tory. "The Daily Mail of Monday says, "Most interesting of travel films." The Daily Telegraph of London, "It rivals in interest anything ever done. No pen could do justice to it. You must not miss it."

In Paris, Mr. Clemenceau's newspaper, "L'Homme Libre," commented on his talk as follows, "It is a production of original and signal merit which breaks all traditions and is infinitely superior to the things we usually see." L'Journal spoke of it as an enormous success.

The varied career of Thomas has made his life interesting. He has been an Alaskan explorer, gold miner, range rider, star reporter on metropolitan dailies, magazine writer, a graduate of three universities, and a member of the Princeton faculty.

When Lawrence went upon his secret campaign in Arabia, Mr. Thomas was the only American observer in the party. It was of this campaign that Lawrence wrote the "Revolt in the Desert," which was one of the most popular non-fiction books of the day.

Has Varied Career

His book, "Beyond Khyber Pass," relates one of the most dangerous explorations into foreign countries. He returned from this trip into forbidden Afghanistan with the first film record made of this country.

World Flight Book

In a study of aviation and the development of modern air routes, Lowell Thomas flew 25,000 miles over twenty-one different foreign countries. Also in aviation he was the first historian to set down the facts of "The First World Flight." The special copies of this book which he autographed are now selling for \$100 a copy.

Of course the best known of his sellers is "With Lawrence in Arabia," and was described by an eminent critic as one of the best books coming out of the World War. This great book has been translated into many different languages.

ILLUSTRATE CHILDREN'S WELL KNOWN STORIES

Public Library Presented Slides; Secure List of Christmas Books

The Highland Park Public Library felt keenly its need of enlarged quarters and more adequate facilities when in the last week or ten days an effort was made to represent to its small readers several well-known children's stories with the use of colored slides.

Between four and five hundred children crowded the small juvenile room during the week to see Rip Van Winkle, The Village Blacksmith, Alice in Wonderland, Robinson Crusoe, Cinderella and other old favorites which every boy and girl should learn to love. The pictures were accompanied by the story told by a child.

These old favorites of childhood for generations are the foundation of a good children's library. As Christmas approaches the library has ready lists of standard titles in good editions for boys and girls.

One of the best of these "Gifts for children's book-shelves" is a list of 100 books selected by a committee of the Children's Librarians Section of the American Library Association. The books are grouped according to the age of children for which they are suited. It is a buy-in list for the parent as well as a reading list for the child.

Ask for it at the central desk before Christmas shopping is finished and insist that the bookstores supply the editions recommended.

EVANSTON SHOP OF HUB EXPANDS SPACE

Has Taken Over Additional Room in Orrington Hotel; Change in Interior

Finding its Evanston business rapidly outgrowing its space in the Orrington hotel, The Hub, Henry C. Lytton & Sons has taken over the former dining room of the hotel and is now doing business in its enlarged quarters. The partition between the second floor of the store and the dining room doorway opening into the hotel sealed up and the fixtures installed. What was formerly the men's clothing department will be devoted entirely to boys' clothing and the new part given over to men's clothing. The new lease gives the Hub 2,400 feet of additional floor space.

DEERFIELD GRADUATES GET FOOTBALL NUMERALS

Two Deerfield-Shields high school graduates are listed among the freshmen awarded football numerals at Northwestern university, Evanston, according to announcement from that school. They are W. Daugherty of Lake Forest, a back-field man, and D. Hansen, Highland Park, guard. The boys have the congratulations of their friends in the two cities.

the advancement of understanding and good will and international peace through a world-fellowship of business men.

Good Talks

Other speakers were Mr. Chesley R. Perry, Glencoe, secretary of Rotary International; Mr. Robert Harper, principal of the Wilmette schools, both of whom made interesting and enthusiastic talks on Rotary topics, all of which was markedly instructive to the members of the new club.

About a dozen representatives of the Wilmette club were present and other prominent North Shore Rotarians attending were President Don Robertson of the Evanston club and President Vic Killian of the Winnetka club.

It was a very successful meeting with marked enthusiasm and splendid prospects for the new club, and the pleasure of the evening was greatly enhanced by the splendid dinner served under the supervision of Mr. F. W. Cushing of the Moraine hotel.

Meet Monday Noon

The meetings of the Highland Park Rotary club will be held each Monday at 12:15 p. m., at the Moraine, and according to Rotary custom luncheon will be a feature of each meeting.

