Highland Park Day was a great success in every way and especially from the scouts point of view. Practically every scout who was in town took part in the celebration, the scouts of Highwood also being well represented. In the morning the scouts did their part to help make the parade the success that it was. Besides having a group of boys marching, a float was entered depicting some of the objectives aimed at in scouting. The Boy Scouts were awarded first prize among the organizations in the parade and the beautiful silver cup will be treasured by the North Shore council.

In the afternoon at Sunset Park the scouts maintained a camp with boys on hand at all times ready to run errands or render first aid should the occasion arise. Two scouts won prizes in the races, Ernest West of troop 32 winning a second prize, and Gordon Leonard, of troop 35, taking a third prize. As a special event on the day's program a team of nine scouts from troop 32 constructed a twelve foot signalling tower built entirely with ropes and poles. The time it took to build this tower was 35

minutes and this mark will stand as a record to be shot at by other troops in the near future, especially by troop 22 of Glencoe, which troop will construct the same kind of a tower on Glencoe day, August 11, at Glencoe. The scouts who composed the team for troop 32 were: Ernest West, leader, Henry Belfield, Harry Carlson, Alex Howard, David Koller, Billy Walker, Charles Guyot, John Cummings, and Paul Rably.

Glencoe Day

When Glencoe day is celebrated August 11 each of the Glencoe scout troops will do its part toward making the day a success. Troop 21 has taken the job of constructing a float for the parade, troop 22 will establish a first aid camp at the park where the celebration is to be held and will also demonstrate how to construct a signal tower as a special event on the day's program, while troop 23 will plan a flag lowering ceremony for sunset. All troops will participate in the parade and each troop will have its turn at the first aid camp as will troop 24 of Hubbard Woods.

GYPSIES ROB PARTY AT LAKE SHORE CLUB

Highland Park police were notified last Friday that a band of gypsies had invaded the Lake Shore Country club on Sheridan road near the County Line and that an employee of the club was the poorer by about \$80 or \$90. The police rounded up one bunch of gypsies traveling in an old Cadillac car, but the robbery victim could not identify any of the women of the party as the one who took his money, and so far no arrests have been made. These gypsies when last heard of were going north in the vicinity of Waukegan, but it is the belief of the police that they were not the ones who visited the club.
