MOODY BIBLE INSTITUTE RADIO LESSONS PRAISED

Many wonderful letters have been received by the Moody Bible Institute expressing gratitude for the Bible lessons recently broadcast through the Moody Bible Institute Radio school, and voicing their joy for benefits received.

Among those who have written in to praise these courses is Mrs. George Lau of 901 Curtiss street, Downers Grove, Ill., who writes, "The Bible lessons broadcast by Moody Bible institute have been most educational and have served to ground me more firmly in the faith which was once delivered unto the saints." I believe if so-called Christians would avail themselves of this wonderful opportunity to hear the Word of God expounded as it is over WMBI, there would not be such a large number led astray into the many cults of our day.

"I registered in but one radio course, 'Mountain Peaks of Prophecy' but followed all the other courses until recently and missed them not by choice.

"Mrs. McCord's Bible lessons on the Pentateuch have been a wonderful revelation and made that part of the Old Testament a new book. I hope she will continue these Old Testament studies when she returns from her vacation. I never miss an opportunity to let others know about this wonderful opportunity and have had some ladies meet in my home to hear Mrs. McCord's lessons.

"We want to thank you for the outlines in Deuteronomy recently received, and enclose herewith checks toward your expense in this work."

The Moody Bible institute announces that Mrs. McCord will be on the air with a new course this season on "Studies in the Gospel" every Friday morning at 10:30. Other courses to be given by radio will be "Book of Romans" by Dr. H. Frammer Smith, Tuesday evenings at 8:30 and "The Bible—What it is and Why We Believe It" by Rev. Harold Lundquist, Wednesday evening at 8:30. All those interested are invited to send their names to the Moody Bible Institute Radio school, enclosing one dollar for each course. Regular outlines of lessons will be given, also certificate on completion.

PAINTING CLASSES FOR CHILDREN PLANNED

N. S. Art League Backing Project; Classes to Begin Here October 15

Arrangements are being made for Saturday morning classes in painting to be held in each of the three North Shore towns, Highland Park, Winnetka, and Wilmette.

In the two successful seasons since the organization of the North Shore Art league, all activities have been planned for the benefit of the adult members only. The league feels that this new venture for the younger artists is one of the most important yet undertaken, and asks that everyone interested in its success help to spread the information about these classes.

The league thinks it advisable to limit class members to children from sixth grade and up to those of high-school age.

Highland Park
The classes will begin Saturday, Oct. 15. They will be supervised by competent and experienced instructors, all members of the league. Tuition charge will be very modest. For further information call Mrs. James C. Ewell, Highland Park 2006.

YOUNG MAN NARROWLY ESCAPES DROWNING

Frank Mills, Employed at Moraine Hotel; Resuscitated Last Sunday

Frank Mills, aged 22, employed as bell boy at the Moraine hotel, had a narrow escape from drowning Sunday afternoon near Buckley's pier. He was learning to swim, it was reported to the police, and the lake was rough with a heavy undertow. Mills sipped a few mouthfuls of water and sank and was with difficulty pulled out of the water by others on the beach. They worked over him for some time before he regained consciousness, but thereafter he was able to walk to the hotel, where he was put to bed, and at last reports had suffered no serious effects.

OFFICER RAFFERTY BETTER IS REPORT

Charles Rafferty, popular member of the city police force, who has been in the Highland Park hospital for two weeks suffering from ulcers of the stomach, is reported this week as improving satisfactorily. He is able to take more nourishment now, and prospects of his speedy recovery are said to be excellent.
