

**TRAVEL FILM FROM SCANDINAVIA SOON**

**At DeLuxe Theater, Lake Forest and Famous Swedish Actors to Be Present**

On the evening of September 28 the people in this community will have an unusual opportunity at the DeLuxe theater, Lake Forest to go out travelling in Scandinavia in company with one of Sweden's foremost actors, the popular singer and lecturer Carl Barcklind, now the director of the Grand theater in Gothenburg. He became a sensation all over Northern Europe when he created the leading male part in "The Merry Widow," which part he played close to 900 times in succession in Stockholm alone. At that time he was a little god amongst the ladies and his popularity was not left him. Everything he lays his hands on goes

over fine. And so it is with this travel film of his. It is a remarkable work and more interesting than anyone can think. The film Mr. Barcklind now represents in this country—he has taken six months leave of absence from his theater in Gothenburg—leads us through the beautiful countries of Sweden and Norway. Leaving the Swedish capital on the motor boat Viking X, we proceed through the famous Lake Malar south to Ystad, Sweden's most southernly town, visiting all the interesting places, too many to enumerate. Mrs. Hilma Barcklind, a well known opera singer from Stockholm, will render a number of Swedish Folk songs. Mrs. Barcklind appears in the beautiful national costume of Skane. Don't miss this wonderful opportunity to see the land of the Midnight Sun.
