

**HIGHWOOD GRIDDERS DEFEAT UNIQUE A. C.**

Take Game From Chicago Team Last Sunday; Score, 14-0; Next Battle

Playing with a much-shifted line and without the support of Captain Allen, Joe Boylan, Stewart Stipe, N. Englund, Shannon and Jurehand, the Highwood A. C. scored two touchdowns and a safety and shut out the Uniques 14-0.

Captain Dever, whose regular position is end, played halfback and proved himself a good man at that position. Twice in the first half Highwood had the ball on the opponents' five-yard line but the Uniques held them and the half finished scoreless. Between the halves Coach McIlwaine showed Highwood their mistakes and in the latter part of the game the local boys were a stronger fighting machine and a much improved team.

Early in the third quarter Highwood started a series of line plunges which resulted in their first touchdown. Shortly after that they scored again on a blocked punt. In the last period they blocked another punt for a safety.

Highwood outplayed their opponents in the entire second half and kept the ball close to the Uniques' goal. The game ended with the score of 14-0.

**Next Sunday**

Next Sunday Highwood will play the Governor Boosters, a south Chicago team who have a record of 18 victories and 3 defeats in the past three years. While Highwood's record for 1925, 1926 and 1927 is 20 victories and 2 defeats. So far this year Highwood has scored 80 points to opponents' 6. In 1926 they scored 65 points to the opponents' 2.

Sunday's game will be played at Highwood field and the game will be called at 2:30 p.m. A good game and a large crowd is expected.

Wallie McIlwaine (Red Grange's team mate) is coaching the Highwood eleven and is getting good support from both players and fans. The team has greatly improved under Wallie's guidance and also they are playing the best teams available it is hoped that Highwood will be the season's champions.

**OPENS YEAR WITH DELIGHTFUL METING**

D. A. R. Meets at Home of Mrs. Winston, Wilmette; State Regent Present

It is not too much to say that the time, the place and the program for the opening meeting this fall of the North Shore Chapter, Daughters of the American Revolution were "ideal."

Mrs. C. A. Winston's lovely and unusual home was built especially, it is felt for the occasion: the delicious luncheon and gay gathering made a wonderful prelude to the very instructive and equally interesting program which followed.

Reports, words of welcome with responses by visiting regents gave members a new interest in what "The Daughters Do" for it is their beliefs and ideals that help to make the home and the nation strong and united.

The regent as well as the state regent, Mrs. Sweeney, asked that each member feel personal responsibility in carrying out the aims and purposes of the organization.

Mrs. R. W. Stevens, state chairman for "Constitution Hall" fund gave a gracious and concise report on the subject near her heart.

Mrs. Herrick, former state regent, spoke on "Earnestness" in living up to our aims. The three particular aims mentioned by her were the making of historical spots, the furthering of education, especially among the Mountain White and the upholding of patriotism and of loyalty.

And this year's watchword for the North Shore chapter is "Loyalty." Gertrude Brown Roberts, Cor. Sev.

**PLAN FOR K. OF C. AT HIGHWOOD REPORTED**

Effort is being made, it is reported, to organize a chapter of the Knights of Columbus in Highwood. A number of local members of the Wilmette chapter have been approached regarding possible transferring of their membership to the new chapter, if it is organized, it is understood. At present there is no chapter between Wilmette and Lake Forest.

**LIVING FLAG IS ORGANIZED HERE**

Mrs. Wainright Represents Flag Staff; 63 Other Citizens Comprise Flag

A living flag once created goes on waving forever. A Sesquicentennial Living Flag has been founded by sixty-three American citizens of Highland Park, one representing the Flag Staff, one the blue field and thirteen the stripes and forty-eight the stars, humanly typifying the flag of the United States, of which President Coolidge is honorary president.

Standing for the Declaration of Independence; representing the Constitution of the United States; typifying the history, the traditions, the ideals, the institutions, the aspirations of the American people. The American flag is the symbol of all we are, of all we hope to be. The aim—to foster reverence for the flag of the United States and to combat all influence, conditions and forces hostile to ideals, traditions and principles for which the flag stands.

The living flag was founded, in Highland Park by Mrs. R. P. Page Wainright, who represents the Flag Staff. On Thursday evening, Oct. 27 at Witten Hall, the American Legion and Auxiliary will join in presenting her with a flag medal in recognition of her patriotic service in forming a Living Flag.

