Mrs. H. M. Lay of Winnetka, and her two daughters entertained at a miscellaneous shower in August before Miss Catherine Lay left for Europe. At that time Alfred Newton Burnham of Winnetka gave a reading of his original child poems. Miss Gertrude Shippen was hostess at a miscellaneous shower and bridge. The Misses Florence, Mary, and Effie Fake of Glencoe, gave a surprise Blue party and miscellaneous shower in honor of Miss Shippen. They chose her favorite color as the motif in the flower decoration, the refreshments, and shower gifts.

On Saturday evening, Oct. 1, following a dinner at the Union League club given by Mr. and Mrs. F. M. A group of Miss Shippen's school friends are giving a luncheon in the city for her today.

The inaugural ball of the new North Shore Military academy, held in the ballroom of the Orrington hotel September 29, was a brilliant sight, with the light gowns of the women, the black evening clothes of the civilian men, and the uniforms of the visiting officers. Maj. Gen. William Lassiter, commanding general of the sixth corps area, and his staff, and Brig. Gen. Michael J. Lenihan, commanding general of Fort Sheridan, and his staff. The high point of the evening was reached when, with a few appropriate words, Maj. Gen. Lassiter, acting for the Ladies' auxiliary, presented the colors to M. C. K. Little, president of the academy, who responded for the academy.

The program consisted of dancing to Duke Bigelow's Orrington hotel orchestra, card playing, and a number of entertainments throughout the evening. Saida A. LAKE CO. MAY HAVE COLORED LEGION POST

Matter Being Considered, According to Letters Sent Out By Head of Legion

One of the projects that has been under consideration for a long time by the Lake County Council of the American Legion is now in a fair way to being brought to a successful conclusion and that is the formation of a post exclusive for colored veterans of the World War.

Edward J. McGeogh, the commander of the Eighth district of the American Legion, comprising all of Lake county, has been interviewing the leading colored ex-service men and reports having met with an enthusiastic reception on the proposition. There are nearly 1,000 colored ex-service men in the county and with their own Post, their own officers and their own quarters, there is no reason why this post should not become the leading colored post in the country.

While nearly all posts in the county now have colored men on their rolls and there has never been any discrimination against them, yet, there has been a natural reluctance on the part of the colored ex-service men to take part in Legion activities, which it is now felt will be overcome when they have their own post.

Further developments along these lines will be announced to the county later.

IMPROVEMENT BODY, LAKE REGION PLAN

Druce-Third Lake Association Is Organized; Dam Project Is Considered

The Druce-Third Lake Improvement association of Grayslake, a not-for-profit organization, has been granted a charter by the secretary of state. Construction and maintenance of works for the purpose of retaining water for Druce Lake and Third Lake to a normal level. Nelson K. Reese, John M. Kaiser, William E. Pratt, et al. Cor. Charles F. Smale, treasurer, Kaustine Co., Inc., Libertyville.

The formation of this association indicates the near fulfillment of plans being talked of for some time in the Druce-Third Lake community, that of building a real dam between the two lakes. The talk has been that it would be constructed after the association was launched, just north of the old Bachelor club property. It is recalled that some years ago property owners tried several times to build a dam near that spot but that certain other property owners who resented the dam plants, blew the dam up at night.

GLENCOE VOTING ON MOVIE THEATER PLAN

Expressions of Glencoe citizens on the question as to whether there shall be erected a motion picture theater in the village and also as to whether the theater shall be operated on Sundays, are coming in strongly in favor of both propositions, according to figures given out at the village hall last Friday. Up to noon Friday, Village Manager George R. Young announced that 445 votes had been recorded in favor of movies in Glencoe, as against only 73 opposing the proposition.

Relative to Sunday movies in the village, 350 had recorded votes in favor thereof, against which there were only 168. Balloting closed Wednesday and the result will be announced October 15.

DAKOTA POTATO KING HAS HUMOROUS STREAK

"Dave" Saur, potato king of Hayti, S. D., is rated as a genuine humorist by a representative of Farm & Fireside who interviewed him recently.

Incidentally he is responsible for the name of the West Indian Island being applied to the prairie town. When a government representative who established the postoffice consulted him about naming the place he found Saur tying bunches of buffalo grass as fuel for the cook stove.

"You might call it 'hay-tis' he replied, wiping the perspiration from his brow. And the serious minded government official wrote down "Hayti" what he thought Saur said, and it became geography.

The magazine man, in talking with the pioneer Dakotan, asked him what he thought officials down at Washington could do for agriculture in the way of farm relief.

"Well," said Saur, with a twinkle in his eyes, "they might pray for rain."
