

**LAST APPEAL FOR GIRL SCOUT FUNDS**

Our last appeal to Highland Park residents for the girl scout campaign. The effort of the Chicago chapter to finance themselves for the next three years and thereby take care of our girl scouts is indeed worthy of your notice. Each of our girl scouts costs the Chicago chapter four dollars a year and we are sure to pay our own way for the ensuing three years only if we have your help and we are

much in need of it. Pledges will be sent to you or checks payable to the girl scout campaign will be gratefully received by Mrs. Maurice Berkson, chairman, 176 Vine avenue.

**MUCH ACTIVITY THIS SEASON, SUNSET PARK**

Extensive activity is promised in Sunset Park this season. A dance opens the park tonight, and regular dances are scheduled. There will be two playground directors this season. Miss Maurine Thomas will be in charge, assisted by Mrs. H. W. Copp. The grounds have been cleaned and a much larger area will be kept mown. The entrance to the ball park has been improved and a parking space provided. Many visitors are expected at the park during the season, as no effort will be spared to make it attractive for the public.

**AUXILIARY MEMBERS WILL SELL POPPIES**

The auxiliary of Dumas Post No. 145, American Legion, will sell poppies, Friday, May 27. Everyone is urged to wear a poppy as this is the one means of procuring funds to carry on the work of rehabilitation among those men who were incapacitated during the World War. These men must not be forgotten, just because the war is over. They must be encouraged by our help. The Lady Elks have been invited to help in the sale of the poppies. Anyone interested in helping should call Mrs. F. Ronan, telephone H. P. 1158.

The members of the auxiliary attended District No. 8 meeting at Grays Lake on Wednesday, May 25. Mrs. Bessie Stuart was the speaker. The regular meeting of this organization will be held today (Thursday) when plans for the sale of the poppies will be made.

**HOWARD-UDELL CAFETERIA** will serve one meal only Decoration Day, Monday, May 30th. An unusually good dinner menu will be served from 12:00 to 2:30. Always a good dinner Sunday, too, same hours as above. —Adv.
