### MAINE HIGH SCHOOL PLAYS HERE FRIDAY

#### Strong Team and Promise Stiff Opposition; Locals Are in Good Condition

On Friday of this week the Maine high baseball nine from Des Plaines will be at the new athletic field for a game with our Deerfield team.

From early season indications the visitors seem to be a good outfit. They undoubtedly will be sturdy opponents for Coach Peel's gang. Two weeks ago Waukegan downed Maine in a 4 to 3 battle, which indicates the strength of the Main nine.

The home club has improved considerably in the past week. Their fielding and hitting are better than previously. In the game on Friday Heinemann, or perhaps Baker, will see mound duty.

Deerfield defeated Waller High by an 8 to 3 score on April 12 amidst a "comedy of errors." The unusual cold weather and high wind made good baseball impossible.

The Waller team committed something like fifteen errors. The Waller pitcher hit a home run in its first inning. Harder allowed the opponents team only two hits.

### THIEF STEALS CASE OF SHOES UNMATED

#### Chicago Salesman Reports Loss Here Last Thursday; Maybe One-Legged Bandit

It must have been a one-legged thief who stole Frank Warneke's case of sample shoes, all singles, from the rear of his car on South St. Johns avenue Thursday, the police think, as nobody else would have any use for odd shoes. Warneke, who is a salesman for a Chicago shoe concern did not miss the case until he reached North Chicago. It is probable the thief was disappointed when he found the contents of the case were not "mates."

### FACULTY MEMBERS ON COMMITTEES

Principal Sandwick of the high school is vice-chairman of the program committee and Mr. Ball of the faculty is a member of the committee on Physics and Chemistry of the Thirty-ninth Educational conference of the academics and high schools in cooperation with the University of Chicago, which will be held at the University of Chicago this Friday and Saturday.

Problems in regard to education and progress will be discussed at this conference.

### AN OPEN LETTER TO RENTERS

In Deerfield I have built eleven small compact houses in which it has been my endeavor to use only the best of materials and workmanship. Now that they are built, I am interested in selling them to people who appreciate nice things.

The financial interests behind me are desirous of continuing their investment for a normal period with the result that the down payment is not as essential as the integrity of the purchasers. Houses can be purchased on a rental basis.

If this is of interest to you, see these 5, 6 or 7 room houses at Greenwood and Grand Avenues, Deerfield, Illinois, or telephone my representative, E. Varner, at Deerfield 19.

Yours truly,

CHAS. F. PATTLACK.
