CITY COUNCIL AND BOARD IN MEETING

REGULAR SESSION MONDAY

Several matters of importance receive attention; Contract Let for Water Mains in H. P. Terrace

Several matters of importance received attention at the regular meetings of the city council and board of local improvements on Monday evening, October 31, the meeting beginning at 7:30 o'clock.

Petition from property owners and residents living in the vicinity of Exmoor avenue requesting the opening of said Exmoor avenue was referred to the engineers for an estimate of the cost to open and turnpike this street from Park avenue north.

Petition from residents and members of the Highmoor Improvement association with reference to school matters was referred to Commissioners Reay and Gourley.

Commissioner Zimmer moved that Mr. Hoyt King be granted permission to install a water main by private contract to serve his premises on North Ridge road, subject to the usual conditions. The motion prevailed.

Communications Received
The city clerk was instructed to refer a communication from A. G. McPherson, with reference to sidewalk on N. St. Johns avenue, to the North Shore Gas company. The city clerk was also instructed to refer the communication from A. G. McPherson with reference to the business district lighting system to Randolph-Perkins company for attention.

CAST OF PLAYERS IN GUILD OFFERING

REPRESENTATIVE GROUP

First Performance at Highland Park Woman's Club Nov. 8; Features of Plan and Leading Actors

That the flowers of dramatic talent may not be "born to blush unseen" upon the North Shore, care has been taken to represent every suburb between Lake Forest and Evanston in this year's plays of the North Shore Theater Guild.

Therefore, in the current production of this little theater organization, "The Romantic Age," by A. A. Milne, the cast will be found to cover fairly well in its personnel the entire northern district.

DEERFIELD WILL PLAY EVANSTON SATURDAY

Goes to That City for Game and Big Battle Expected; Win from Alumni

With a record of four victories and one defeat behind them, the Deerfield squad will travel to Evanston Saturday, where they will meet the Orange and Black gridders at the new Evanston athletic field. The game will be called at 2:30.

Evanston has played four games so far this season. Senn fell to their attack to the tune of 24-0 score, and Urbana was defeated 23-6. Proviso, however, proved a little too much for Evanston, trouncing them 36-6.

Last year Deerfield was unable to beat Evanston, but held them to a low score. The "edge" was not with the Deerfield team, when one of Captain Al Baker's punts was blocked on the 25 yard line. From this scoring distance, Evanston put the ball across the line. The second touchdown against the blue and white team was also made on a blocked punt. Plenty of excitement was furnished the fans when Bill Daugherty intercepted a pass and ran 85 yards for a touchdown. The final score was 13-6.

Defeat Alumni
By showing a flashy running and passing attack, Deerfield defeated the alumni 25-0 last Friday, making Deerfield's first triumph over the "grads" in many years.

