FIRST CLASS HELP (WHITE) FOR PRIVATE HOMES

ANNUAL MEETING OF LOAN ASSOCIATION
 (Continued from page 1)

tion: was paid back to stockholders in cash, or release of mortgages.

"Building and Loan associations in Illinois have in the past year handled a business exceeding two hundred million dollars, at an expense of less than three-fourths of one percent of the assets, and earned their stockholders seven and one-half per cent on the dues paid in. Best of all not one of our stockholders lost a penny of his savings."

Points Out Growth

"The Auditor's figures are taken from the annual reports of nine hundred and twenty associations examined by him, and I venture to assert that the Highland Park association will compare favorably with any," said Mr. Grant.

"During the fiscal year ending January 5, 1927 we issued 1750 shares, paid off or released \$42,100 on matured stock and paid or released four hundred and seventy-one shares withdrawn, leaving in force 9108 shares in force, with \$235,800 loaned to our members.

"Our expense is under one-half of one per cent of assets and our earnings on an average over nine per cent.

"Unlike many associations in Illinois we have no real estate on our hands and our dues are well paid up, our only detriment at present is holding over \$29,000 idle money and with opening up of building operations we expect that will be soon absorbed in loans."

A feeling tribute was paid to the memory of Paul Gieser who had been a director for many years and treasurer for the last ten years, and to the memory of Mr. Bowen W. Schumacher, who had been identified with the association for many years and the last three years director and attorney.

DEERFIELD MAKING BIG IMPROVEMENTS
 Continued from page 1

1924 to 2,100 in 1927. And it is still growing.

The members of the present administration, if re-elected, propose paving the remaining unimproved streets in the village during the next year. With construction work now being completed this will mean an expenditure of \$600,000.

Rapid Growth

Deerfield's growth has been mushroom-like but healthy and both business men and residents have been quick to realize its possibilities. Through the efforts of the Deerfield Chamber of Commerce, now a year old and comprising more than sixty members, a wide-awake community spirit has been developed.

At the board meeting Monday night trustees discussed the advisability of the village's furnishing water to houses just outside the corporate limits. It was decided that each request for water should be considered separately.

At the request of Trustee W. W. Geary, who is also a member of the school board, Chief of Police Henry Petersen was appointed truant officer.

After the trustees' meeting the Board of Local Improvements convened and passed a resolution providing for the completion of the Greenwood avenue paving.

Business Men Boosting

The Chamber of Commerce is planning an extensive advertising campaign to boost the interests of their town and to point out its advantages as one of the most attractive suburban residence communities on the North Shore. This organization is doing much for the progress of the town and with fine co-operation of the business men great forward strides are in prospect.

The officers of the Chamber of Commerce are: President Charles Kapschull; first vice-president, W. B. Metcalf; second vice-president, A. L. Taylor; treasurer, Arthur J. Ender; secretary, Charles Frey. These and the following five form the board of directors: F. J. Labahn, Dr. J. P. O'Connell, Francis Rohr, Paul Hunter.

TWO FAST GAMES FOR THE WEEK-END

Deerfield-Shields Cagers to Play — Maine and Bloom; Latter Here

The Deerfield-Shields basketball teams are scheduled for a busy week-end, especially on Saturday night when they journey to Bloom to encounter some mighty stiff opposition. Maine high of Des Plaines will be here on Friday night for a pair of non-Suburban league games.

Maine is playing a return engagement. The home preps gave the "farmer boys" two good drubbings at Maine. The games, however, were played on a small floor, and the Des Plaines boys play an entirely different game on a large floor. This was proved when Waukegan and Maine battled to a 13-13 tie after two overtime periods on the enormous Waukegan floor.

The games at Chicago Heights are to be the hardest ones left on the schedule, especially for the heavies. Coach Peel's majors were lucky to emerge from the last game victorious. The Bloom team presents a powerful five man defense along with some crack basket shooters. The Deerfield lights, if they play in their usual good form, should conquer their opponents.

Evanston high cagers invaded Deerfield Saturday, January 29, and received a double setback at the hands of the Blue and White.

The lightweight game was an exciting and interesting affair which the Deerfield team won 28-26. The lights started out with a bang, but had only a 15-11 lead at half time. The game became hot in the second half, and was a see-saw affair to the finish. Dickinson was in rare form, caging five field goals, while Joyce counted two goals and two free tosses. Goacher, a freshman, scored five field goals and a pair of free throws for Evanston.

