

## Deerfield News

**Deerfield Grammar School Notes**  
The school year is half over and the second semester started Monday, Jan. 24. There are 18 more weeks left in the term.

The following pupils started to school Monday in the first grade: Joel Daniel, Willis Fields, Paul Hertel, John Klomp, Robert Lindell, Elsie Morgan, Carl Olson, Ruth Shapiro, Alexander Taylor, and Joseph Tomasetti.

The new pupils in the upper grades are Homer Hatch in the seventh grade and his brother, Robert Hatch, who is in the sixth grade.

Since the new addition to the building has been completed another teacher has been added to our corps. Mrs. Nellie Thormeyer of Northbrook is teaching first grade. She is a teacher of considerable experience and taught for 5 years in the Burr school in Chicago. Miss Dorothy Lidgerwood who has been teaching first grade is occupying one of the new rooms and teaching grade 3B and 4B. The pupils like the new rooms very much and they are a great addition to our school.

A number of pupils attended the lecture at the Deerfield-Shields high school Friday night, given by Donald B. MacMillan, the great arctic explorer.

The total enrollment for the entire school up to date is 316.

School will be closed next Friday as it is visiting day for the teachers and they are allowed one day during the year to visit other schools. This is an advantage to the teachers as they are given the opportunity to visit certain schools and get new ideas from other teachers.

**Deerfield Public Library**  
Additional subscriptions to the public library have been received as follows: The Tatapoochin Camp Fire girls, \$10; Mrs. Alvin Knaak's third grade pupils \$3; the Dorcas Home, nice bunch of children's books; Mr. and Mrs. J. A. Reichelt, Jr., books and magazine; Mrs. A. J. Johnson, about 75 books; Mrs. E. E. Stryker, the Christian Science church of

Highland Park, 2 standard volumes on Christian Science.

The way the children in the town are patronizing the library is certainly wonderful. Naturally the demand runs us short on children's books. Please look through your library and see if you have any books that are appropriate for children between the ages of 8 and 14, and if you are through with these books, the library will be very glad to have them.

There was a brief business meeting at which Mrs. Edwin A. Wood was unanimously elected a member of the club.

The speaker of the afternoon was Mrs. Frederick Fisher, who is president of the Glencoe Garden club. Her subject was "What to Grow in the Shade." She gave a very comprehensive talk on gardening as a whole with emphasis all the way through on shady locations. She began by giving five definite rules which must be followed if the garden is to be successful. Then she discussed the planning, preparation of the soil and lastly gave a number of artistic color combinations which she had used in her own garden. These pictures were made up of flowers which do well in the shade. Every member present was most enthusiastic in her praise and appreciation of Mrs. Fisher.

**Wild Flower Preservation Society**  
The Wild Flower Preservation society is seeking to prevent the extermination of the beautiful little blossoms that gladden our eyes in the springtime, many of which are becoming extinct because of the ruthless gathering of them by motorists, and children who sell them.

The following law for the protection of certain wild flowers in this state is in force and the W. F. P. S. urges the co-operation of people in this vicinity in the observance thereof:

An act for the conservation of certain wild plants in the state of Illinois, in force July 1, 1923. Enacted by the people of the state of Illinois,

represented in the general assembly: Any person, firm or corporation who shall, within the state of Illinois, knowingly buy, sell or offer for sale any Bloodroot, Lady Slipper, Columbine, Trillium, Lotus or Gentian, or any part thereof, dug, pulled up or gathered from any public or private land, unless in the case of the private land the owner or person lawfully occupying such land gives his consent in writing thereto, shall be deemed guilty of misdemeanor, and shall be punished by the fine of not less than ten dollars nor more than one hundred dollars and costs.

The state conference of the Illinois Council of Parent-Teacher associations will be held in April, in Quincy. Local associations are urged to send as many delegates as possible in order to receive the inspiration.
