Explains Financial Responsibility

FINANCIAL RESPONSIBILITY is a much bigger thing than you may think at first glance.

IT MAKES THE COMPANY CAREFUL of its passengers, careful of its equipment, careful of the kind of men it hires.

IF THERE IS NO FINANCIAL RESPONSIBILITY behind it, it just naturally adopts a "let things go" attitude and becomes careless of everything and everybody.

WHEN YOU REALIZE THE FULL IMPORTANCE of financial responsibility, you will understand the necessity of being careful of your cab instead of picking up any cab you see.

THIS EXPLAINS WHY YELLOW CAB goes on without a pause, while other cab companies come today and leave tomorrow.
