HIGHLAND PARK DAY PLANS PROGRESSING

(Continued from page one)

Saturday morning, July 23, 1927; and it is hoped that everyone will put up their decorations at this time, thus making Highland Park a 100 per cent decorated city.

It has not been decided as yet what orchestra will be used, but you may be sure that it will be one of the most snappy and peppy orchestras in this part of the country.

Mr. J. J. Berube and Mr. H. Bakke, chairmen of the refreshment committee, reported that they have ordered enough hot dogs, buns, coffee, pop, candy and ice cream to take care of everyone.

Mr. W. W. Reichardt, chairman of the concession committee stated that he hoped every one would come prepared to take home with them an armful of blankets, pillows, etc. as he was planning to give away hundreds during the day and evening.

Decorations

The decoration committee again calls your attention to the importance of a well decorated building and an exceptional window.

Have this work completed by Saturday or at very latest by Monday before our day, Wednesday, July 27. Urge your neighbor to enter into the spirit of the occasion. We want every window, every building in gala attire.

Our national colors in bunting or crepe and American flags and banners with white and gold, the colors of the Chamber of Commerce should be in evidence everywhere in our community.

Sports and Pastimes

The Sports and Pastimes committee of which Sam Fell is chairman, has arranged plenty of activities for the day, including races for boys and girls, etc., at 4 o'clock, and a big indoor ball game is scheduled for noon.

The races are for boys and girls in groups according to age, ranging as follows: From 4 to 6; 6 to 8; 8 to 10; 10 to 12; 12 to 14, and over 14. Races for boys and girls. There will also be a sack race.

Merchandise prizes will be given, first and second prize for each race.

Indoor Baseball

At noon one of the interesting sport features of the day will be an indoor ball game between the two leading teams of the Business Men's Indoor League, the teams selected to be announced later. This promises to be an especially good feature and a big crowd of fans is expected. The winning team will receive gold medals, one for each member, donated by the Highland Park Chamber of Commerce.

At 6 p. m. a horseshoe pitching

game will be the attraction, open to everybody in Highland Park, for the championship of the city. The first prize will be a gold medal and the second a silver medal.

Locals to Play Highwood

Bob Greenslade, chairman of the baseball committee has arranged for one of the biggest baseball games of the year between the Highland Park and Highwood teams, to be played at 1:30 on the ball field in Sunset park. These two teams are old rivals and both are getting all tuned up by special practice in preparation for the big game. Both teams are going fine and fans are assured of a hot battle when they meet on Highland Park Day, July 27, at Sunset Park field.

A partial list of the prizes donated by the merchants so far for the big day is reported as follows:

HIGHMOOR DAY PROVES TO BE GALA AFFAIR

Highmoor day was celebrated by the residents of Highmoor last Sunday, a most gala affair being reported. The day was planned by the Improvement association which was organized over a year ago for the purpose of improving the roads in this subdivision. Later the city took care of this work and as a surplus remained in the treasury the association voted to hold this celebration. There were about two hundred residents present who enjoyed games, dancing and refreshments.

The Very Best Part

What part of your wealth do you like best?" was the question asked a man who owns considerable real estate, bonds, etc.

His answer surprised his friends.

"The very best part of my wealth," he said, "is the part that serves me best. Sure, I am glad I own my farms and bonds but they are not the best.

"The very best part of my wealth is my bank account. It is ready any time, day or night, to serve me. It brings me food, clothing, shelter, etc. It takes me where I desire to go. It brings a doctor when I call for him. My bank account is a faithful helper."

Can you say that of yours?

HIGHLAND PARK STATE BANK

THE OLD RELIABLE AND PROGRESSIVE BANK

NEW HUDSON MOTOR SPECIAL FEATURES

The story of the new Hudson Super-Six, which is announced and displayed by A. W. Person, Hudson-Exsex dealer, is essentially a story of a striking innovation in motor design. General appearance of the cars is improved with important advances both in interior and exterior. But while the new bodies are more attractive, the most striking step ahead is the new motor, for which the Hudson organization puts forth sweeping and positive claims. The most interesting are:

Fuels are necessary or even desirable; the design of the motor cares for this problem. Fuel-energy formerly wasted is turned into power. Greater power is developed at all speeds—and particularly at high speeds.

MARIO BASIOLA OF RAVINIA PARK IS WED

Mario Basiola, baritone of the Metropolitan Opera company, singing this season at Ravinia, was married at 10 o'clock Monday morning to Mlle. Caterina Gobbi, formerly of the Italian Opera company of New York, at Guardian Angel church, 717 Forquer street. The bride arrived Sunday from the east, as did Father Mele, who performed the ceremony.

Giovanni Martinelli, tenor of the Ravinia Opera company, and his wife acted as witnesses for the couple, who arranged to be married on

the groom's birthday. A special dispensation, required because the bride has not resided in Chicago for thirty days previous to the wedding, was obtained through Cardinal Hayes of New York.

Until the Ravinia season is over the couple will remain in Chicago, at 680 Greenwood avenue, Glencoe. They will leave in September for a belated wedding trip.

TENNIS CLUB PLANS OPEN TOURNAMENT

The Ravinia Tennis club, just recently organized is planning an open tennis tournament to be held in the near future. All Highland Parkers interested in tennis are invited to enter the tournament. There are five good courts. Anyone interested should get in touch with Jerry Leaning, H. P. 575.