ROYAL NEIGHBORS CARD PARTY NOV. 9

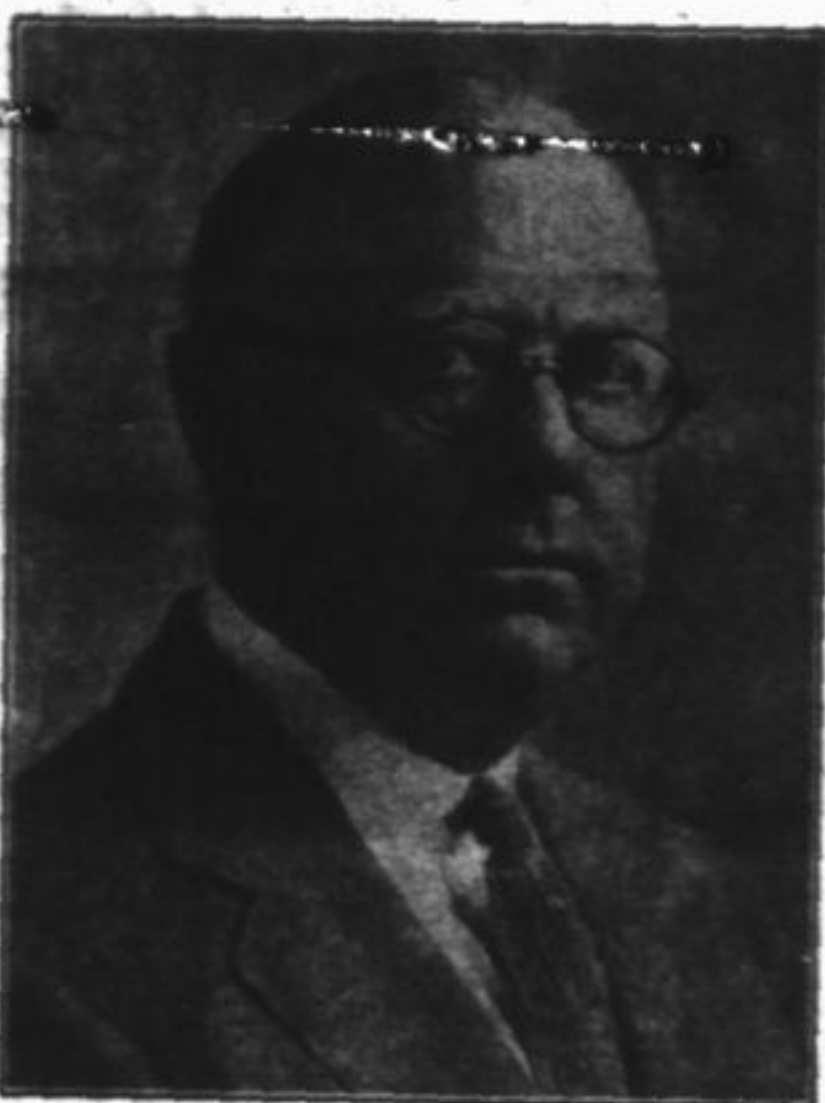

A card party will be given by the Royal Neighbors at Odd Fellows hall on Laurel avenue, Wednesday evening, Nov. 9. Five hundred, euchre and luncheon will be played for which prizes will be awarded. Refreshments will be served.

Geary to Address Commerce Chamber Here November 8th

Mr. William W. Geary, sales manager of Carson Pirie Scott & company, will be the next speaker at the Chamber of Commerce meeting and dinner, which will be held Tuesday, Nov. 8, at 6:30 p. m.

Mr. Geary is no stranger to Highland Park, as he lives in our neighboring village, Deerfield.

Mr. Geary has been associated with Carson Pirie Scott & company wholesale, as sales manager for 19 years and before that time was in the retail

business. His many years of experience in both wholesale and retail have provided him with a fund of information relative to store management that he will pass on to our local merchants.

Every merchant in town should attend this meeting, and the Chamber of Commerce is to be congratulated on having Mr. Geary as their speaker.

We understand that the Chamber has also invited the members of the Deerfield Chamber of Commerce to attend this meeting in a body.

Every member should notify the secretary or committee in ample time so that reservations for dinner may be made.

"WHO SHALL INHERIT THE UNITED STATES?"

Mr. Edward A. Lewis to Address D. A. R. Thursday, Nov. 10

This coming week North Shore chapter of the Daughters of the American Revolution will have the great privilege of hearing Mr. Edward A. Lewis of Chicago present the all absorbing topic "Immigration," which topic, by the way, promises a vigorous contest in the next session of congress, for the question of changing the present quota system to that of national origin comes up.

"People in general must be aroused to a sense of the menace that is apparent now in the congress of the United States." Quoting further from Senator Reed of Pennsylvania we find, "These people who seek internationalism frankly say that it is the first step toward the destruction of America's whole system: that they wish America to throw out its arms and to receive anyone from anywhere—but we must feel that the America of the future—the America of our grand children—cannot exist in the form in which America stands today unless we keep America for Americans. We have tasks enough without introducing such vast hordes who are alien to our language, alien to our habits of life, alien to everything we hold dear, and if we will depart from that system, then, I think more than in any other way we have jeopardized America for our grandchildren."

D. A. R. members will hear Mr. Lewis speak Thursday afternoon, Nov. 10, 2:30 p. m. at the home of Mrs. Speed, 530 S. Sheridan road. Assisting hostesses will be Mrs. Seafarth and Mrs. Parker.

Gertrude Brown Roberts, Cor. Secretary.

LITTLE GIRL HURT IN AUTO ACCIDENT

Alice Artis, aged six and one-half years, suffered fracture of her right collar bone when struck by a passing car on Bloom street, near her home about 5:30 o'clock Monday evening. She was taken to the Highland Park hospital where her injuries received attention. She is reported recovering satisfactorily. The police report that witnesses failed to secure the name of the driver of the car.

