Boy Scout News

After almost eighteen years of progress in scouting development, we come to the beginning of a new year. 1928 holds a challenge to us all. To those of us who are Tenderfoot scouts 1928 should mean progress toward Eagle rank. To those of us who are not yet Junior leaders of our troop 1928 means an opportunity to advance toward Senior Patrol Leader rank. And to all of us, young or old, Eagles or Tenderfoot, the new year means for each a challenge to try harder to live up to the best of our possibilities, to the Scout Oath and Law.

Appreciation Dinner

Too often as scouts we forget to say "Thank you" to our scoutmaster and to show him in other ways that we appreciate the companionship that he has given us. The men of the Northshore Area council appreciate the work being done by our scoutmasters and are going to tell them so at a dinner in their honor to be held on Friday night, Jan. 6, at the Green Tea Pot in Highland Park.

"What is your troop going to do to celebrate Anniversary week?" is the question being asked wherever scouts gather. Troops, patrols, and scouts as individuals are working out special plans to make scouting's birthday week the biggest possible of the year. Father and sons, banquets, inter-troop visits, window displays, troops going in a body to the church, and all sorts of special features are being worked out in the various troops.

Your scoutmaster will be glad to have you suggest to him some things which you would like to have your troop do.

Council First Aid Rally

First aid presents an opportunity for us all to "be prepared." We all need to learn more about first aid. A special incentive is being provided for every troop to raise the standard of its first aid work by getting a picked team of six scouts to prepare themselves to enter the Council First

Aid contest which will be held at Glencoe on Friday evening, Jan. 27. Every troop should have a six-man team already at work, preparing to make a good showing on the 27th. An old-fashioned dinner with Boston baked beans, a program of activities, with Scoutmaster Boy Townley demonstrating some new games, and many other special attractions are included in the Junior Leaders All-Day conference which will be held on Saturday, Jan. 14, at "Cabin in the Woods." All assistant patrol leaders and higher rank scouts are invited. Register now.

NASH DISTRIBUTES LARGE HOLIDAY FUND

Distribution of approximately three-quarters of a million dollars in cash Christmas remembrances was made by C. W. Nash, president of The Nash Motors Company, among employees of the company's plants at Kenosha, Racine and Milwaukee. No employee was overlooked, whether on a salary, time-work or piece-work basis. Mr. Nash, personally greeting each employee, as he passed out of the factory gates, wished him and his family a Merry Christmas and handed each an envelope containing a ten dollar bill. Office and other salaried employees were remembered after the factory men had received their gifts.

Many hunters who have had no luck during the shooting season, can now spend some time in the back yard seeing if they can hit the barn door.

Gently Float the Dirt Away!

Your clothes, washed by us, will come back to you spotlessly clean and absolutely sanitary — a natural result of our thorough washing process. First, a luke-warm bath loosens the dirt in every fabric pore. Then three fleecy soap washes gently float the dirt away. And finally, five pure water rinses are used to remove every soapy trace — to make each article snowy white and downy soft. Truly, a process that cleans things clean — without wear and tear!

A phone call is all that's needed to give you the labor-saving and fabric-saving benefits of our nine tubbing process.
