LANGE AND FRANTZ FAMILY HISTORIES

WERE PIONEER SETTLERS

Came Here in 1867 and 1847; Many Old Books Treasured; Members of Families

Henry Ferdinand Lange, son of Johann and Caroline Paradis Lange, was born in Wollin, in Nollger, Kreise, Prussia, March 14, 1837. He was married in his native town, as his certificate of intention of marriage shows, to Miss Wilhelmina F. Drawz or Drauz, who was born June 19, 1845, on April 14, 1867. In addition to her chest of linen, Wilhelmina's father gave her a dowry the equivalent of \$100. With this confirmation certificate is dated May 6, 1860, and signed "Hoppe, pastor." Heinrich Lange's confirmation certificate was issued Sept. 28, 1851.

Mr. and Mrs. Henry Lange had ten children, Charles E., Augusta E., Theodore, Bertha H., Anna H., Josephine, Emma, Elizabeth, Edith, and Walter J. Lange. Henry F. Lange was a foreman for Herr Sinders of Stravo. His brother, John Lange's, trade was a wagon maker's helper.

With four of their children Mr. and Mrs. Henry Lange departed from their port on the steamboat O Leo on April 6, 1872, and landed at Baltimore on April 15. The boat for which they were booked was the Leipzig, but they missed it, and the Leipzig sank with 800 people. From Baltimore the Lange family came to Chicago. For two months they remained there then came to Northfield, where they lived just west of the depot. Then they moved to North Northfield near the little cemetery on Dundee road.

In 1876 Mr. Lange moved his family to Deerfield, where he bought the Amos Truesdale property on West railroad avenue.

The children made alliances as follows:

Charles E. Lange is not married. Augusta E. Lange married Alexander Allan of Scotland, and had two children: Leslie Lange Allen, who died at seven years of age, and Walter A. Allan, who married Heley Gladys Sonn of Chicago, where they live.

Theodore Lange married Mary Kranz, daughter of Mr. and Mrs. Henry Kranz of West Deerfield. They had two children, Irving and Theodore Kranz Jr. Theodore Jr. died on February 22, 1912, when nine years of age. Mary Kranz Lange died in June 1925.

Bertha H. Lange married James Peterson of Denmark. They have one adopted child.

Anna H. Lange married Richard Bricknell of England. They have no children.

Josephine Lange married William Mentzer, son of John and Evans Mentzer of Highland Park, and have one child, Harold Mentzer.

Emma Lange married Chris C. Niebuhr, son of Mr. and Mrs. William Niebuhr, of Wheeling, Ill., and have four children: Clayton J., Grace, Marvin, Kenneth, and Mildred Niebuhr. Mildred died at five months of age.

Edith J. Lange married Edwin P. Osterman, son of William and Margaretha Fehd Osterman. They have no children.

Walter J. Lange married Meta Jacobs, daughter of Frank and Emma Rogman, Jacobs, and have two children, Allan G., and Walter J. Lange, Junior.

On March 22, 1887 Henry F. Lange received his final certificate of naturalization, which was signed by L. C. Dorsett, clerk of the Circuit Court of Lake County. It attests that Henry Lange, an alien, appeared in person before Honorable Francis E. Clarke, presiding judge of the county court of Lake county, and renounced allegiance to William, Emperor of Germany. George L. Brand and A. H. Muhike testified as to the length of residence in Lake county, and to the good character of the applicant.

Old Books Treasured

Mrs. Henry Lange still has the leather bound metal cornered Bible with leather metal tipped clasps that she brought from her home in Germany. It was printed and published in 1870. The Family Altar, published in Berlin in 1866, a song book also bound in leather with quaint clasps, Luther's catechism published in 1782, and a school book, containing problems in arithmetic, spelling, and reading lessons packed closely in its one hundred and twenty pages. This was printed in Neu Kuppin, and the covers are figured and have a calico pattern of different designs on each side.

Letters written in the beautiful shaded writing of the German, addressed to "Liebe Tante," are full of poetry and endearments. In one letter from the mother of Henry Lange, she asks her son to address her letters to the Widow Lange, Pomerania, Prussia.

MISSOURI TIGERS PLAY NORTHWESTERN OCT. 29

Another Big Game at Dyché Stadium Saturday of This Week Is Expectation

The Missouri Tigers, one of the bravest teams in the country, will invade Dyché stadium at Evanston next Saturday in a game which will go far towards testing the relative merits of teams in the two conferences.

