SHURTLEFF TO HEAR FUND SHORTAGE CASE

TRIALS OF BRACHER ET AL.

Change of Venue from Circuit Judge Edwards Is Allowed by Latter; Conspiracy Is Charge

Circuit Judge Edward D. Shurtleff will preside in the trials of County Treasurer Roy W. Bracher, Ira E. Pearsall, Harold E. Martin, Caleb A. Busick and Clark C. Nye. Judge Claire C. Edwards last Thursday granted a change of venue after a written motion requesting a change had been filed by Attorneys J. J. McCarthy and George W. Field in behalf of Martin. Judge Edwards assigned two cases in which Martin is involved to the court of Judge Shurtleff.

In one of the true bills County Treasurer Bracher, Pearsall, Martin, Nye and Busick are charged with conspiracy to embezzle \$100,000 of Lake county funds, while in the other matter transferred to Judge Shurtleff's court, Bracher, Pearsall and Martin are charged with conspiracy to embezzle \$33,000 interest money.

Asks for Change

Martin, who formerly was vice-president of the defunct Security Savings bank, in an affidavit filed Thursday in Circuit court, stated that he feared that he would not get a fair trial if it was conducted by Judge Edwards. Affidavits were also made by Ralph Arnold of 402 Glen-denning place and H. S. Bunting, of 733 Ravine avenue, Lake Bluff, to the effect that they believed Judge Edwards to be prejudiced and that Martin could not get a fair trial before him. It is recalled that Judge Edwards made a strong charge to the grand jury when investigation of the county shortages was started and at the time indictments were returned it was indicated one or more of the defendants would ask a change of venue.

According to indications in court Thursday, a severance will be asked by some of the defendants. Attorney Ralph Arnold, counsel for Bracher, objected in behalf of the county treasurer to granting of a change of venue. He said he was satisfied that Judge Edwards would preside in this trial in a fair and impartial manner. Attorney Eugene Runyard, counsel for Nye and Attorney Max L. Przyborski, counsel for Busick were in court, but made no comment in regard to the venue change. Attorney James G. Welch, who represents Pearsall was not in court.

Opposed Change

Attorney Field, who is associated with Attorney McCarthy in the defense of Martin, said he had advised against a change of venue, being satisfied to have the trial conducted before Judge Edwards, but that the Chicago lawyer wanted the case shifted to another jurist.

State's Attorney A. V. Smith and Assistant State's Attorney Sidney H. Block were both in court when the motion for a venue change came up. Col. Smith said he would just as soon have Judge Edwards preside, knowing him to be a fair jurist, but that if a change were granted he wanted to object to severance being allowed defendants.

ACCIDENT MARKS THE TUNNEY RECEPTION

Libertyville Motorcycle Cop Is Injured in Accident as Fighters Arrive

The scheduled reception which was to mark the passage through Libertyville of Gene Tunney, heavyweight champion boxer, was brought to a sudden close Friday afternoon by the serious injury of Frank J. Druba, Libertyville motor officer who was a part of the escort of the Tunney party through the village.

Druba had met the party at the south village limits and was riding north at the head of the procession which was to turn west on Church street and after circling the park was to stop on the Cook avenue side.

There was evidently a misunderstanding in the routing and the officers next in line behind Druba failed to make the turn, his machine and that of the local police colliding and throwing both riders to the pavement. Druba was thrown violently against the ornamental light pole and his left arm fractured above the elbow, the shattered bone protruding through the sleeve of his uniform. He was unconscious when picked up from the gutter and the blood was flowing from a head wound.

The entire cavalcade was stopped immediately and Tunney hurried from his car to the side of the injured man to assure him that everything possible would be done for him.

The ambulance from the Luce and Earle garage was called and Dr. Charles R. Galloway, who had been hurriedly summoned, had Druba taken to the Victory Memorial hospital where his injuries could be cared for properly and the full extent of his hurts ascertained. From a hurried examination before leaving it is thought that the most serious injury is the shattered arm.

VICE PRESIDENT IS VISITOR IN LAKE CO.

GUEST WAUKEGAN LEGION

Attends Summer Festival There Friday Night and Reviews the Parade; Is Given Big Banquet

Charles G. Dawes, vice president of the United States, came up to Waukegan from Evanston on the North Shore Line Friday evening to be the honored guest of the Legion first at a banquet and next in the reviewing stand to witness the big spectacular parade of the summer festival.

At the station to greet him were Mayor L. J. Yager, Lem Hull, commander of the local Legion. Entering a car and accompanied by a motorcycle squad of police they were rushed to George's Cafe where a hundred guests awaited the honored guest.

It was about 5:20 when the vice-president reached the cafe and as he entered the crowd stood and clapped a cordial welcome to the nation's second officer.

Col. A. V. Smith assumed the role of toastmaster and the talks, all of them brief, took place partially during the progress of the dinner.

One feature of special interest was when Col. Smith explained that the large bouquet of flowers at the center of the speaker's table had been gathered at Marietta, Ohio, the birthplace of Mr. Dawes. He explained that when the Chamber of Commerce heard the general was certainly coming here on this occasion it got in touch with the Marietta Chamber of Commerce. The idea appealed to somebody that it would be nice to get flowers from Dawes' home town to decorate the table for this occasion. It was done and the General was presented with the bouquet, which he accepted gracefully.

