Christian Science

"Matter" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, March 20. The Golden Text was from Psalms 46:10, "Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and overthrew the tables of the moneychangers, and the seats of them that sold doves; And said unto them, It is written, My house shall be called the house of prayer; but ye have made it a den of thieves; And the blind and the lame came to him in the temple; and he healed them." (Matthew 21: 12-14).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "As in Jesus' time, so today, tyranny and pride need to be whipped out of the temple, and humanity and divine Science to be welcomed in. The strong cords of scientific demonstration, as twisted and wielded by Jesus, are still needed to purge the temples of their vain traffic in worldly worship and to make them meet dwelling-places for the Most High" (p. 142).

CLASSIC FOR CHILDREN

Following is "a classic for children" which was clipped from a Winnipeg newspaper. Children should be instructed to learn it by heart. It might be the means of saving many lives:

How many of you, while crossing the street,

Are using your eyes as well as your feet?

When crossing the street through the day or the night,

Look first to the left and then to the right.

Be sure that you're right and then go ahead,

For you're worth more alive than you'll be when you're dead.

FORTY TRYING OUT FOR H. S. BASEBALL

Good Prospects For Season at Deerfield-Shields; Hard Schedule

Forty baseball candidates at the high school responded to Coach Peel's initial call last Tuesday. Although men are expected to report this week, many new aspirants, along with several of last year's veterans were on hand at last week's practices.

Eleven games, six of which will be played at home, are included on the baseball schedule for 1927, which has just been completed.

"There are many good prospects for the season," says Coach Peel "and even though we have a hard schedule we ought to win most of our games."

Waukegan has been added to Deerfield's schedule this year. The schedule is as follows:

- April 12—Waller, here.
- April 21—U. High, here.
- May 3—Waukegan, there.
- May 6—Maine, here.
- May 10—U. High, there.
- May 13—Blue Island, here.
- May 17—Evanston, here.
- May 24—Waukegan, here.
- May 27—Maine, there.
- May 31—Blue Island, there.
- June 3—Evanston, there.

PLAN TO INCREASE INTERSTATE RATES

An increase in interstate passenger rates on the Chicago North Shore and Milwaukee Railroad—the North Shore line—from 3 to 3.6 cents a mile will become effective on March 25, according to announcement made by the management today.

The new rates are made effective on that date by authorization of the Interstate Commerce Commission acting on the petition recently filed by the company. However, it is announced, round trip tickets between Chicago and Evanston stations and Kenosha, Racine and Milwaukee will be sold at the present rates until April 1.

Intrastate commutation rates in both Illinois and Wisconsin are in no way affected by the increase, it is pointed out by the North Shore line management. The new interstate rates will make the fare one way between the Chicago Loop and downtown Milwaukee \$3.06, the same as on the steam railroads, which is 49c more than the present rate of \$2.57.

"In establishing these new interstate rates the North Shore Line is merely placing the cost of its transportation service on a parity with that of other carriers serving the same territory," said Charles E. Thompson, vice-president. "Recent capital expenditures by the company in giving the public additional service through construction of the Skokie Valley route, purchase of new equipment and extensive improvements have made this imperative."

H. S. CLASS OF 1919 PLANNING REUNION

Will Hold It April 8 on Evening of Senior Play; Those In Charge

The Deerfield-Shields high school will hold a reunion at the school on the night of the Senior play, April 8. Dinner will be served at 6:00 in the apartment, and those present will attend the play as a group at 8:15. This is the second reunion to be held by this class, the first being in 1923. The first one was not very successful from the standpoint of the number in attendance. This year thirty members of the class, in which there were about sixty people at graduation time, are expected to be present.

Miss Editha Parry, who is now dean of girls at Deerfield, Miss Winifred Wadsworth, who is secretary of the class, and Harry Bell, president of the class, have charge of the plans.

TEACHERS TO ATTEND LAKE SHORE MEETING

Between 2,500 and 2,600 teachers from schools west, south and north of Chicago, making up the Lake Shore division of the Northern Illinois Teachers association, are expected to meet in Evanston Monday, April 25, in their annual convention.

Sessions will be held at the Evanston Township high school. Speakers will include William Mather Lewis, president of George Washington university, Supt. McAndrews of the Chicago schools, Dean Raymond A. Kent and Prof. Elton J. Moulton of the University of Chicago, and others.

SCHOOL BOARDS MEET TALK JUNIOR HIGH

For the purpose of discussing legislative changes affecting schools, and the possibilities of a junior high school for this district, boards of education for the grammar schools in this high school district met with the high school board at a dinner to be held in the cafeteria Tuesday night. Boards of the Lincoln, Elm Place, Deerfield, Oak Terrace, Lake Forest and Lake Bluff grammar schools were represented.

STUDENT INJURED AT WORK ON BUNGALOW

Donald Bartlett, freshmen at the high school, was hurt while working at the bungalow being built by high school students last Thursday. He was walking under a ladder when a square fell on his head. He was rushed to a doctor and was able to walk around the same day.

NEW TRIER DEFEATS DEERFIELD FACULTY

Winning all three games, the New Trier faculty bowling team defeated the Deerfield-Shields team by a total of 79 pins at the Means alley, North Paulina street, Chicago, last week. A return match will be held at the Highland Park alleys within the next two weeks. The Deerfield team is leading by 177 pins for the first three series. Members of the Deerfield-Shields team are Richardson, Mason, Dinkelo, Bolle, Einbecker, Taylor, Zipoy, Pertz.

Now that congress has adjourned and the war clouds over Mexico have scattered let's begin to figure a little on who is going to win the pennant this year.