Coach Gwinn Henry's boys pack a lot of power this year. The Tiger line will average over 200 pounds while the backfield is composed of huskies who will average over 185 pounds. One of the largest players on the squad is George Flamank, captain and fullback who weighs 200 pounds. Besides being a capable line plunger he is also proficient at passing and kicking.

A veritable giant is Francis Luckie of the Missouri team. He weighs 230 pounds and is the largest player on the team. Despite his great bulk he is said to be fast and shifty. Another huge product of the Missouri valley is Scott Kennedy, halfback, who weighs 200 pounds and traverses the century in 9 4-5 seconds.

Miller Brown and James Tarr, the two Tiger ends, weigh 200 and 198 pounds respectively. These two flankers are expected to give Coach Hanley's boys plenty of work during the afternoon. Brown gained considerable renown last fall when he ran 70 yards for a touchdown against West Virginia for the winning touchdown.

Against the Missouri team Coach Hanley will probably use much the same lineup as he sent against Illinois Saturday. Aside from some bumps and bruises the Purple players came out of the Illini engagement unscathed. Tiny Lewis received a bad blow on his leg and Waldo Fisher wrenched an ankle.

DEERFIELD GRIDDERS DEFEATED BY BLOOM

Score Last Saturday, 13 to 6, But Locals Lead in First Downs, Passes

For the first time in nine years, Bloom defeated Deerfield Saturday at Chicago Heights by the score of 13-6. That the Blue and White team was by no means outplayed is shown by the fact that Deerfield made fourteen first downs to Bloom's nine, and completed seven passes, while their opponents only made three.

Long Stars for Bloom

Long, Bloom's left half, was largely responsible for his team's victory, his seventy yard run for a touchdown on the second play of the game giving his team the edge from the outset. Tiberi, another halfback, also made some good gains. These two men were also responsible for Deerfield's defeat in basketball at Bloom last year.

Towards the end of the second quarter the Deerfield boys played like demons, making six successive first downs and a touchdown. At the end of the last quarter they also had a spurt, going almost from one end of the field to the other in less than four minutes, by means of a series of long passes. Unfortunately the game ended before they reached the goal.

MRS. C. E. PIPER IS GARDEN CLUB HOSTESS

Mrs. C. E. Timson Reads Fascinating Paper on "English Gardens"

The regular meeting of the Garden club was held at the home of Mrs. C. E. Piper with Mrs. G. A. Willen as assistant hostess on Wednesday, Oct. 19. The business meeting consisted of a report from Mrs. William Galloway on the success she had had in supplying the school with window boxes and of the appointment of a nominating committee composed of Mrs. W. A. Woods, Mrs. E. W. Farmer and Mrs. J. W. Strong. Mrs. C. E. Timson read a fascinating paper on "English Gardens." She gave a beautiful description of English gardens in general as she had observed them and showed some unusually fine prints. The magazine reviews by Mrs. W. A. Woods completed the program of a very entertaining afternoon.

EASTERN STAR DANCE IS WELL ATTENDED

Pumpkins, cornstalks and other symbols of Hallowe'en effectively arranged played a leading role in transforming the Masonic temple to fascinating gaiety on Saturday evening when the Deerfield O. E. S. chapter sponsored a Harvest dance. The hall was comfortably filled and all who attended reported a good time. An orchestra from Chicago furnished the music. Refreshments were served throughout the evening. Mrs. Carl Mau was chairman of the committee in charge of the affair.

BRIEF NEWS ITEMS FROM LAKE COUNTY

NEIGHBORHOOD JOTTINGS

Interesting Happenings About This Part of North Shore and Vicinity; County Seat Doings

Waukegan's fight to perfect its harbor, making it accessible at all times to lake boats, is to get the full support of Cong. Carl R. Chindblom, he stated last week, when it comes up in the list of appropriations at the next convention of congress.

Plans for the extension of Washington Park avenue which will in time give Waukegan another through street south to Morrow avenue near the south city limits and another connection with Waukegan road at Five Points is being worked.

Edward L. Conrad of Waukegan, an avowed candidate for the office of county coroner, is no longer a deputy coroner. He has been relieved of this position which he has held for about 18 years by Coroner J. L. Taylor, who himself is a candidate for re-election, according to the Waukegan Sun.

Mrs. William Walt of Fox Lake has what she claims is a real nature fake—an apple tree in bloom in the latter part of October. The tree which is located in her yard, bloomed as usual last spring and bore the usual crop of apples. Then about a week ago the buds that had appeared on one of the limbs burst into bloom.

