NUMBER 32

FIRE PREVENTION SUGGESTIONS

- Promote fire prevention and protect your property and family. Last year over \$1,000 worth of property was burned every minute and a life was lost every 35 minutes.
- Clean property seldom burns—do away with rubbish and junk.
- Careless smokers burned \$30,000,000 worth of property last year.
- Keep matches in metal boxes where children cannot reach them.
- Don't keep ashes in wooden boxes or deposit them against wooden buildings or partitions.
- Don't change your electric wiring without consulting a competent electrician.
- Don't hang electric light cords on nails.
- Be careful with electric flatirons and always use with signal light.
- Use metal protection under all stoves and protect woodwork where stoves or furnaces are close to walls.
- Don't pass stove pipes through ceiling, roofs or wooden partitions.
- Have all flues cleaned, examined and repaired at least once a year.
- Every open fireplace should have a screen.
- Don't connect gas stoves, heaters or hot plates with rubber hose.
- Don't use gasoline or benzine to cleanse clothing near an open flame, light or fire. Use nonflammable cleaner.
- Don't use kerosene, benzine or naphtha in lighting fires or to quicken a slow fire.
- Don't use liquid polishes near open lights. Many such compounds contain volatile inflammable oils.
- Don't go into closets with lighted matches or candles.
- Remember that there is always danger in the discarded cigarette and cigar stub.

GLENCOE MEN'S CLUB OPENS SEASON OCT. 13

Interesting Program Planned; Other Good Meetings Are In Prospect

The first meeting of the Glencoe Men's club for the 1927-28 club year will be held Thursday, Oct. 13, at which time Dr. William F. Sadler, well known Chicago lecturer and publicist, will address the members on a subject yet to be announced.

The general public is invited. Members of the club will be admitted on presentation of their membership cards. Non-members will be charged a nominal admission fee. Those who are not now members but desire to join will be given an opportunity at this meeting.

For the November meeting, it is announced that arrangements have been made to bring Fielding H. ("Hurry Up") Yost, head football coach of the University of Michigan, to Glencoe, to address the club. A definite date for this important meeting has not been arranged, but those in charge of the plans hope to be able to have Mr. Yost here the Thursday evening preceding the Chicago-Michigan game at Chicago. Admission at the December meeting will also be free to club members and with a nominal charge for non-members.

NOTED AUTHOR SPEAKS OCT. 17, ORCHESTRA HALL

Young Richard Halliburton, author of the "Royal Road to Romance" will speak at Orchestra hall on the evening of October 17, under the auspices of the Chicago League of Women Voters forum.

The daring adventures portrayed in Halliburton's two books of travel, together with his individuality, and intimate fascinating style as a platform speaker, has made him a decidedly popular man among contemporary authors and orators. Here we find again that irrepressible spirit of impetuous youth.

Though only twenty-seven years of age, Richard Halliburton already witnesses a rapid-fire sale of his "Royal Road" in America as well as the publication of editions in England, Germany, Holland, Sweden and Denmark. Added to this two other distinctions stand out most prominently—that of being chosen principal speaker for the annual convention of the American Booksellers' association, and his appearance on the platform before the National Geographic society in Washington, where he received an ovation from the two thousand super-critical members.

Many of our thinkers say that everything is wrong, and they are probably right as far as they themselves are concerned.

If the hold-up men keep on, they will soon be holding down permanent jobs in the prison workshops.

NORTHWESTERN PLAYS UTAH NEXT SATURDAY

Rocky Mountain Champs of Last Year Promise Stiff Battle at Dyche Stadium

Undeafed in its last eight games, the victory flashed University of Utah football team left Salt Lake City Tuesday afternoon enroute to Chicago where the westerners will tackle Coach Hanley's Northwestern gridders here Saturday.

The Ut's, scheduled for practice game, have developed into a serious threat following their decisive 40 to 6 victory over Colorado School of Mines last Saturday. Coach like Montgomery's boys most of whom are veterans of last year's eleven which won the Rocky Mountain conference, have high hopes of tumbling the Big Ten champions here this week end.

