Thursday-

4:30-Girls' choir rehearsal at the parish house. Sunday-

On Sunday, Nov. 13, the first of our Seven Loyalty weeks begins. Each service throughout this period is a special service, with a message you should hear, and music you will enjoy and glad fellowship.

9:00-Girls' choir rehearsal at the church. Adult Bible class room open for prayer and meditation. 9:45-Church school. Classes for all ages. Adult class worship period begins.

10:00 - Discussion period for the Adult class. The subject for study is "The World Preparing for Christianity."

11:00-Morning worship. The pastor will preach on "The Mind of the Age and the Mind of Christ." Count Herman Keyserling has recently assured us that we "stand on the threshold of the most irreligiousindeed, the most anti-religious epoch of all times." Is he right? What is the Christian point of view for the real problems of our time? 4:00-Meeting of the board of trustees at the manse.

7:00-Young People's meeting. Subject: Work Among the People of Porto Rico. Speaker: Miss Albertine Bischoff, who has had fourteen

years of active work among the Spanish speaking peoples of Porto Rico and Greater New York. She has many interesting things to tell of her work among the young people of this group. Monday-

will meet at the home of Mrs. Ira J. Geer, 296 Prospect avenue, Monday afternoon, at two-thirty o'clock. Miss R. Marie Preston, district secretary for the Board of National Missions will be the speaker. Her subject "Then and Now." Preston is a very delightful speaker. All the women of the congregation are most cordially invited. 4:00-Camp Fire Girls' meeting at the parish house.

Wednesday, 7:45 - Church night. The opening service of praise and prayer will be followed with the reading of the religious drama, "The Sword of the Samurai," by Tracy D. Mygatt. The time is the afternoon of May 31, 1924. The place is the living room of the Saito-home, Tokyo. The play represents the Japanese protest against the Exclusion Act by the congress of the United States. American Christians are made to feel the unhappy attitude of resentment among the Japanese people. This is revealed in the family life and conversations of a group representing the highest traditions of the Japanese culture. The play brings forward significant deductions from the teachings of Jesus and suggests the kind of international order that would result if these teachings were actually put in practice.

"Give us to see on every shore, Wher'er mankind is found, A brotherhood that scorns to be

By racial limits bound. A spirit broad and deep as life, That would all pain relieve, Each root of bitterness remove, And every good achieve."

Special Events for November Sunday, Nov. 13-From November 13 until Christmas day there is a period of seven weeks which will be known as our Seven Loyalty weeks.
