

**TEN VOTE DAY WILL BE HELD MONDAY**

**Popularity Contest Ends Aug. 25 Good Spirit Exhibited During Competition**

The Young Ladies' Popularity contest which was originated by the Haak Motor Sales of Highland Park and supported by various merchants of Highland Park and also the Alcyon and Pearl theaters of Highland Park and also merchants of Highwood, Deerfield, and Ravinia, will come to a climax Thursday evening, Aug. 25 at the Alcyon theater, when the final votes will be counted and the winner announced. Monday, Aug. 22, has been declared another ten vote day by August Haak. Everybody backing a candidate or interested in securing votes to help some candidate along, this is a good day to do your shopping. Buy the things you expect to buy a month from now and buy twice as much. Stock up your pantry and larder for several weeks to come. Those who have been negligent in depositing votes in the ballot boxes should do so now. Two voting slips worth ten votes each are given with each adult ticket purchased at the Alcyon and Pearl theaters on Monday night.

One of the most interesting and best conducted contests in a long time draws to a conclusion. The young ladies popularity contest up to date has earned public approbation and ideal comment. There have been no recriminations, accusations, mistrusts nor riots. Each and every participant in the giving out of the votes has done so according to style. There were no rules nor regulations, every merchant being permitted to give one vote with every 25c spent in his place of business. Some gave them only for cash sales, some also gave them to those who paid their bills at the end of the month. Some gave them to everybody and some gave them to those only who asked for them. Some of the candidates had their votes mailed to them by admirers, and some called at the homes with the request that the tenants mail the votes to the address on the card, some had helpers stationed about the vestibules of the places where votes were given to ask the holder for them. Some coaxed their fathers to buy new pianos, rugs, and what not—but everything's fair in love and war and automobiles.

Dated at Highwood, Ill., August 15th, A. D. 1927. 25-28

When it's all over 99.9-10 per cent of everybody concerned will agree it was a very nice and satisfactory contest, honestly conducted. There's customarily a cynic here and there who doesn't believe much in the general integrity of anything. They sometimes mumble and glare and look for a confirmation of their mistrust, but this is one contest where Mr. Cynic is compelled to admit that the hardest, "workingest" girl is the most popular. How could she be other than popular to enlist all the aid that helped her to win. Here's to the girl who wins, and is presented with the Whippet Collegiate roadster Thursday night. I'll be mighty happy if it's your girl and also mighty happy if it's mine, and here's hoping that the winner will be so happy that she will take every other girl who was in the contest for a nice spin in the Whippet.

**BOB STUPLLE ONE OF SEVEN AT SOUTHMOOR**

**Score at Professional Meet Wins Him Chance at Professional Gopher's Crown**

Bob Stupple, professional at the Exmoor Golf club, was one of the lucky seven making lowest scores at the qualifying meet held Monday of this week at the Southmoor club. Other qualifiers included Jim Carberry of Shore Acres and Jack Hutchinson of Glen View. Stupple tied with Arthur W. East of Elmhurst with 153; but on the playoff, Stupple shot a 39 on the extra nine holes to East's 41, and earned the opportunity of competing for the national professional championship, to be played off in the fall at Dallas.

Bill Hartshorn of Briar Gate had hard luck. Making a score of 151, fourth from the low, his score will not send him to Dallas to the championship meet because his entry was received after the deadline.

One of the members of the Dumaresq Spencer Post of the American Legion is making the trip to Paris to attend the Legion convention in September. This convention is to be a pilgrimage to the cemeteries where American soldiers are buried. It is believed that some of the Highland Park citizens have relatives buried in some of the cemeteries in France and if they would send in the names of those deceased together with whatever information they might have regarding the burials, photographs will be made and brought back. Other information will be secured if requested. Address all communications to the Dumaresq Spencer Post, Highland Park, Ill.

**ALCYON TO HAVE CONTEST BOX PARTY**

**Movies of Contestants to Be Taken; Ten Vote Night Will Be Observed**

There's going to be a lot of interesting excitement, novelty, and making of movies at the Alcyon theater Monday night. It is the occasion of a complimentary box party given in honor of the contestants in the young ladies popularity contest. These young ladies will assemble as guests of the management of the Alcyon theater. At the conclusion of the first show, about nine o'clock these young ladies will be invited upon the stage where powerful studio lights and other movie making mechanism will be erected. Movies will be made of all the young ladies a la Hollywood style. This will be decidedly enjoyable to the young ladies and equally as much so for those of the audience who have never seen interior movies made. Monday night is also the occasion of a ten vote night. Twenty votes are given with each adult ticket purchased. Those actively interested in supporting a candidate should find it to their advantage to arrange a club attendance for this night, a

party of fifty attending in support of a particular candidate thus will swell the standing of this candidate one thousand votes.

Sunday afternoon, Aug. 21 promptly at 2:30 "fun movies" will be made of all the contestants who assemble along with their friends, relatives and supporters on the lawn of the Alden Green residence directly east of the Alcyon theater. These movies when completed will be rushed to the laboratory and positively be shown Monday night, Aug. 22.

Many of the merchants of Highland Park who are participating in this contest have laid in additional supplies of votes to be given out between now and Thursday night, Aug. 25, when the contest comes to an end and the winner is announced and introduced from the stage of the Alcyon theater and presented with the Whippet Collegiate roadster donated by August Haak of the Haak Motor Sales.

The winner of the automobile must be in the Alcyon Theater on the final night if she is not ill. If such a condition should arise, the candidate must send along a doctor's certificate with a member of her family. If the girl with the most votes happens to be out of town, she can be represented

ed by her parent or guardian who must have a letter sent from the city in which the candidate is, authorizing him or her to receive the car, otherwise it will be given to the girl with the second largest amount of votes.