Realizing that the invaders from the far west pack a lot of power, Coach Hanley is leaving nothing undone to bring his proteges into shape for the forthcoming hostilities. While the Purple displayed considerable offensive strength against South Dakota, Coach Hanley was far from satisfied with the defensive qualities of his team. He pointed out that the tackling was decidedly off color and that the kicking was nothing to get up and cheer about. He did have some complimentary things to say about the blocking of the Wildcats.

Coach Hanley will probably start much the same lineup against Utah as faced the Coyotes last week. However, Walt Holmer will probably be back at right half and Arnold "Kit" Karstens should be ready to start at tackle. Both these men were out of the opener because of injuries.

HEALTH CONDITION HERE IN FINE SHAPE

Board of Health Reports Only Four Minor Contagious Cases Here

The general health of the people of Highland Park is very good, especially as regards contagious diseases. We have but two cases of whooping cough, and two of mumps. Nevertheless as contagious cases always increase at this time of the year it is well to prevent them if possible.

The Dick test will show if a child is susceptible to scarlet fever.

The Schick test will show if a child is susceptible to diphtheria.

If these tests show susceptibility, the child can be immunized against these diseases.

Tests and immunization are simple and harmless. Vaccination will prevent small pox and is also simple and harmless.

Take your children to your family doctor and do your part toward preventing these diseases with their loss of time, expense, suffering and possible death.

The board of health will gladly do its share by attending free of charge any who feel that they cannot bear the expense.

Board of Health.

Sympathy is expressed for the African dodger at the county fair, but there are many white people also who could serve in that capacity without injury to their heads.

GOLD AND SILVER SALE TO BE HELD OCT. 25-26

Proceeds to Help Rebuild St. Margaret's School, Tokyo, Japan

The date of the Gold and Silver sale has been set. All day Tuesday and Wednesday, Oct. 25 and 26, in a shop in the Loop district, probably on Michigan boulevard, the sale will be held, although the exact locale has not yet been determined. For several months plans have been formulating and gifts accumulating for this venture of the Woman's auxiliary of the Chicago diocese of the Episcopal church. Every parish in the diocese has a committee at work, telling of the purpose of the benefit, and appealing for gifts of silver and gold, no matter how small, which will be gathered in a Gold and Silver offering in the churches Sunday, Oct. 9, and Sunday, Oct. 16, during the regular morning offertory. The chairman of each parish will provide a basket into which the gifts will be poured.

The committee are asking for donations of old rings, napkin rings, chains, old cuff buttons, watches, bracelets, pins, tea pots, vases, cream and sugar bowls, spoons, forks, badges. Dental gold is also desirable.

The proceeds from the sale are to provide the auxiliary with funds for the rebuilding of St. Margaret's school in Tokyo, Japan, completely destroyed in the earthquake of 1923. St. Margaret's is a secondary school for girls, from which, it is said seventy-five per cent of the Christian girls and women of Japan are graduated.

The general committee for the sale is made up of: Mrs. George Allen Mason of Highland Park, president of the Woman's auxiliary; Mrs. Carl A. Gowdy of Oak Park, chairman; Mrs. Hathaway Watson of Winnetka, vice chairman; Mrs. Joseph E. Otis, chairman of shops and sales; Mrs. M. Paul Noyes, chairman of sorting and appraising; and the district chairmen, Mesdames Herman B. Butler and C. Colton Daughaday of Winnetka; Edwin J. Randall, John Oliphant, Herbert Bird, J. A. Carter, C. E. Osborne, W. F. Pelham, and Miss Jane Larabee.

The North Shore chairmen are: Mrs. Vance Roberts, St. Luke's, Mrs. Harry Wells, St. Marks, Mrs. E. C. Koogle, St. Matthew's, Evanston; Mrs. Thomas Hardwick, St. Augustine's, Wilmette; Mrs. G. D. Flood, Church of the Holy Comforter, Kenilworth; Mrs. Harry L. Street, Christ church, Winnetka; Mrs. C. C. Coltrun, St. Elizabeth's, Glencoe; Miss E. W. Towner, Trinity church, Highland Park; Mrs. Robert M. Ingalls, Christ church, Waukegan.