General Dawes of course occupied the center of the speaker's table and at his right was Colonel Smith, Mayor Yager, Congressman-at-large Rathbone, Captain Hines. At Dawes' left were Col. Miles, Col. Keek, of Port Sheridan and Colonel Len Hull, commander of the Legion. Present were about 100 business men and they included those from Waukegan and North Chicago.

IDENTIFY VICTIM OF GLENCOE ACCIDENT

Man Killed by Train just South of County Line Last Week Is Chicago Veteran

Body of the man who received fatal injuries under the wheels of a Chicago North Shore and Milwaukee train at Glencoe, last Wednesday night, and who died while being removed to the Highland Park hospital, was identified as that of Kamil Bobrebek, aged 35 years, 1012 North Hoyne avenue, a disabled former World war army captain.

Further investigation disclosed the fact that the man had left the home on that day, after stating that his condition had grown worse and that he was going to a "veterans hospital" for treatment.

Following his release from the army the man had suffered from severe fainting spells brought about by excitement.

His condition makes it difficult to determine whether he fell or walked deliberately into the path of the train it was said.

BRIEF NEWS ITEMS FROM LAKE COUNTY

NEIGHBORHOOD JOTTINGS

Interesting Happenings About This Part of North Shore and Vicinity; County Seat Doings

C. T. Lawrence, an old and respected resident of Waukegan, passed away last week at the home of his niece, Mrs. Frank H. James, 409 Franklin street, where he resided.

"Owners of the five buildings damaged by fire must replace all of the structures with new buildings," was the decision stated somewhat emphatically by Walter Nibelink, city building commissioner of Waukegan after an examination of the structures made while flames were still wrecking the building.

The Grayslake station of the Chicago, Milwaukee & St. Paul railroad was entered by thieves last Thursday night, who made away with several dollars in pennies which they obtained by breaking open a weighing machine and a gum machine, standing in the station lobby.

Mrs. Jane Gleason, aged 87 years, and a resident of the Rosecarns district in Lake county for many years, died at her home last week after a prolonged illness, due to her advanced age.

While two companions remained outside in an automobile on guard duty, three armed and masked bandits broke into the summer cottage of an aged Chicago man, William Smith, of 911 North St. Louis avenue, at Wauconda, early Sunday morning and after frightening the man, robbed and ransacked the home.

While sitting in the grass near her home on Slocum Lake, Mrs. Irma Johnson received a bite from a poisonous bull-snake which bit her on the arm. She was taken to the emergency hospital of Dr. J. A. Ross in Wauconda, where she received first aid. According to Dr. Ross the bite was not very poisonous.

STATE LEGION MEET WAUKEGAN NEXT YEAR

Lake County to Have Annual Encampment of Ex-Service Men in 1928

Waukegan will be the site of the 1928 convention of the Illinois American Legion next summer.

The decision to hold next year's convention in this city was reached by the American Legion delegates at Joliet, Ill., Tuesday morning after the Waukegan representatives had placed before the meeting the advantages of the north shore over any other part of the state. Springfield was in the field for the convention also, but as that city had had it last year, the Legionnaires felt that it might wait a while longer before getting the big event again.

The state convention, it was stated, will draw over 20,000 people to Waukegan. The amount of money that is usually spent in the convention city, according to conservative estimates, is about \$500,000.

Outside of the bid of Springfield, the offer of Waukegan was unopposed. The attractiveness of the countryside about this city in the summertime, the nearness of the lake and various resorts, and the ample accommodations for hundreds of delegates made the Waukegan bid irresistible.

The matter of Ignatz Potz, slayer of Motorcycle Policeman William Peterson, who is to have a commutation of his sentence did not come up before the convention Tuesday, it was stated. The Legionnaires, having been opposed to the shortening of the life sentence, had considered adopting a resolution to that effect.

William J. O'Neil, for 30 Years Head of Department in that City Is Dead

Final rites for William J. O'Neil, founder and for 32 years Lake Forest's fire chief, who died last week at his home of heart disease, were held Thursday morning at St. Mary's church.

The Lake Forest City Hall remained closed from 10 o'clock that morning to 1 o'clock that afternoon in honor of the veteran fire official. Mayor Winston, the city counsel, and members of the police and fire departments attended the services in a body. The funeral was one of the largest held in Lake Forest in some years, according to reports coming from Lake Forest.

NO HIGHWAY WIDENING TO START THIS YEAR

Delegates at Meeting on Waukegan Road Plan Told of Difficulties

There will be no highway widening work advanced to the point of concrete construction in Cook county this year. Oscar Schmidt, acting chairman of the Cook county board road and bridge committee, told a group of Lake county road representatives Monday in Chicago at the Palmer house.

"It is dangerous to attempt to lay concrete after November 15," he said. "The board will award contracts for all widening work this winter. All surveys have been made and specifications are prepared, and it is now only a question of letting the contracts. This part will be done this winter for all of it."

The Lake county representation, summoned by the Chicago Motor club, effected a permanent organization with Emery C. Blean of Glen View as chairman and Louis F. Swift, Lake

Forest; James O'Connor, Deerfield; Frank Bartelme, Northbrook; L. W. Coons, Glen View; George J. Loutsch, Morton Grove, and John F. Calfe of Niles as members.

A portion of the committee represents Lake county communities. It was decided that the double area committee would be more effective in urging the state highway department to proceed with the widening of Waukegan road from the Cook county line to the Wisconsin line.
