### Christian Science

"Unreality" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, April 3.

The Golden Text was from Proverbs 22:12. "The eyes of the Lord preserve knowledge, and he overthroweth the words of the transgressor."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" (Eph. 6:10-12).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Despite the hallowing influence of Truth in the destruction of error, must error still be immortal? Truth spares all that is true. If evil is real, Truth must make it so; but error, not Truth, is the author of the unreal, and the unreal vanishes, while all that is real is eternal" (p. 474).

### IN MEMORIAN

Elizabeth Paulrahi in fond memory of our beloved daughter and sister who was laid to rest 3 years ago today, April 7, 1924.

"Just a sad and sweet remembrance,  
Just a memory fond and true,  
Just a token of affection,  
And a heartache just for you."

Loving father and sister.

## A Taxpayer Takes His Pen in Hand

(REFLECTIONS AFTER LISTENING TO THE "TIME FOR A CHANGE" LAMENTS AT ELM

PLACE AUDITORIUM, THE NIGHT OF APRIL 5TH.)

He's new in Highland Park it seems,  
And full o' promises and dreams,  
Is Benny!  
He didn't say a wicked word,  
To think he would is so absurd,  
To Benny!

He knows about finances too,  
(Perhaps our bonds are all too few)  
For Benny!  
He wants a "City Manager",  
The legal facts cannot deter,  
This Benny!

If A. E. Smith and Ernest Gail,  
Should broadcast any sort of tale,  
For Benny!  
He thinks his foe-men should be kind,  
So now he mutters "Never Mind",  
This Benny!

Since, "All Things to the Pure are Pure"  
And mental thought will all ills cure,  
Thanks Benny!  
John Oliver's beach sewage tank  
Is just a sort o' Bogish Prank,  
To Benny!

They pipe a lay of "Time to Change",  
And fire gas shells at any range,  
For Benny!  
They use the magic word "Reform",  
Of course with most precise decorum,  
That's Benny!

Nanine assures the simple folks  
They're groaning under many yokes,  
Pick Benny!  
And Gourley since he led March Eight,  
Orders 'em to "Vote her Straight",  
For Benny!

So folks it seems we're very dull,  
Sam Hastings' works are void and null,  
To Benny!  
And since he comes to set us free,  
We now should all most happy be,  
With Benny!

His complex is too deep for me,  
A raise in taxes I can see,  
If Benny,  
Should chance to ever have his way  
I know 'tis me who'll have to pay  
For Benny!

EDDIE JEST.
