Holmes Resigns As Corporation Counsel; No Successor Named

(Continued from page 1)

ney, with Catherine H. Gilroy and Edwin L. Gilroy as sureties, be approved. Commissioners Brown, Reay and Zimmer voted aye, and Mayor Lewis and Commissioner Godfrey voted nay. The mayor explained his vote saying that he acted thus in order to be consistent, having voted against the appointment in the first place.

The opinion of Corporation Counsel Holmes was received declaring the bid of the Highland Park Press for the city printing to be legal.

On motion of Commissioner Reay the bid of the Highland Park Press, dated May 25, 1927, to be the "Official Newspaper" of the city of Highland Park was accepted and the Highland Park Press was on motion so designated.

The Board of Local Improvements submitted an ordinance providing for the construction of a reinforced concrete pavement improvement in West Gate Terrace, Hillcrest avenue, Castlewood road, and Briargate Drive, in Briargate Villas; including all labor, materials, and all other expenses necessary to construct said improvement, all in the city of Highland Park, Lake county, State of Illinois, together with an estimate of the cost of said proposed improvement, itemized to the extent that they deem necessary, duly signed by the President of the Board of Local Improvements; and recommend the passage of said ordinance and the making of the improvement contemplated therein. Commissioner Reay moved that the ordinance as read remain on file with the City Clerk for public inspection complete in form until its final passage.

HIGHLAND PARK DAY COMMITTEES BUSY

(Continued from page 1)

Games and races will follow the baseball game.

Local boys' organizations will furnish the entertainment from about 4:00 to 5:00 p. m.

Don't forget the dancing in the evening. There will be an extra good and peppy orchestra on hand all the time.

Remember the date of Highland Park Day, July 27th and reserve it.

HIGHWOOD DAY TO BE OBSERVED LABOR DAY

Highwood Civic Improvement association are planning another Highwood Day it will be held Labor Day again this year.

Mr. Raymond Roth has been appointed chairman for this year's celebration. He will in the next couple of weeks announce the various committees. The proceeds of the day together with last year's receipts will be used for equipping a park which Highwood is planning on getting in the near future.

It is hoped that the citizens of Highwood will give the committees all the help possible to make this day a financial success as well as otherwise. The members want it to be known that the by-laws of the Highwood Civic Improvement association forbid spending any money except for the civic and welfare benefit of Highwood.

Many new features and prizes are in the plans for this year's celebration.

"JIMMY" SANDWICK IS KILLED IN ACCIDENT

(Continued from page 1)

Evansston, and information obtained as to the time he left the party indicates that he had made slow time to Winnetka, taking about 45 minutes, which probably was due to the condition of the motor. In order to inspect the motor, the belief is, he drove under the street light in a prominent place alongside the road. So far, however, no witnesses to the accident have been found, and it is possible that the details may never be fully cleared up.

That the young man was struck on the right side is indicated by the character of his injuries, which include fracture of the skull, fractures of the right arm and other less serious injuries.

Graduate of Deerfield
Richard F. Sandwick, or "Jimmy" as he was always known to his relatives and close friends, was born March 23, 1905, in Highland Park. He was graduated from Deerfield-Shields high school in the class of 1923 and was captain of the school's football team that year. He was also on the school swimming team and prominent in athletics generally.

Bright, talented, congenial, kindly and courageous, young Sandwick had a host of friends both here and wherever he was known. After graduation he went to Leland Stanford university in California and was in his senior year there at the time of his death. A flood of sympathetic messages and tributes of flowers from friends in several cities of the Pacific coast testify to his popularity there. He was president of the Chi Psi fraternity at Leland Stanford.

The young man was preparing to leave last Monday for San Francisco to accept an excellent position with a manufacturing firm, and already had made his reservations for the trip. His prospects for a successful and useful career were regarded as especially promising, and his tragic death at the very threshold of young manhood was a terrible shock to his parents and friends.

Kind, Helpful, Brave

In early youth he had shown a deep interest in Boy Scout work and its teaching in courtesy and helpfulness and throughout his succeeding years his character was marked by his thoughtfulness for the welfare of others and kindness to his parents and friends. "The kindest are the bravest", and young Sandwick also was of a markedly explorative turn, seeking adventure in new scenes and experiences whenever possible, his friends remember.

Funeral on Monday

The funeral was held at 3 o'clock Monday afternoon at Trinity Episcopal church, Highland Park, the Rev. Herbert W. Prince of Lake Forest and the Rev. Frank Fitt of Highland Park officiating. The large attendance and the flowers which filled the church to overflowing was another mark of the great esteem and love of the community for the boy and his sorrowing parents.

The church was decorated by four mothers whose sons had been victims of violent deaths, two of them war mothers. Their sympathy was thus manifested in a very understanding manner. They were Mrs. Spencer, Mrs. Bourique, Mrs. Doty and Mrs. Mason. Interment was in the North Shore cemetery.