LADY VIKINGS HOLD CARD PARTY FRIDAY

Tomorrow evening, Nov. 4 at eight o'clock the Independent Order of Lady Vikings will hold a card and luncheon party in Masonic temple. Prizes will be awarded and refreshments served.

BRILLIANT OPENING HIGHLAND PARK CLUB

MORE THAN 300 ATTENDING

Initial Dinner Dance and Program of Season Especially Delightful; Features Detailed

One of the most brilliant affairs in the history of Highland Park society was the opening dinner and entertainment of the Highland Park club on the evening of October 28.

Members and their guests to the number of more than three hundred were present and the opinion appears unanimous that this event was, in every way, a gracious welcome to new members, a charming tribute to old members, and a fitting demonstration of the club's capacity and ability to extend hospitality of the higher order.

Improvements Appreciated
The recently completed improvements carried out under the joint management of Architect Vigeant and the exceedingly capable interior decorator, Mr. Harris, were the subject of much favorable comment. This work was officially approved at the president's dinner to his directors and committee members on October 18.

Members of the committees, at that dinner were so delighted, they donated the club several hundred dollars.

LECTURE COURSE AT ELM PLACE SCHOOL

Opens Nov. 7, Auspices of H. P. Woman's Club; Is of Vital Interest

The idea that only a highly trained person can understand the mind and how to manage its complex actions and reactions is contradicted by Frederick Pierce, widely known psychologist and author, who is to lecture here on Monday, Nov. 7, 14, and 28, at 3:30 p. m. at the Elm Place school, under the auspices of the Highland Park Woman's club. In his lectures he makes the point that there are two ways to approach the subject of a brain. One is to assume that no one but a specialist can understand it. The other is to show that it can be made clear to even a ten year old child by simple pictures and certain experiments. With this as a basis he shows how the principles of its management may be understood.

Mr. Pierce in his first lecture will discuss "The Hidden Phases of the Nature and Growth of Children's Minds," showing how they may be observed and understood by parents and teachers. His presentation of his subject is not too technical and difficult for the person who has not previously studied intensely the subject of psychology. His use of blackboard sketches makes his points more comprehensible and concrete to his audience. Members of the Highland Park Woman's club who heard Mr. Pierce lecture a year ago at the Evanston Woman's club were enthusiastic and instrumental in securing these engagements for Highland Park this month. He has lectured two successive seasons in Chicago at the Fortnightly.

The second lecture of the series is entitled "Studies in the Management of the Child Up to Adolescence." For further information regarding the course which begins next Monday, telephone Mrs. Charles C. Whinery, Highland Park 1307.

ZONING COMMITTEE WITHHOLDS DECISION

Takes Matter of Extending Business District Under Ad- visement; Other Matters

The first public hearing on the extension of the business district in the Krenn & Dato subdivision west of Fort Sheridan and the Decker lot east of the Alcyon theater on Central avenue, was held before the Zoning committee in the city hall Tuesday evening.

In the absence of L. M. Rieser, E. S. Hall acted as chairman. There were no objectors to either proposition. Both cases were taken under advisement by the committee.

The first hearing on the tract from Hazel to Ravine drive on South St. Johns will be held at the city hall November 10. All interested parties should be present.

A meeting of citizens was held Tuesday evening at the Lincoln school regarding the matter of acquiring for park purposes or school playground the tract in that territory, which it was some time ago urged should be taken over by the park board. At that time no action was taken because of numerous objections. E. L. Millard was the principal speaker at the meeting Tuesday evening and explained the position of the park board in the matter. Citizens interested plan to continue the effort to secure the tract.

HIGHWOOD CITY HAS MANY IMPROVEMENTS

MUCH STREET PAVEMENT

Water Mains and Sewers Laid in Past Year; Extensive Building, Both Business and Residence

Highwood, the progressive little city between Highland Park and Fort Sheridan claims, and with good reason, to be the best-paved small city in this part of the state, with 98 per cent of its streets either of cement or brick, when contracts now under way are completed, which will be in about two weeks. During the present year the city has made improvements, including the paving in question, totaling close to \$70,000. Building improvements in the business district in the same period have totaled nearly \$215,000 and in the residence district about \$300,000.

