#### GIRL SCOUTS INDULGE IN OUTDOOR ACTIVITY

Girl scouts are making the most of these fine spring days. Last week troop 3, Lincoln school, played troop 4 of Elm Place a lively game of base ball and beat them 31-9. Last Thursday troop 3 challenged one of the Glencoe troops for a game to be played in Glencoe. Tuesday, troops 2 and 4 both of Elm Place will compete on the home field. Much enthusiasm, coupled with good team work, has been shown. The girls have appreciated the use of the high school swimming tank throughout the year and wish to thank those who have made it possible.

Mrs. E. M. Steele, 100 Linden Park place, very kindly offered her beautiful lawn for the investiture ceremony held Wednesday, June 1, at 4 o'clock. At this time all girl scouts of Highland Park and Fort Sheridan met officially for the last time this year and awards were made to those who have been working on merit badges, tenderfoot and second class. Many of the families and friends of the girl scouts were present at this meeting.

On June 4 and 5, plans are made to spend the week-end at the association house camp at Grayslake, about 12 miles west of Waukegan. Fort Sheridan buses will leave Elm Place school at 9 a.m. Saturday, returning the following day at 6 p.m. Those chaperoning are Mrs. M. Berkson, chairman of the mothers' auxiliary for the girl scouts, Miss Johnson, trained nurse, and Miss Cramer, both of Elm Place school, Miss Editha Perry, high school dean, gym instructor and Red Cross life saver, and Miss Card. This is a splendid opportunity for the girls to have a taste of real out-door life in a well organized camp. The swimming is excellent but because of the uncertain weather only those with written permission from home may go in.

The people along the Mississippi river would be justified in giving notice that the Father of Waters has left his bed and board.

#### LOCAL WOMEN TO AID FLOWER-FRUIT GUILD

Highland Park women will have an important part in the 1927 opening of the Chicago Plant, Flower and Fruit guild, which distributes flowers to the sick and the needy.

All citizens of Highland Park and vicinity are urged to contribute cut flowers, which will be received at the Flower Guild's booth, near Gate 16, at the Chicago station of the Northwestern railroad.

Attendants will be on hand on Wednesday, June 1, at 7:30 a. m., and on every day during the summer thereafter, except Saturday and Sunday. Suburbanites may easily de-

posit their flowers there as they get off their trains. In the event that no member of the family is coming into Chicago, the flowers may be deposited at the Highland Park station of the C. & N. W. R. R. up to 10 a. m. and they will be taken into the city.

The typesetters sometimes get the words "marital" and "martial" mixed up, and as "martial" relates to war, some pessimists will say the two mean about the same.
