

PROGRAM DETAILS OF MUSIC FESTIVAL

NOTABLE ARTISTS TO AID

Annual Affair at Evanston Is of Interest to Music Lovers of North Shore; Features

Announcements giving full details of the programs that are to be presented during the North Shore music festival, May 23 to 28, have been mailed to subscribers. At the performance of "Elijah," at the first concert, there will be opportunity to hear Horace Stevens, the famous English baritone. The other soloists will be Louise Loring, soprano; Doris Doe, contralto; and Paul Althouse, tenor. P. C. Lutkin, musical director of the festival, will conduct.

Second Concert
Edward Johnson, the popular tenor, and Mischa Levitzki, pianist, will be soloists at the second concert, May 24. Frederick Stock will be the conductor. The concert will open with two Beethoven numbers, the "Lenore" overture No. 3, and the aria "Adelaide." The piano number will be by Saint-Saens, opus 22. After the intermission will come an aria from "Carmen," a suite from "La Giara," by Casella, Lohengrin's narrative and a Slavonic dance by Dvorak.

Both Mr. Stock and Mr. Lutkin will conduct the third concert, May 26, the soloists being Florence Austral and Horace Stevens. The program will open with the overture to "Die Geschöpfe des Prometheus," and the Fifth symphony, by Beethoven. Then will be heard a scene and aria from the opera "Fidelio," by the same composer. After the intermission will come the big novelty of the festival, the "Sea Symphony" by Vaughan Williams.

At the fourth concert, the afternoon of May 28, the children's chorus of 1500 voices will be heard in two groups of children's songs and in the cantata, "Old Johnny Applesed," by Jarvey B. Gaul. Sophie Braslau, contralto, will be the soloist, and will sing two arias. The orchestra, under the direction of Mr. Stock, will play the overture to "William Tell," Rossini; waltz, "Tales from the Vienna Woods," Strauss; suite from the ballet, "Sleeping Beauty," by Tchaikovsky; a waltz movement by Volkmann and a polonaise from a serenade by Beethoven.

During the final concert, the evening of May 28, Mary Lewis, soprano, and Lawrence Tibbett, baritone, will be the soloists, together with the chorus. A feature of the concert

will be the performance of a movement from a symphony by Mr. Oldberg, with the composer conducting. The program includes the overture, "Le Carnaval Romain," by Berlioz, aria from "Herodiade," by Massenet; aria from "Louise," by Charpentier, and another aria from "The Masked Ball," by Verdi. The suite from the "Fire Bird," by Stravinsky will be followed by the Bird Song from "Pagliacci" and a scene and finale from "The Mount of Olives," by Beethoven.

It will be seen from this that an unusual treat is in store at the festival this season as the programs are all artists of the first rank.

WINNETKA DEFEATS MUNICIPAL BAND

At Village Election Last Week; Regular Ticket Elected; One Contest

More than 1,500 votes were polled at the annual village election in Winnetka last week, in spite of the fact that there was but one ticket in the field.

There was opposition, however, for the office of village marshal and collector, and organized effort to defeat a proposition to vote not to exceed a two-mill tax for a municipal band resulted in revoking more than the ordinary interest in the balloting. The band proposition was defeated better than five to one.

Theodore Flynn, who has held the office of marshal and collector for fourteen years and who was re-nominated on the regular Village ticket, was opposed by Adam Scott, who ran on an independent ticket. Scott received 360 votes, against 1,273 polled for Flynn. The name of Lee Adams, who was a candidate for the nomination for this office at the caucus, was written in on one ballot, and Norman K. Anderson and John Vennema each received one vote for trustee.

H. F. Tenney, for president, received 1,510 votes. The other officials elected by similar votes, were Doris B. Benson, H. L. Racine and Walter A. Strong, for trustees; W. E. David treasurer; Byron A. Nelson, police magistrate, and Mary Miller, William A. Hadley and H. A. de Windt, library trustees.

The retiring members of the village board completed their official duties Tuesday evening, following which the newly elected members took the oath of office.

