martha; Clara L. Paulson, Electa; Helen Weinstock, warder; Thomas Kus, sentinel.

Retiring worthy matron is Della M. Anderson, and retiring worthy patron is W. F. Kentnor.

At the conclusion of the installation ceremonies there was a short musical program followed by refreshments. Mrs. Louise G. Replogle acted as mistress of ceremonies.

MUNICIPAL BAND IS PLAN AT WINNETKA

It is announced in civic and musical circles of Winnetka that the movement inaugurated last spring looking to the organization of a brass band in the village, is again to be brought up at the spring election.

The Chamber of Commerce last spring sponsored the proposition, which was lost in the spring election by only a few votes, and, it is said, will again bring it forward this spring. A tax levy of not to exceed two mills for band purposes, is necessary, and those who are sponsoring the movement, say that when the people fully realize what a small amount of additional taxes they would have to pay to enable the village to have an up-to-date band, it is certain that there will be little opposition to the plan.

NORTH SHORE LINE REPORTS BIG YEAR

Indication of Gratifying Increase
in Business Told
In Reports

The year 1926 was one of substantial growth for the Chicago, North Shore and Milwaukee Railroad company, according to a letter being sent to stockholders. While the results for December are not entirely tabulated it is certain that an increase of about 10 per cent in gross will be shown for the year.

Among the features of the year was the expenditure of about \$5,400,000 in development and expansion of the properties. Of this amount approximately \$3,600,000 was expended in completing the new Skokie Valley route which was opened for traffic in June. Most of the through passenger trains from Chicago to Milwaukee are now routed over this line, materially reducing running time.

Additions to the company's equipment last year added \$900,000 to expenditures. A total of twenty new steel passenger coaches and three dining cars, in addition to several refrigerator cars developed for electric line service, were placed in service. The auxiliary motor coach service also was further developed during 1926.

While most of the company's revenue is derived from its passenger service, the freight and express business is reported to be showing a steady increase. This business has been entirely developed within recent years and gross from this source in 1926 will probably amount to approximately \$1,300,000. The future of this department is considered particularly bright by officials.

BRITISH AMERICANS PLAN CELEBRATION

The North Shore British American club are sponsoring a Bobbie Burns dinner to take place in the assembly room of the Community house, Winnetka, Tuesday, Jan. 25.

The club gives dances and holds regular card and business meetings during the year, but it gives but one Bobbie Burns dinner. The members are served with a true Scotch menu. Aside from the entertainment offered in the unique plan for the dinner, there will be between-course acts furnished and other forms of amusement.

The committee in charge of the arrangements for the party consist of Robert Nicholls, president of the club, Thomas Simpson, W. G. Roberts, Jack, William and James McFadden, Mrs. W. G. Roberts, Mrs. Alec McFadden, Mrs. S. Hinks, Mrs. G. Kirby, Mrs. Jack Melrose, Mrs. George Marshall and Jack Melrose.

LEGION DRUM CORPS IS WINNETKA PLAN

Winnetka is to have a drum corps, an organization which is being sponsored by Winnetka Post, No. 10, American Legion. The plan now being developed is for a corps of about twelve members, perhaps more, if Lee Adams, who is to be the instructor, is able to teach that many to roll the sticks skillfully.

There is plenty of enthusiasm back of the movement, and visions of an organization of which not only the legion may be proud, but of which all Winnetka may boast are seen. The personnel of the club is not yet fully determined, but a number of the Legion members are interesting themselves in the movement.

FILES BRIEF AGAINST POTZ SENTENCE CUT

State's Attorney A. V. Smith last week filed with the Supreme court his brief and arguments in the case against Ignatz Potz, convicted of the murder of Policeman William Peterson in Winthrop Harbor on February 13, 1919. Col. Smith is fighting to prevent a commutation of sentence that would let Potz out of prison in 1930. Attorney General Oscar Carlstrom must file his brief within ten days and the matter will then be up for the supreme court for a decision.

BRIEF NEWS ITEMS FROM LAKE COUNTY

NEIGHBORHOOD JOTTINGS

Interesting Happenings About
This Part of North Shore
and Vicinity; County
Seat Doings

Elder F. A. Graves, 70 years old, well known church worker and songwriter, passed away at his home on Enoch avenue, Zion, last week, following a short illness.

Mrs. Cora B. Walter, wife of Dr. J. E. Walter, prominently known physician and surgeon, died in the Victory Memorial hospital last week. She was 36 years of age.

Mrs. Julia Shepherd, aged 86 years, of Libertyville, died in the Lake county hospital last week after a short illness.

Mrs. Henry East, wife of a Waukegan local coal dealer and a resident of Lake county for all of her life of 62 years died in Victory Memorial hospital.

C. E. Staley, president of the People's State Bank of Waukegan, was elected president of the Waukegan and North Chicago Chamber of Commerce in the first meeting of the newly formed board of directors.

Hans Moline, 77 year old shoemaker in Wauconda, was taken to County General hospital last week suffering from burns suffered when a kerosene stove, which he was lighting, suddenly exploded.

Combined bank assets for Waukegan and North Chicago, as shown in reports of conditions just published, reach \$13,318,308.23. This includes the Waukegan National, First National, Peoples State, and Waukegan State in Waukegan and the Lake County State in North Chicago.

Annual banquet of the Waukegan and North Chicago Chamber of Commerce will be held in the new high school gymnasium on the evening of January 20, it was announced.

Circuit Judge Claire C. Edwards this afternoon overruled a motion for a new trial made by Attorney George Field in behalf of Chief of Police Barnard Hamlin of Lake Villa, who was convicted some time ago on a charge of malfeasance in office, and issued an order removing Hamlin from office. Hamlin also has to pay the costs of the case.

COUNTY CLERK GETS STATE TAX NOTICE

Reduction This Year Twenty
Cents on Hundred Dollars, Report

The state tax for 1926 as received last week by County Clerk Lew A. Hendee, from Springfield shows a reduction of twenty cents a hundred dollars assessed valuation over the previous year.

The tax that will be payable in the spring will be 65 cents on the \$100 whereas it was 85 cents a year ago.

The various rates will be school, 19 cents; principal and interest on Waterway bonds 21-3 cents; principal and interest on soldier's compensation 10 1/2 cents; University of Illinois maintenance, 62-3 cents.

AGED LAKE BLUFF RESIDENT IS DEAD

Harry Lyons, aged and prominent resident of Lake Bluff, died suddenly last Thursday at the Alice Home hospital in Lake Forest following an illness of only a few hours.

Death was due to heart disease a coroner's jury decided that afternoon at the inquest held at the Wenban funeral home. Coroner John L. Taylor presided at the inquest.
