HISTORICAL SKETCH OF HUHNS FAMILY

CAME HERE IN THE 1850's

Settled in Chicago, Moving to Deerfield After Great Chicago Fire; Owned 90 Acres Here

Early in the eighteen fifties Frederick Huhn emigrated from Saxony, Germany, to Baltimore, Maryland. It was in Baltimore that he married Miss Augusta Lerch, also from Saxony. In 1854 they came to Chicago and bought a home on Canal street. Here Mr. Huhn followed his trade as a gunsmith, making and repairing guns, as in those days much hunting was done on ground that is now the heart of the city of Chicago.

In 1868 Mr. Huhn bought ninety acres of land on Saunders road in Deerfield, from Adam Schminke, father of Mrs. Mary Koebelin, who now resides in Deerfield.

The ninety acres are now part of the Vernon Ridge Country club, and part of the clubhouse is the home which Frederick Huhn built in 1882. After Mr. Schminke sold the farm to Mr. Huhn he moved to Wheeling, and the latter rented the land to Jacob Antes, Sr., father of George Antes of Deerfield, reserving the right to use two rooms of the house if at any time he chose to move into them.

On October 10, 1871, the day after the Chicago fire, Frederick Huhn's son, William, walked from Chicago to Wheeling and arrived there at night. He remained all night in the home of Mr. Schminke, and early the next morning the host took his guest to the Huhn farm, to hire Jacob Antes to move the Huhn family out from Chicago.

Mr. and Mrs. Huhn and their three children, William, Bertha and Fred, occupied the two rooms until spring, when Jacob Antes moved.

In 1900 William Huhn bought the homestead and moved onto it where he lived until 1911, when he sold it to Mr. Kellogg, of the Kellogg Switchboard company. William Huhn married Mary Lesser, daughter of Philip and Barbara Iehl Lesser, and have three children, Louise, John and Clarence.

William Huhn died July 29, 1920. Louise Huhn lives with her mother, and is superintendent of the Junior department of the Presbyterian church school. John Huhn married Elizabeth Kohlberg and has two sons. Mrs. John Huhn is dead, and John and his two sons live with Mrs. William Huhn. Clarence Huhn married Ruth Lidgerwood. They have two children, Robert and Joanne, and live in Deerfield.

Bertha Huhn married Jacob Schwingel and had twelve children, nine of whom are living, Anna, John, Frances, Edward, Augusta, Florence, Agnes, Jacob and Frank. Anna Schwingel married Charles Schober of Minneapolis. They have four girls, Elvina, Florence, Margaret and Dorothy, and live in Chicago.

John Schwingel married Lulu Higgins, of Highland Park, where they now reside. They have one daughter, Marie.

Edward Schwingel died three years ago. His wife was Margaret Hildreth. They have one daughter, Mary, who married Earl Oakes and has one son, Junior.

Frances Schwingel married Thomas Russell. They have three children, Vivian, Thomas and Charles, and live in the Highland Park club in Highland Park.

Augusta Schwingel married Albert Grass. They live in Wheeling.

Florence Schwingel married Ben Fichter of Chicago. They have five children, Vincent, Lolita, Florence, Madeline and Betty.

William Schwingel married Phyllis Shepard of Chicago. They have three children, William, Jeanette and Philip.

Agnes Schwingel married Raymond Clavey, son of Frederick and Minnie Schnardt Clavey, and have two children, Frederick and Patricia.

Jacob and Frank Schwingel live with their parents in Wheeling. The Schwingel homestead at the corner of Deerfield and Saunders roads is part of the Kellogg farm.

Frederick Huhn's descendants now living in Deerfield are his son Fred; and Louise, John and Clarence, children of his son William, and Mrs. Raymond Clavey, daughter of Bertha Huhn Schwingel.

MRS. METCALF GIVES INTERESTING TALK

The small group, who despite the very cold weather of Friday evening attended the December meeting of the Wilmot P.T.A. at the school, were well repaid for their efforts as the program proved of unusual interest.

Mrs. Walter B. Metcalf who spent six months with Dr. Metcalf and her two children in Europe, gave in a fascinating manner an intensely interesting account of the tour. They arrived in France just at the time when it was in a whirl of excitement over the history-making flight of Colonel Charles A. Lindbergh.

Mrs. Metcalf gave a vivid account of the gorgeous scenery, the excellent schools, the beautiful art galleries filled with rare paintings of the old and famous masters, the cathedrals, the customs and characteristics of the different people and many other interesting places and incidents. Some of the countries they visited were France, Austria, Germany, Switzerland and Italy.

Following Mrs. Metcalf's talk, the president, Mrs. Carter, read the December bulletin and the Christmas message from the state president, written from Munich, Germany, where she and her husband, Mr. Walter Buhlig, will spend the holidays.

Mr. Carter urged the members to renew their subscriptions to the Child Welfare magazine and to subscribe for the bulletin and national handbook which contain a great deal of valuable information.

The secretary, Mrs. McArthur, read a communication from Mrs. Edmonds, regional director, in which she explained the \$25,000 endowment fund which still lacks several thousands and an attempt is being made to complete it. The interest is to be used to carry on the work of the state departments. Every association is being asked to contribute to this fund. The matter was referred to the finance committee.

decided to charge five cents per day for the lunch.

Mrs. Ginter and Mrs. Brown were appointed to have charge of the Christmas party for the children which will be held following the program to be presented Friday evening Dec. 23.

At the conclusion of the meeting tasty sandwiches and coffee were served.

DEERFIELD HIGH LOSES IN SWIMMING CONTEST

For the first time this year Deerfield-Shields dropped both divisions of a swimming meet; Austin winning the Senior division 32-14, and the Junior division 21-20.

In the Senior diving, Deerfield was supposedly handicapped by the absence of Onderdonk in the lineup, but Bob Lester stepped in and, with only two days practice, carried off the honors. His double somersault and one and a half were nearly perfect. Lorenson and Harlin of Austin took second and third places.

Kitting of Austin copped first honors in the 100-yard breast stroke. Deerfield's only first place in the Senior division was Lester's diving.

However in the Junior division Deerfield took first in the 40-yard back stroke, 40-yard breast stroke, and diving. Austin took first in the 40-yard crawl and relay.

DEERFIELD QUINTET LOSES ONE, WINS ONE

Deerfield-Shields quintet divided its opening engagement with Austin, the "lights," winning 17 to 16 in an overtime period and the "heavies" losing 28 to 9 last Friday.

The small Deerfield "heavies" proved no match for the rangy Austin men after the half. This being Austin's sixth game, their men were in better condition. This fact became noticeable after the half which ended 7 to 5 in Austin's favor.

The "lights" were more evenly matched. The half ended 10 to 10, the game seesawing back and forth during the second half.

Gifford sank a free throw that tied the score at 16 to 16 just as the final gun was fired. In the overtime period Deerfield won on Jackson's free throw.