The influence of young Sandwick among his college mates at Stanford university is, perhaps best expressed in the following extract from a letter to his parents from a student:

"You have lost a fine son. We have lost the most sincere brother ever in the fraternity. Few but myself know the sacrifices he made for it. But I have lost the best friend I've had. A better one I'll never have. My eyes were full of tears when he left a month ago—now the grief is too great for tears.

"If I can ever be as fine a man as he, my pledge of today will be fulfilled."

"Doomed to know not Winter, only Spring, a being

Trod the flowery April blithely for a while,

Took his fill of music, joy of thought and seeing,
Came and stayed and went, nor ever ceased to smile.

"All that life contains of torture, toil and treason,
Shame, dishonor, death, to him were but a name.

Here, a boy, he dwelt through all the singing season

And ere the day of sorrow departed as he came."

—Robert Louis Stevenson

FIREWORKS DISPLAY AT WHITE CITY PARK

Communities from all sections of the South Side are joining together in fostering the annual fireworks display at White City Stadium from July 3 to 10 this year. The most gloriously elaborate exposition ever will occur at this time and in the gigantic patriotic showing to be conducted at White City a stupendous amount of the most proficient pyrotechnics will be exploded.

This year the celebrated Newcastle Fireworks Co., has been employed to build the display. They have been conscientiously working over a period of months in preparation for this tremendous celebration. This year the cream of the greater showings of other years will be reproduced and instead of offering the climax to the exhibit in one tremendous smash, there will be a series of climaxes throughout the entertainment.

SODA FOUNTAIN

Chocolate

Is the most popular flavor

For those who desire a chocolate syrup for home use, we suggest Ballardvale Chocolate Sauce. It is excellent for making milk shakes, cake frosting, or fillings or for flavored cakes, eclairs and fudges.

We are proud of the smooth, uniform syrup made in our own factory.

A taste tells the difference—Liggett's Chocolate Syrup is of full flavor.

HIGHWOOD DEFEATS NORTH CHICAGO TEAM

New Lineup Too Speedy for Visitors; Play Glencoe Sunday and Monday

Last Sunday Highwood baseball team walked away with North Chicago in a one-sided game on their diamond. The score being 22 to 2. North Chicago could not seem to connect with the balls pitched by Highwood's new southpaw pitcher. Boehm has some of the best curves ever seen in this vicinity and with a new infield Highwood has a fast outfit.

Sunday, July 3rd, Highwood plays Glencoe at Highwood and on Monday, July 4th, Highwood plays at Glencoe in a double-header. This will be an interesting game as both teams are in good condition.

UNIDENTIFIED MAN KILLED BY TRAIN

Fatal Accident Last Thursday South of City; Body Held For Time

An unidentified man was instantly killed last Thursday south of Highland Park, just over the Lake County line in Cook county, when he was struck by a northbound Northwestern passenger train.

According to the local police the victim was a "knight of the road" from all appearances. Near the body was found a bar of soap, a tooth brush and razor which he had been carrying wrapped up in a handkerchief. The body is being held at Prior's undertaking parlor pending identification.

Meet Our President

Our President, Mr. J. M. Appel, was elected to the presidency of the Illinois Bankers Association at Danville on last Friday. The Association comprises 1700 banks and extends into each of the 102 counties of the State.

The Directors of the bank are proud and happy to have this high honor conferred upon this institution and this city; and they invite you to call and say "Hello" to our President, the new President of the Illinois Bankers Association.

NASH ANNOUNCES NEW SERIES CARS

Three entirely new series of cars including 21 models on four different chassis lengths are announced today by The Nash Motors Company.

The new series will be known as the Advanced Six, the Special Six and the Standard Six and despite a wide array of costly improvements these cars are also featuring new lower prices, the reductions ranging as high as \$195.00.

A new radiator design, lower and more sweeping body lines and a brilliant array of new color combinations make these new models without question the most beautiful ever produced by Nash, and the cars fully justify reports which have been current for the past week that Nash would introduce an array of cars which would command nationwide praise.

Important mechanical refinements and improvements are also announced at this time, keeping pace with the progress which has been made in in-

creasing the beauty of the cars' appearance. Outstanding among these are the introduction of new springs of a secret alloy steel which is said to increase riding comfort in amazing degree.

The new body lines are lower and more sweeping than ever before and the wheels are smaller, giving an additional appearance of lowness to the cars although interior roominess has not been sacrificed in the smallest degree.

Matching the beauty of line is the new array of color combinations which Nash has adopted for these cars. Many striking new harmonies are used, giving these cars a brilliance of appearance which is unexcelled in their fields.

It used to be quite an event when some confidence man sold the Brooklyn bridge to a verdant stranger, but you could sell it to a lot of people now if you made the down payment small enough and spread the installments over plenty of time.
