CHURCH ANNOUNCEMENTS

Notice for this column should be in to the Press office by Tuesday noon of the week of publication to insure their appearance.

Christian Science

First Church of Christ, Scientist, Highland Park, Ill., 381 Hazel Avenue, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds services every Sunday morning at 10:45 and on Wednesday evening at 8 o'clock, when testimonies of Christian Science healing are given. Sunday School meets at 9:30 a.m., and is open to pupils under the age of twenty.

Subject for next Sunday's lesson sermon "Soul and Body."

You are cordially invited to make use of the reading room, 361 Central Avenue, which is open every week day from nine in the morning until six in the evening and on Wednesdays until 7:30. The reading room is also open on Sunday afternoon from 2:30 to 5:30.

H. P. Presbyterian

Sunday:

Friday, May 20—The Ladies' Aid society will meet with Mrs. W. H. Holdgate, 325 North Avenue. Usual hour.

Christian Science

"Mortals and Immortals" was the subject of the Lesson-Sermon in all Churches of Christ Scientist, Sunday, May 15.

The Golden Text was from Psalms 19:14, "Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O Lord, my strength, and my redeemer."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? For I am persuaded that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord" (Romans 8:35, 38, 39).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "This is the doctrine of Christian Science: that divine Love cannot be deprived of its manifestation, or object; that joy cannot be turned into sorrow, for sorrow is not the master of joy; that good can never produce evil; that matter can never produce mind nor life result in death. The perfect man—governed by God, his perfect Principle—is sinless and eternal" (p. 304).

First United Evangelical

Green Bay road and Laurel Avenue
F. R. Cardwell, pastor
9:30 a. m. Bible school. We welcome new scholars.
10:45 a. m. Morning worship. Sermon by the pastor.

St. Johns Evangelical

Corner Green Bay road and Homewood Avenue.
K. A. Roth, pastor
Sunday school at 9:30 a. m.
There will be no services on the following two Sundays, May 22 and 29. The pastor will be out of town. There will, however, be Sunday school on both these Sundays at the usual hour at 9:30 a. m.

HIGH SCHOOL NINE LOSES TO EVANSTON

In the game between Deerfield-Shields and Evanston on Tuesday, the local nine was defeated, the score being reported at six to three. The game was played at Highland Park. Last week the Deerfield team defeated University High, 1 to 0, when a home run by Lutz broke the tie in the fourth. In a previous game with Maine high the locals were defeated 7 to 0.

Claimed the schools should teach how to spend money, but most of our people seem to be able to get rid of it without any instruction.

Bethany Evangelical

Rev. C. F. Schriver, minister.
We had good times Sunday and we invite you to be with us next Sunday. The pastor will preach at eleven and eight. Special music at both services. Bring a friend and worship with us. You are welcome in all our services.

Sunday school at 9:45 every Sunday. Only a few more weeks until children's day. There is a class for folk of all ages. Bring your family to Sunday school, and then stay for worship. You will enjoy it and your pastor will be delighted to see the entire family in the service. We try to have something in every service that the children can think of as their's.

The Christian Endeavor society is getting a good start. Meeting time is 7:15 each Sunday evening.

We purpose to have the cornerstone laid Sunday, May 29, at 2:45. Rev. A. J. Byas will speak. The plumbing is going forward this week and we hope some of the floor will also go in.

The pastor will be glad to help any one who desires to confer with him about his or her personal salvation, church membership, or any other personal problems.

Our sympathy goes out to Mr. and Mrs. Thompson who lost their two-year-old baby last week. May the grace of God sustain them.

RAVINA RESIDENTS AID MOVEMENT FOR SCHOOL AUDITORIUM

Continued from page 1
Ravina school plant will be made by Alfred K. Stern, chairman of the committee, only by a girl and a boy from the English department of the school who will tell what the auditorium will mean to the school and what the children have done to raise their contribution of \$600 to the auditorium fund. George Carr, member of the school board, and one of the three architects who are drawing up tentative plans for the structure, will discuss the plans.

Mr. Lawrence Buck and Mr. J. S. Bergen share with Mr. Carr the responsibility of drawing plans which will at once meet the needs of the school as expressed by Superintendent Wright and Principal Piersons and constitute a structure of civic beauty and service.

Members of the school board have been asked to attend the meeting. A general discussion from the floor will follow the brief addresses. The object of this discussion is to ascertain if the community cares enough about an auditorium to subscribe at least half of the \$60,000 or \$70,000 required.

Pledges are asked from the entire community. The committee suggests payment be made in equal semi-annual installments over a period of three years — the first to be made when actual construction has begun. The pledges are contingent on the raising of the entire sum.

If the adults do as well as the children in the Ravina school the project will not be difficult to carry out. These children have made bird houses and sold them, have given parties, theatricals and busied themselves in other ways to raise money for the auditorium.

MANY PLAY GOLF AT SUNSET VALLEY

Despite the unfavorable weather about a hundred golf enthusiasts enjoyed their favorite sport on the Sunset valley course last Sunday and found the condition of the grounds excellent regarding which they made much favorable comment. Members interested in the new clubhouse plan were impressed with the progress being made on the improvement.

Some of our slow moving people will probably get ready to contribute to the flood sufferers by the time the ground gets all dried up and the sufferers are hollering for rain.

The motorists should not speed up merely because some traffic cop is motioning to them to slow down.

BALLOON GAS COST MORE IN THOSE DAYS

The thirteenth day of September, 1856, was a big day for the gas company at Madison, Wis. One of the old record books of the company has the following entry for that date: "12,000 cu. ft. supplied for balloon ascension."

The simplified spelling is given as it appears in the entry. Reference to newspapers reveals the fact that S. M. Brooks, "the celebrated aeronaut," went up in his mammoth balloon, "The Hercules." Balloon ascensions came high in those days. At that time gas cost \$3.50 a thousand

cubic feet, and the transportation charges against Mr. Brooks amounted to \$42. Today the trip would cost him \$11.60.

PROPOSALS FOR "OFFICIAL NEWSPAPER"

Highland Park, Illinois May 12, 1927
Sealed proposals will be received by the City Council of the City of Highland Park, Lake County, Illinois, until 5:00 p.m., Daylight Savings Time, Friday, May 27, 1927, at the Council Chamber in said City of Highland Park, (549 Central Avenue) for Official Newspaper.

Proposals of printing rates for all city notices, advertisements, reports, proceedings, special assessment notices and miscellaneous matters required to be published by law, must be addressed to the Mayor of the City of Highland Park and endorsed "Proposal for Official Newspaper."

Bids will be opened by the City Council in open session at 5:00 p.m., Daylight Savings Time, May 27, 1927, in said Council Chamber.

The City Council reserves the right to reject any and all bids.

BENJAMIN F. LEWIS,
Mayor

V. C. MUSSER, 11-12
City Clerk.