Notable Progress
It is probable that nowhere in the state in a city of the size of Highwood has there been so great advance made in municipal, business and residence improvements during the past ten months as has marked the progress of this city in material things, and its officials, business men and citizens generally have reason to be proud of their record.

In municipal improvements during the present year, under the existing administration and with the active support of the people of the city there have been installed \$15,000 worth of sewers, \$10,000 worth of water mains and \$37,000 worth of street paving, when contracts for the latter have been completed, which will be, as said before, in about two weeks.

Extensive Street Paving
The paving work has been extensive and includes the widening of Waukegan avenue, the main street, with a strip of concrete eight and one-half feet wide on each side of the existing brick pavement clear through the city. This work is just completed. Other streets on which paving is being constructed under the present administration are—

Sunset Valley Golf Club Annual Meeting Monday, November 14

PLAN EXTENSIVE ACTIVITY

The annual dinner and election of Sunset Valley Golf club will be held Monday, Nov. 14, at the new club house on the grounds, and it is urged that all members attend, as this is an important meeting and of interest to all the membership.

The list of candidates for officers of the club for the year, 1928, as proposed by the nominating committee is as follows:

For president—E. M. Laing.
For vice president—A. B. Craig.
For secretary—Ed Conrad.
For treasurer—Charles F. Grant.
For directors—E. L. Millard, O. F. Bell, Art Olson, Paul L. Udell, E. T. Skidmore.

The remarkable success of the Sunset Valley Golf club during the year just closed is a matter of pride and gratification to all members of the club and to the community as a whole. With over 20,000 players registered during the season, the club during this year exceeded all previous records for popularity and attendance, and reports to be presented at the annual meeting will show its splendid condition and the numerous improvements made during the year, including the erection of a suitable and commodious club house which is greatly appreciated by the members. The course has been maintained in splendid condition throughout the season, and the club is looking forward to still greater progress in the coming year.

PARENTS OF FRESHMEN TO VISIT DEERFIELD

Invited to Attend Classes Friday at High School; Features of Day Detailed

Parents of freshmen of Deerfield-Shields high school are cordially invited to visit the school and attend classes on the afternoon and evening of Friday, Nov. 4. Classes will begin at 2:50 p. m. and continue until 8 p. m. This will afford a splendid opportunity to parents who desire to attend classes for any part or all of the schedule.

Parents desiring to consult individual teachers will have an opportunity to do so during teacher's vacant periods (which will be posted) and during the special consultation period at the close of the program from 8 to 9 o'clock, at which time the teachers will be in their class rooms where they will welcome any inquiries and discuss individual students.

Provision has been made for serving dinner in the school lunch room from 5 to 7 p. m. The regular school cafeteria price will be charged and the lunch room management will appreciate your co-operation by making dinner reservations in advance.

It is earnestly desired by both the school faculty and the Parent-Teacher association that all parents will be interested and eager to accompany their children through a typical day's program of school work.

DEERFIELD TEAM TO PLAY AT LAKE FOREST

The fast Deerfield team of that village after several victories on their own field in recent weeks will go to Lake Forest next Sunday to play the strong Young Men's club team of that city. This promises to be a hard-fought battle, as both teams are in good form and have been winning steadily. A large number of Deerfield fans are planning to accompany the team to Lake Forest.

Last Sunday the locals won another game by defeating the Wrightwood Tigers of Chicago.

HORACE BRIDGES TALK IS INSPIRING

"A Study in Class Distinction" Theme of Woman's Club Meeting Tuesday

When Horace Bridges stepped to the front of the stage on Tuesday afternoon and announced to the group of women who constitute the Highland Park Woman's club, that his subject for the day was Bernard Shaw's "Pygmalion" he must have sensed the stir of expectancy which always marks his audiences. He may have sensed something more as he added these words, "A study in class distinction."

Leaving the skeleton of the play untouched he went to the soul of the text, caught the spirit of Shaw that pleads for equality, and gave us a glimpse behind the scenes of life, which cannot be disregarded. During his brief hour a lesson was taught—a way was indicated, almost a sermon was preached.

"Nobility," says Mr. Bridges, "is more than wealth, is not an incident of birth, it is an inherent quality of fineness that puts first charity to mankind."—Contributed.
