HIGH SCHOOL TEAM WINS CLOSING GAME

Battle at Homecoming; Other Features

Deerfield-Shields football team and its eight seniors closed a successful season and their high school grid career Saturday before a large Homecoming crowd by defeating the strong Davenport, Ia., team 14-13. This gave Coach Peel's squad a record of seven victories and two defeats.

Davenport's tactics were similar to those of New Trier, especially the passing. Long passes were continually used and were fairly successful. Deerfield completed one really long pass, Dickinson to Seyfarth, which was good for about thirty yards. These long passes and long runs, particularly a 60-yard run made by the triple threat Dickinson, which was good for a touchdown, provided plenty of thrills for the frost-bitten fans. Davenport showed superiority over the home team in running the ball around end, Tafanelli, their quarterback, and Hartman, a back, making gains ranging from 20 to 40 yards.

Deerfield's backfield played well, both on defensive and offensive. When playing offensive, several times they threw the opposing backs for big losses, the center of the line held the opponents down for short gains or none at all, but the tackle plays were usually yard gainers. Only one sub was used during the game, Bill Mc-Crory for Rudolph, at right tackle.

A football dinner, at which members of both teams and officials and teachers were guests, was served in the school dining room in the evening, and the Home coming dance concluded the days festivities.