A matter of interest in connection with the institution of this club in the Mt. Vernon room of the Moraine was referred to by Mr. Cushing in the fact that several of the most prominent and influential organizations and movements in the history of Highland Park had their origin in this room, among them the old Highland Park Business Men's association, adoption locally of the Commission Form of Government, the East Park District and several others.

Charter Members

The Highland Park Rotary club starts out with twenty charter members, as follows:

Lyle Gourley, Dr. J. D. Simons, Edward M. Knox, J. R. Purnell, Paul L. Udell, Earl W. Gsell, S. A. St. Peter, Dr. C. V. Nichols, Edward C. Schweitzer, Jr., C. H. Witt, Dr. D. E. Rosister, Harry F. Kelley, Charles Harbaugh, J. B. Garnett, Charles F. Grant, W. J. Brown, F. W. Cushing, P. H. Prior, Walter Meierhoff, Tom Clark.

Objects of Rotary

The objects of Rotary, as outlined by its representatives are as follows:

1. The ideal of service as basis of all worthy enterprise.
2. High ethical standards in business and professions.
3. Application of the ideal of service by every Rotarian to his personal, business and community life.
4. The development of acquaintance as an opportunity for service.
5. Recognition of the worthiness of all useful occupations and the dignifying by each Rotarian of his occupation as an opportunity to serve society.
6. Advancement of understanding, good will and international peace through a world fellowship of business and professional men united in the ideal of service.

VICTORY FOR CITY IN COURT DECREE

First Act Over!! Now For the BIG SHOW!!

It's very seldom that a merchant will allow his customers to pick their OWN slogan for HIS store. Generally about this time of year you see a whole slew of signs like—"DO YOUR SHOPPING NOW" and "SHOP HERE FIRST" or "TRY THE DRUG STORE FIRST." And ALL of these are rather good and quite useful but they never MEAN anything. Nobody pays any attention to them and you all do as you please, waiting until the WEEK BEFORE CHRISTMAS to really BUY things! Am I right?

TODAY we are going to start using the slogan which has been selected by 46 customers out of 60 actual vote! These 46 represent youth, middle age and elderly people about evenly divided. If the slogan they selected doesn't work out successfully, it's not OUR fault but THEIRS! Here it is:

LAY IT AWAY!!

This means that you can select your Christmas presents NOW and can pay a little down or ALL down and have them "laid away" until a few days before Christmas, at which time you can either come in and get them or we can arrange to SEND them to you. And we think that's a mighty fine stunt. For BOTH of us! Even SHORTY approved of it!

MELVIN D. SWEETLAND.

Shorty Says:

As soon as I heard this new slogan I went right out to explain the idea to Roscoe, my pet turkey. I told to "Lay Away" until a couple told Roscoe plainly that I wanted him to "lay away" until a couple of days before Christmas and gave him my reasons! He argued agin it for a time but when I explained that he had nothing else to do but laze around and get chesty, he agreed to do it, which proves that Roscoe is a real philosopher.

COUNCIL REQUESTS CROSSING SAFEGUARD

of Highland Park of a portion of section 20 was ordered placed on file.

Vacate Street

Commissioner Gourley moved the passage of an ordinance vacating Kincaid street from Roger Williams avenue to Bronson street, subject to the furnishing of easements for public utilities and such other requirements as the engineers may deem necessary. The motion prevailed. This street separates the Ravinia school grounds and a tract which may later be acquired as a public park or school play ground.

A communication from Don G. Masters with reference to damages to his car was ordered placed on the table.

Commissioner Reay moved that the engineers be instructed to prepare plans and an estimate of the cost for the construction of a sanitary sewer on Forest avenue between Linden avenue and Wade street. The motion prevailed.

Commissioner Brown moved that the report of Windes & Marsh relative to the vacation of a portion of Lakewood drive be received and placed on file and the matter of vacation be laid on the table pending the signatures of the parties interested. The motion prevailed.

The city clerk was instructed to communicate with Mr. Lautmann with reference to securing his services to filing suit against Rynaldo Calder for violation of the zoning ordinance.

Board Meeting
At the meeting of the board of local improvements it was decided to ad-

vertise for bids for construction of a system of water mains in streets in Sunset Manor, Deerfield Villas, First addition to Deerfield Villas and Golf Links subdivisions, as described in the official notice printed in another part of this newspaper. Several payments on contracts were ordered as recommended by engineers.