REGULAR TICKET AT GLENCOE IS BEATEN

People's New Party Elect All Candidates; Overwhelming Victory

In the largest vote ever recorded in the history of Glencoe, the People's New Party, headed by Winfred D. Gerber, last week overwhelmingly defeated the regular Citizens' party ticket headed by Merle B. Waltz, who has served the village as president of the board for the past ten years.

Between 1,700 and 1,800 votes were polled as against 700 or 800 at any previous election, this being the first time in eleven years in which there had been an opposition ticket in the field.

All the candidates on the People's New Party ticket were elected with majorities ranging upwards of 300 in many instances.

The result was not anticipated by even the most sanguine members of the successful party, and was wholly unexpected on the part of the defeated Citizens' Party.

GLENCOE SUNDAY CLUB PLANS FINE PROGRAM

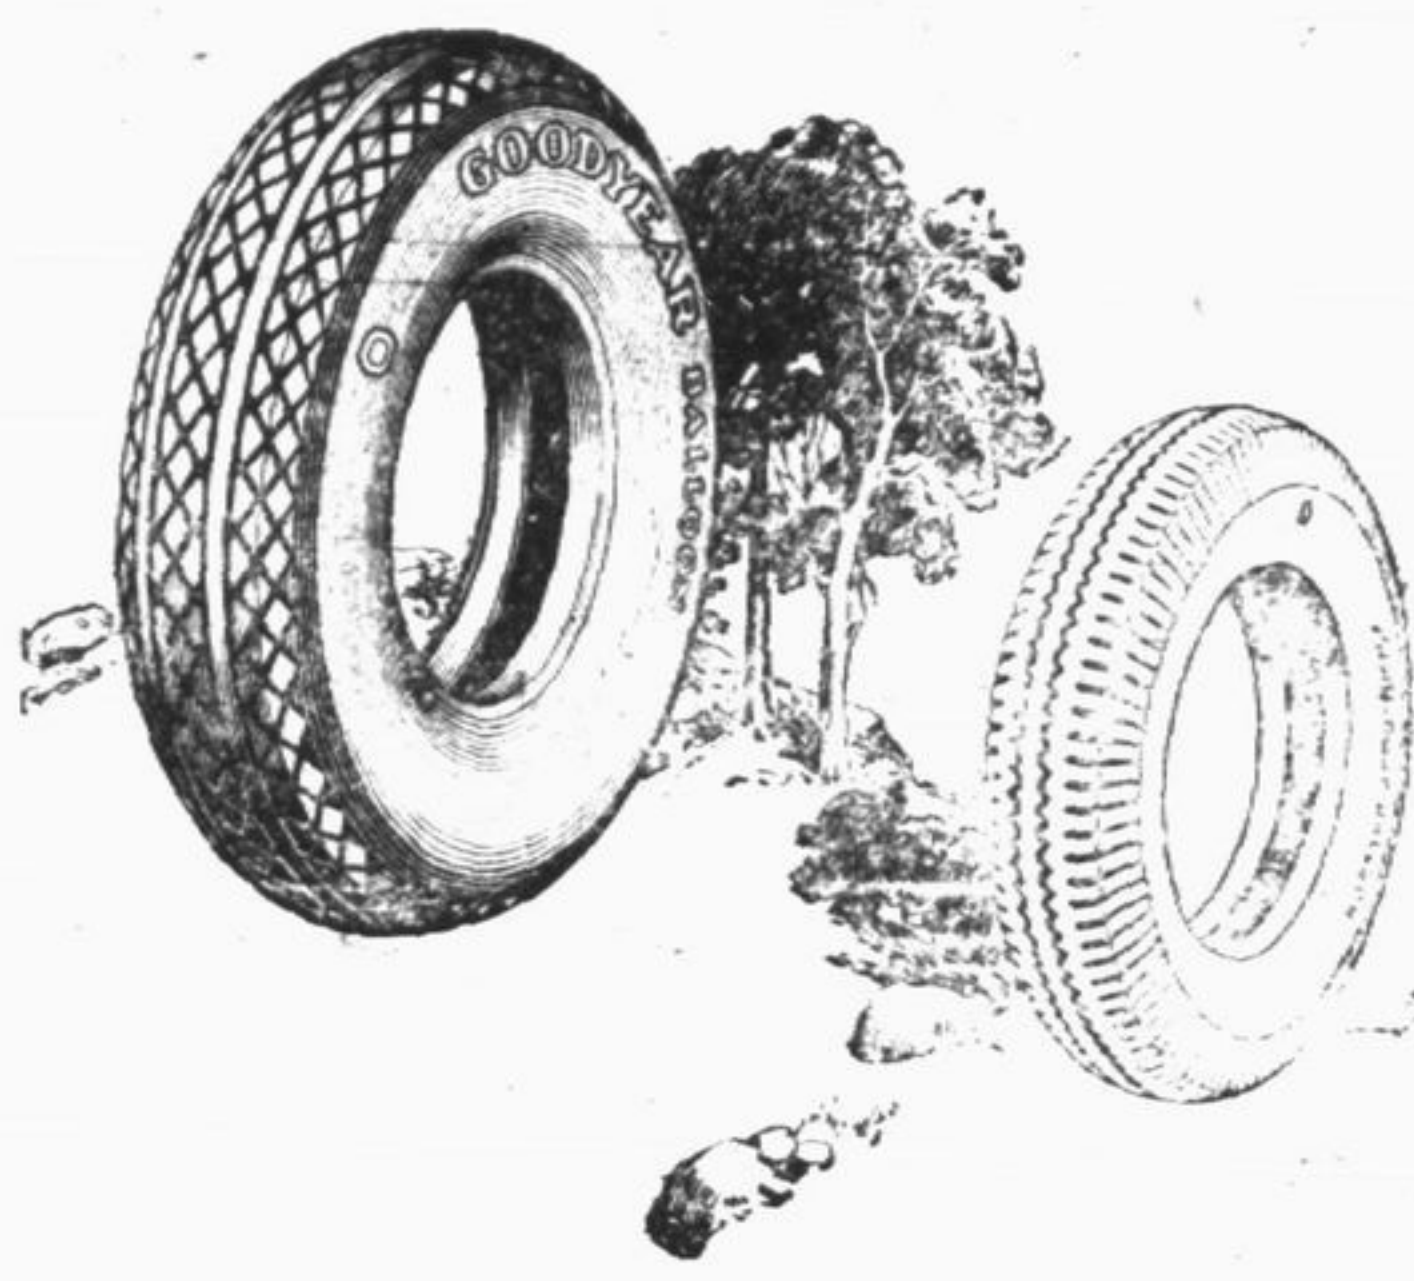

"Mary Magdalene" to Be Dramatic Play Presented on April 17

The Glencoe Sunday Evening club will present a most unusual and enjoyable service on April 17, at the North Shore Methodist Episcopal church. Miss Nadine Stephenson, a member of the faculty of the School of Speech of Northwestern university and an artist of note, will present the intensely dramatic play, "Mary Magdalene," by Maeterlinck. Miss Stephenson is recognized as an artist of unusual dramatic ability. She has achieved great success in her presentation of this drama.

"Mary Magdalene" is recognized as one of the immortal Maeterlinck's greatest plays. It is intensely interesting, and has fine dramatic power. As a religious drama, it is among the greatest.

At 7:45 until 8 o'clock in the evening, Mrs. William B. Schuster will present an organ recital. The North Shore Methodist Episcopal church extends a welcome to all Glencoe residents at this service.

When we finally get the five-day week, the first effect will be a rise in the price of gasoline.

Goodyear's Price Often Duplicated But Its Quality —NEVER!

Motorists are learning that there is a big difference in tires, although they look pretty much alike. Some are long on looks and short on quality and mileage. But you won't need a microscope to be sure that the Goodyear tire you get from us is a real buy. Goodyear mileage tells the story.

Today, more than ever, more people, the world over, ride on Goodyear tires than any other kind

AND YOU GET THIS KIND OF SERVICE—FREE!

We don't just sell you a tire—we'll apply it promptly, see that your rims are free from rust, and that the tire is correctly inflated. Then after it is on and running we will inspect it at any time and apply conservation measures to help you get all the miles of service that the factor has built into it. This kind of service means tire dollars saved. We do it free for our customers.
