North Shore Trust Company

Boy Scouts of Highland Park and Ravinia are planning to help celebrate Highland Park Day with a variety of events. First comes the parade, in which the Boy Scouts will take their place with the other organizations of the city.

Court of Honor August 1
The August Court of Honor for the award of badges earned by North Shore Area scouts will be held at Highland Park on August 1, probably at Sunset Park; where, if the weather permits, a campfire program will be held and the awards made as a part of this. This court will be for scouts from all towns within the North Shore area and parents and friends are cordially invited to attend.

Outdoor Meetings
Summer is out-of-doors time and the scouts of the North Shore area are taking advantage of it in every way they can. Besides many scouts going to camp, those who stay home are enjoying overnight camping trips, day hikes, and evening outdoor programs. An example of how these outdoor programs are carried on may be shown by looking into the program of troop 36 at Highwood for Friday evening, July 22. They are to meet at their regular meeting place and from there one patrol (eight boys) will proceed to a secret destination in the woods, leaving a trail for the second patrol to follow.

LOCAL BOY IS RUSHED TO CHICAGO HOSPITAL

Thomas Nathan, 9-year-old victim of lockjaw, who was rushed to Chicago Monday night on a special train from Eagle River, Wis., was gamely battling for his life in St. Luke's hospital, Chicago, at last report.

The train which brought the boy from the family's summer home in northern Wisconsin to Chicago, a distance of about 350 miles, made the trip in a trifle over seven hours over the Northwestern railroad. Aboard the train were the boy's parents, Mr. and Mrs. Claude Nathan of Highland Park, Ill.; his grandmother, Mrs. Joseph N. Eisenbrah, a physician who throughout the journey administered antitoxin serum, and a nurse.

About a week ago Thomas stepped on a rusty nail on the estate of Nestor Johnson, the skate manufacturer, near Eagle River. Little attention was paid to the injury until Monday, when the boy said that he was ill and lockjaw symptoms appeared.

STRAY DOGS ARE BEING DISPOSED OF, REPORTED

Stray dogs are fast disappearing from Highland Park streets, the police report. Several which had no tags have been disposed of and others are impounded. Dog owners who miss their hounds, etc., might do well to inquire of the police or at the pound, the cops advise.

CHICAGO TRUCK DRIVER IS FINED FOR ASSAULT

Eugene Watson, a Chicago truck driver and his truck, wandered off their route here last Friday and at the foot of Sycamore street drove into the entrance of the drive of a private residence, wrecking the canopy over the gateway. Thomas Franklin, chauffeur at the place remonstrated but the driver continued to drive away, and Franklin jumped on the truck, continuing to demand reparation. According to the police the truck driver shoved Franklin off the truck and kicked him in the head, after which he drove away. Officer Kopp was notified and caught the truck driver and returned him to police headquarters. He was fined \$50 and costs on a charge of assault and battery.

The Very Best Part
What part of your wealth do you like best? was the question asked a man who owns considerable real estate, bonds, etc.
His answer surprised his friends.
"The very best part of my wealth," he said, "is the part that serves me best. Sure, I am glad I own my farms and bonds but they are not the best.
"The very best part of my wealth is my bank account. It is ready any time, day or night, to serve me. It brings me food, clothing, shelter, etc. It takes me where I desire to go. It brings a doctor when I call for him. My bank account is a faithful helper."
Can you say that of yours?

NEW THEATRE MANAGER HAS ENVIABLE RECORD

Bruce Godshaw Well Known in Motion Picture Business; Popular Here

Those who met Mr. Godshaw, the present directing manager of the Alycon and Pearl Theatres at the social festivities arranged in honor of Miss Phibbin Monday in Highland Park and likewise many of those who have met him in a general business way during the short time he has been with us, are saying very nice things about him. He appears to be the sort of chap we would have liked to have had with us in the same capacity from the start. We learned from a conversation with Mr. A. Platzman, general supervisor of a circuit of theatres that control the Alycon and Pearl, that Mr. Godshaw is the highest salaried theatrical promotional executive in the middle west. He was directing manager of the Ascher circuit of theatres in Chicago for many years.

Mr. Godshaw has divided his time between theatrical work and publicity efforts and has an entree and receives much consideration from the important newspapers of Chicago and also Chicago political chieftains. He resigned a short time ago as director of publicity of the Chicago Universal Film offices.

Mr. Godshaw is a college man and former lawyer, leaving the legal arena to become a fiction writer and movie director. He is accredited with a knowledge of every important branch of the theatrical business.

to move the folks at home out this way just as soon as he feels he is accepted and the general results tend to prove that he may make Highland Park his future home. We have an excellent hunch, based on Bruce's performance so far, that he'll be with us a long, long time.
