St. Paul's Evangelical Church
Church school, 9:15 a. m.
Service, 10:15 a. m.
Lenten service, 7:30 p. m.
Choir, Friday, 7:30 p. m.
The Lenten season is here. The first service will be held Sunday 7:30 p. m. Let everybody attend the first service and then everyone thereafter. Tell others about it. This is the time when we invite others to come to our services. Bring especially those who do not belong to any church. Particularly do we appeal to the members of the church to attend these services and not to rest satisfied to come alone, but to bring others with them. This is the season when the spirit of personal evangelism must take hold of every man, woman and child connected with the church. The Lenten season lends itself wonderfully to this kind of work.
We shall again endeavor to acquaint you with the living, suffering and dying Christ. A better knowledge of and a closer communion with Jesus, we feel, will not only make you a happier, but also more ardent and active Christian.
Our Lenten hymn is, "The Way of the Cross Leads Home." Learn this hymn and help us sing it. Special copies of the song will be distributed at the Lenten services.
The "Play" given by the young people is history. All participants feel satisfied that it was a success. Current opinion expresses no regrets on the part of any one that attended the performance.
The young people and their pastor herewith express their sincere appreciation to all who so wonderfully supported the play with their attendance. Both nights they played to a capacity audience. Especially do we wish to thank Mr. Ewald Winter and Mrs. Elva Sprague for their kind assistance in entertaining the audience between acts with songs.

Saturday afternoon, March 17, is the time set by the Children's Theatre association for the presentation of Stevenson's "Treasure Island, under the direction of Miss Winifred Ward of the Northwestern university school of speech. This promises to be a delightfully, thrilling production.

SHERIDAN ROAD NOW NATIONAL HIGHWAY

Federal Road to Follow State Route 42 From Wisconsin to Chicago

The selection of Sheridan road as a part of a national highway to be known under the number of route 41 places North Shore towns on a route that has its beginning at Calumet, Mich., in the northernmost point of the northern peninsula of that state and ends in the southern part of Florida.

The fact that the road will follow the routing of state highway number 42 from Wisconsin to Chicago may result in some confusion to motorists although the road will be well marked through this state by the official gold and white signs graced with a shield which are to be placed by the government. The work of marking these highways has been started in several parts of the nation and will be carried out here in the near future.

The road in its southward trip from Calumet will pass through Houghton, Mich.; Marinette, Sheboygan, Milwaukee, Racine and Kenosha, Wisconsin, through Waukegan to Chicago, then on to Hammond, Terre Haute, Vincennes in Indiana, Henderson and Hopkinsville in Kentucky, Nashville and Chattanooga in Tennessee, Dalton, Atlanta and Macon in Georgia and Lakeville, Ginesville, Orlando, Tampa down to Punta Gordo and Fort Meyer in Florida, where it will connect with route 94 which crosses the Everglades to Miami.