The heavyweight encounter was a slow affair, the home team not playing in their usual form. Could Evanston have made baskets, the outcome might have been disastrous for Deerfield. Led by Heineman with his dribbling, floor work, basket shooting, and brainy playing, the heavies played better ball in the second half. "Heime" got three baskets and two free throws. Baker collected two baskets while Lindenmeyer could get only one basket.

WILMOT PROGRESSIVE CLUB HOLD MEETING

The Wilmot Progressive club met at the Wilmot school last Wednesday with Miss Knapp and Miss Courson as hostesses.

There was a large attendance of members and several visitors. Among the visitors were two former teachers of the Wilmot school, Mrs. Fred Meyer and Mrs. George Whitcomb. Mrs. Meyers commended the club on the progress of the school which they had helped to make.

After the business meeting luncheon was served. The rooms and tables were decorated in keeping with Valentine's day.

Health authorities say that New York is the "chillblain" city. But you can get other things there which are almost as painful.

organization would be an active and important factor in community progress. The mayor was introduced by the Rev. Frank Pitt, who also was toastmaster of the affair. Mr. Pitt emphasized the good which can be done and the great benefits to accrue to the community by an organization of earnest and active young men such as compose this club.

MINSTREL SHOW IS SUCCESSFUL AFFAIR

The first annual minstrel show given by the members of the St. James Young Men's club of Highwood last Tuesday and Wednesday evenings under the direction of Mr. B. F. Kehoe, was a most successful affair and the director is to be congratulated for his untiring efforts to "put the show over."

Each number was very well given and each one who participated did his best to make it one of the most enjoyable entertainments given.

used co-operation and assistance of his association. Duff C. Lewis, national secretary of the American Business club, described the history of the organization and told of the good work which such clubs are doing in many towns and cities in which they have been organized. He stressed the point that the purpose of the club is to place the human and spiritual intermerely materialistic features.

Presents Charter

Mr. Lewis then presented the charter of the new club to Gould C. Davis, the first president of the new organization, and after President Davis had accepted the same with appropriate remarks, Field Secretary H. H. Thornton expressed his thanks and appreciation for the co-operation and assistance of the club members in the organization of the chapter.

The new club will meet at regular intervals and its rapid growth and popularity among the most active and important of local associations. Its objects are regarded as most commendable and the possibilities are beyond estimate, and all Highland Park organizations will welcome this new club with assurance that its influence will be for the best interests of the community and that in its councils are included young men loyal to their own town and zealous to carry on all movements which make for its improvement and the welfare of its people.

Lincoln

Would that I might rouse the Lincoln in you all,
 That which is gendered in the wilderness
 From lonely prairies and God's tenderness.
 Imperial soul, star of a weedy stream,
 Born where the ghosts of buffaloes still dream,
 Whose spirit hoof-beats storm above his grave,
 Above that breast of earth and prairie-fire
 Fire that freed the slave.

Nicholas Vachel Lindsay.

On Saturday the nation celebrates the birthday of the great Emancipator, ABRAHAM LINCOLN. On that day this bank will not be open for business.

T. M. WALLER DIES SUNDAY IN CHICAGO
 Continued from page 1

He was a republican, a member of the Presbyterian church, and of the Chicago Athletic association, the Illinois Automobile and Exmoor Country clubs.

Funeral services were held Tuesday afternoon at the Kenwood church, 45th street and Greenwood avenue. Interment was at Oakwoods cemetery.

Death of Mrs. Johnson

Mrs. Julia E. Johnson, widow of Spencer J. Johnson, died Tuesday at the home of her daughter, Mrs. Edmund D. Brigham, 250 Central avenue, after an illness of several months. Mrs. Johnson had come to Highland Park from her home in California last June to visit her daughter. Besides Mrs. Brigham two other children survive, Mrs. Ernest Palmer, Evanston, Spencer J. Johnson, San Francisco, and James Lawrence Johnson, Chicago.

Funeral services were held yesterday afternoon at two o'clock at Grace-land chapel. Interment will be in Los Angeles.

Charles Pearson Montgomery, father of Mrs. George Thomas Shay, 262 Laurel avenue, died at his home in Chicago Sunday noon. Services were held Tuesday afternoon in Chicago.
