

Beautify Your Homegrounds Plant Now Shrubs, Hardy Plants and Bulbs

The remarkable offers made below, are for the best stock obtainable at any price, more than that, they are from Home Grown Stock, "Bahr's Preferred Stock." The same high grade stock we have used in beautifying many thousands of Homes along the North Shore during the past thirty-five years.

Not only are we anxious to sell you stock, but we are even more anxious that you have success with it. Whether you purchase from us or not, you will always find us ready over Phone 85 with suggestions and helpful hints or we will send an experienced man free of charge to help you solve any garden problem you may encounter. Also, please bear in mind that we devote over 25,000 square feet of glass for the growing on of cut flowers and blooming plants. We grow "BLUE RIBBON FLOWERS" which come fresh cut to you and we deliver flowers for both Glad and Sad occasions by telegraph to all parts of the world.

Here are some Offers of which every Garden Lover should take advantage and remember all Home Grown Stock, not dug and left lying about, but carefully lifted, fresh for each order. The plants consist of nice bushy 2-3 foot tall stock and for larger sizes or quantities, call us up over telephone 85.

No. 12. Same proposition as offered in No. 11, but furnishing 110 Shrubs or enough for a border 100 feet in length and from 3-5 feet in width with irregular outlines for \$52.00.

For a small additional charge, we will furnish men to spade over and prepare soil in border as well as plant it.

For a small additional charge, we will furnish men to spade over and prepare soil in border as well as plant it.

No. 13. We will spade over and prepare soil for the planting of a hedge, consisting of either Privet, Honeysuckle, Spiraea, Dogwood or Barberry, furnish all stock necessary, soil, manure required, and plant hedge as well as trim or prune after planting at the rate of 60 cents per lineal foot. (This is for shrubs ranging from 3-4 feet in height with the exception of the Barberry, which will only be 30 inches tall, but as with the others, will create an immediate and pleasing effect.)

Perennials or Hardy Flowering Plants

The below are just a few attractive offers for some of the most popular Perennials which if planted now will all flower the first season. We have many others and would be glad to tell you what we know about them or varieties you perhaps have in mind, but do not know whether hardy enough for our climate, you will get in touch with our "INFORMATION BUREAU" over TELEPHONE 85. (For the benefit of our friends, let us say that all of our hardy plants consist of twice-transplanted heavy stock, worth three times as much as small plants usually shipped by mail or express.)

Office and Conservatories, Laurel

Avenue, One Block West of Depot

It might be interesting to know that we import over 100,000 bulbs from Holland each year, we secure our Roman Hyacinths from the South and the Candidum Lilies from the North of France. Our Lily of the Valley roots we get from Germany — our Rubrum and Auratum Lily bulbs from Japan and the Scillas from England. We supply some of the largest estates on the North Shore with Darwin Tulips, the finest sorts at import prices. Let us figure on your wants, whether you need one or one hundred dozen bulbs and don't overlook the fact that we handle the best Grass Seed and all kinds of fertilizers. Phone 85.