**LITTLE SYMPHONY TO GIVE CONCERT FRIDAY**

Large Attendance at Deerfield-Shields High School Seems Assured

One of the most delightful and entertaining programs the community has ever known is the Little Symphony orchestra concert which will take place at the Deerfield-Shields auditorium on Friday of this week at 2:15, under the joint auspices of the Parent-Teacher association and the Shoreline, the high school paper.

Conservative estimates based upon a showing of hands in the grammar schools indicate that there will be a full house for the concert. Fully 900 is expected from these school alone, to say nothing of the high school, and the P.T.A.s of the two townships.

George Dasch and his famous orchestra are well known and popular throughout Chicago. With them, as soloist, comes America's greatest child harpist, Helen-Bannon, who has been called by Salvi, world's premier harpist, "the most wonderful and talented child I have ever heard."

The orchestra consists of twenty-four players, representing all sections of the modern symphony orchestra. The string section is complete and well balanced, and the brass instruments are represented as well.

It is the hope of the promoters of this concert that patronage will be sufficient to warrant arrangements for a series of concerts during the winter.

**DR. DOBSON SPEAKS AT CORNER-STONE LAYING**

The following article appeared in the October 15 issue of the St. Louis Globe-Democrat and many of Dr. Dobson's friends here will be interested in reading about him. Dr. Dobson was the former pastor of the Highland Park Presbyterian church. Ceremonies of corner-stone laying for the new First Presbyterian church 7200 Delmar boulevard and Overhill drive, will take place at 3 o'clock tomorrow afternoon. Rev. Dr. R. Calvin Dobson, executive secretary of the St. Louis Presbytery and pastor of the church, will preside. Other ministers of the city will take part in the program. The first unit will cost \$200,000.

This congregation is now 110 years old, having been organized November 15, 1817, in a school building at Fourth and Market streets.

**THANKS OF Y. W. C. A. FOR CAMPAIGN HELP**

Appreciation Expressed for Aid Given During Recent Annual Drive for Funds

The directors and members of the Y. W. C. A. wish to extend their sincere thanks to all of those who contributed their time, money and services to the maintenance campaign drive which was started in Highland Park, October 3.

The Young Women's Christian association has been very proud of its large list of contributors, indicative of the wide interest in this worthy cause. In the past over 1,000 men, women and children have given sums ranging from 50 cents to \$2.00. These people have given to this community an association of which to be proud. They have made possible the attractive, home-like house and the beautiful and spacious recreation halls for the young women of Highland Park and young women far from home in need of a friendly hand.

This campaign was for the maintenance of this structure which has been built by friends of the Blue Triangle. Many have been generous in the past. Our campaign committee have not been able to call on all of the former subscribers. Won't you please send in your contribution without being called on. At this time is the only appeal made for this splendid work. There is no other organization in Highland Park given over wholly for the betterment of young women. It supplements the church and the schools, and aids business and social life.

It is to your interest, your pride and your duty as a citizen of Highland Park that this work continue and grow. It is your Y. W. C. A. Make it truly yours by giving it your interest, your help and your contribution.

The school nights will be on Mondays and Wednesdays between 7:30 and 9:30 and the whole term will be divided into units of four weeks. Registration will take place on the Wednesday night preceding each unit and on the first Monday night of each unit.

It was also decided that each class must have an enrollment of twenty or more before it will be organized and if any student is absent three times in four weeks, he will be dropped from the roll. In case the enrollment drops under twenty the class will be discontinued.

Another good game is promised at Deerfield for next Sunday. The Deerfield team has been giving some splendid football exhibitions the last few Sundays and winning consistently, and fans are assured excellent gridiron entertainment any Sunday they may choose to attend. This year eight graduates of Deerfield-Shields are on college football squads, either as regular, substitutes, or on the frosh teams.

Lake Forest has claimed Tillie Martin, who was captain of the Deerfield-Shields team in 1926. Tillie is a regular and is a big cog in the Red and Black machine.

Harry "Tip" McClure '26 is a substitute end of Northwestern's grid squad. "Tip" played football at Deerfield from his freshman to his senior year.

Four graduates are on frosh squads this year: Francis Stipe and Albert Baker at Beloit; Bill Daubert at Northwestern and Walter Johnson at Lake Forest.