Death of Joseph Shiel, aged 25 years, whose body was found in a hayloft of a barn in the rear of his home at 115 Laurel avenue, Lake Forest, Tuesday evening, was due to suicide, according to the verdict returned by a jury following an inquest.

The idea held for many years by Waukegan in the erection of a modern city hall building bids fair to be realized within the next year or two, judging from the plans of the city council. It was announced by Mayor L. J. Yager last week that a committee of the council has been named to draft plans and recommend a building site for the proposed structure.

John Novak of 724 May street, Waukegan, was formerly charged with manslaughter last week at the instance of Assistant State's Attorney Sidney H. Block, in connection with

WILMOT P.T.A. MET LAST FRIDAY NIGHT

Report \$60 Cleared on Card Party; Will Improve the School Grounds

The Parent-Teacher association met at the school Friday evening, Oct. 21, at 8 o'clock.

The program chairman reported that our speaker for the health program could not be with us, and we learned of it too late to secure another speaker.

Mrs. Carter, as delegate to the annual conference, Dist. 19, gave her report which contained many ideas and suggestions for P. T. A. work. It showed a large attendance and great interest in the work.

We then took up the business of the evening and reports of our chairmen of departments and special committees. Mrs. Clavey reported net proceeds from the card party of \$60 for the treasury.

Mrs. E. J. Ginter, chairman of the civic committee of the Deerfield Garden club, stated that a sum of money had been allowed by the club for the committee to use for our schools. Since this is Garden club money she urged that we plant shrubs and flowers to improve our grounds. It was voted to plant shrubbery and flowers on Saturday, Oct. 29, and a committee was appointed with Mr. E. J. Ginter as chairman, to get as many men as possible from the district to help in the work of planting. It is hoped that our men will gladly respond to this call.

It was voted that we furnish sash curtains for all school room windows which will be done soon.

Miss Courson reported several of the birds for scientific study were mounted and in the case.

It was voted that the P. T. A. petition the North Shore lines to have the high school bus start from Wilmot school for the convenience of high school students living farther out.

We then adjourned and sandwiches and coffee were served by our social committee.—Contributed.

The kid element are not thoroughly satisfied with the Hallowe'en celebration, unless a few householders get thoroughly angry and chase them around two or three blocks.

Much is said nowadays about girl models, but not so much about model girls.

the death of Frank Prestopnick, 58, a roomer at 906 Adams street, Waukegan, after Coroner John L. Taylor revealed to the jury at the inquest that Prestopnick had died of a broken neck and not of alcoholism as first believed.

F. G. Piepenbrok, pastor.
Church school—9:15 a. m.
Service—10:15 a. m.
Confirmation instruction Saturday at 9:00 a. m.

On account of the young people's Hallowe'en frolic Friday evening the choir rehearsal will be postponed.

At the Sunday morning service we will observe the birthday of the protestant reformation. In connection with the service we will celebrate the Lord's Supper.

The two-part choir will again furnish special singing for the Sunday service.

Tuesday, November 1, the teachers and officers of the Sunday school will meet for the monthly workers' conference at the Sunday school room. The conference will begin promptly at 7:30 p. m.

Thursday, November 2, 2:00 p. m., the Ladies Aid will hold its monthly business and social meeting at the home of Mrs. Louis F. Soefker.

Deerfield Presbyterian Church

Mark J. Andrews, minister
Church school at 9:30. Departmental organization and trained leadership. Adult classes for men and women.

10:45 worship and sermon—Reformation Day. The sermon theme: "The Church—the Body of Christ." 7:30—Evening service. Studies in the Book of Acts, Chapter IV.

This week will be observed as the first anniversary of the great campaign of last year to cover the church indebtedness. A men's dinner on Tuesday evening and a great Dorcas rally on Thursday will fittingly observe that great campaign. Special

speakers will be secured for both occasions at which social fellowship and inspiration for the work of God's kingdom alone will be stressed. The members and friends of the congregation will rally around these special occasions.

Choir rehearsal, Friday evening at 8 o'clock. Boy Scouts, Friday evening, from 7 to 8:30.

We welcome you to the services and activities of this church.

The country roads are said to call to the nature lover, but the household bills call in a more threatening way to stay at home and pay them.

Claimed that deep ditches along the roads should be eliminated, but room has to be found in them for many speeders.

The kids that remove fences and gates at Hallowe'en, would feel themselves terribly abused if their fathers asked them to do the same amount of work clearing out the back yard.
