PRODUCTS OF SIXES GENERAL MOTORS

\$15,000,000 More to meet the demand for Oakland and Pontiac Sixes

Scarcely twelve months ago Oakland was only one of many manufacturers striving for preeminence. Today it ranks among the largest builders of motor cars in the world. Responsible for this tremendous growth have been a continuous series of triumphs resuting in series of triumphs resulting in in business over crease

SIXES

With the introduction of the Pontiac Six, so great was the demand it created, that in six months Pontiac Six production had exceeded the greatest full year record previously scored by a new make of car. And by the end of the year, with Pontiac production reaching 76,523 cars, that record had been surpassed by more than 100%!
