ANNUAL EXHIBIT OF NORTH SHORE ART

OPENS ON JANUARY 12

To Be Held in Winnetka Community House; To Be Largest Display of N. S. League, Report

When the annual exhibit of canvases by north shore artists is held at Mats hall in Community House, Winnetka, under the auspices of the North Shore Art league on January 12, it is probable that the greatest array of such works ever presented locally will be in evidence. Artists are finishing up their entries with the greatest speed possible in order to have them listed before January 6, the time limit set for submitting paintings.

Offers Prize
Contributing to a large degree to the great interest being shown this season is the offer of a purchase prize by William A. Stewart of 620 Cherry street, Winnetka, which is to be known as the Loraine Miller Stewart Purchase prize. The purpose underlying the offer of the prize is to stimulate the popularization of the purchase of pictures. In submitting their canvases, artists are asked to indicate whether or not they desire to compete for the Loraine Miller Stewart prize. The awards made under the prize offer will be accorded under the direction of a jury which is to be selected to choose the winning exhibits.

Exhibit Opens January 12
Arrangements for the exhibit are being made under the supervision of the members of the Art league board of which James Cady Ewell of Ravinia is president. The opening of the event will be featured by a reception at 8 o'clock on the evening of Wednesday, Jan. 12, which will also include music and refreshments.

At a recent meeting of the league it was voted to award 4 prizes for the best posters made by high school students announcing the exhibit. A jury consisting of Mrs. Marguerite Calkins Taylor and Mrs. Gordon Wilson of Wilmette, Mrs. Sibyl Venema and Mrs. J. W. F. Davies of Winnetka, met last Wednesday morning and awarded the prizes as follows: first, Virginia Pearson of Wilmette; second, Harriet Merrifield of Winnetka; third, M. L. R. (full name as yet not learned) and fourth, Gertrude Vink of Wilmette.

To Exhibit Posters
Honorable mention was also accorded to Jean Snell of Winnetka, Ethel Harlan of Kenilworth, Edith Maggard of Wilmette and George Burch of Wilmette.

Twenty-four students submitted posters in the contest, all of whom were from New Trier high school. The league expects to have all of the posters collected immediately preceding the exhibit and to have them placed on separate exhibition in a room adjacent to the regular exhibit.

HUBBARD WOODS POND UNDER NEW MANAGERS

Improvement Association Takes over Supervision of Skating Facilities

At the request of Arthur Fisher and the group of other skating fans who have for the past two years sponsored the skating rink located at Gage street and Linden avenue, the supervision of the pond has been taken over by the Hubbard Woods Improvement association and placed under the management of a committee composed of George B. Calkins, Arthur T. Fisher, Orville Simpson, William King and George Ogan.

This committee is now actively engaged in pushing plans for equipping the rink with the best of facilities and for providing for its permanent maintenance. In pursuit of the program thus far outlined the committee has appointed Henry Carpenter as manager, who will devote his full time to the supervision of rink activities. The Improvement association has also provided for the enlargement of the rink and the placing of the shelter house, which has been used in the past two years by skaters, in the best of condition.

FORMER RESIDENT OF GLENCOE DIES

Miss Ruth Ligure, a former resident of Glencoe, died last week at the North Chicago hospital after having been ill for more than a year. Funeral services were held Friday afternoon at 2 o'clock, at Graceland chapel.

Miss Ligure was born in Glencoe 24 years ago, and lived there most of her life. She spent part of the past year in California. Her parents were the late George G. Ligure and Lily R. Ligure, both of whom died some years ago.

MYSTERY OF MISSING HUNTERS IS UNSOLVED

Man and Boy Who Disappeared At Glencoe Last Week Are Not Found

Three airplanes, the personnel of all the coast guard stations from Evanston to Waukegan, the entire Glencoe police force, one hundred Boy Scouts and scores of volunteer workers have been engaged since the first of the week in what has at this writing (Friday p. m.) proved a fruitless search for Alexander Maitland, 25, and his brother-in-law, Robert Case, 14, who failed to return home from a hunting trip early last Monday morning.

Various theories have been advanced as to the cause of their disappearance, but there has not been the slightest clue on which to base the search.

Maitland and the Case boy left the home of the latter's step-father, Ernest F. Smith, 106 Park avenue, Glencoe, Monday morning at 7 o'clock, to spend a few hours along the lake shore in quest of ducks.

They were to return at 9 o'clock, in time for breakfast with the family. Their dog, which accompanied them, did return about that hour, but there is no trace as to the fate which has befallen Maitland and Case.

CIVIC OPERA PROGRAM DURING COMING WEEK

Many Delightful Performances Promised with Noted Artists in Cases

A gala suburban matinee of "Carmen," on Sunday, Jan. 8, will begin the eleventh week of the Chicago Civic Opera's current season with a brilliance characteristic of one of the most lavish winters of opera Chicago has ever enjoyed: Miss Mary Garden, and Fernand Anseau, who have collaborated in so many past performances of Bizet's superb masterpiece, will have a new associate in Vanni-Marcoux, as the Toreador.

This will be the first performance of this famous role which the distinguished baritone has sung here since his return to the company. Kathryn Witwer, the young prizewinner of the American Federation of Music clubs and the National Opera club contests, whose debut in the role of Micaela was an event of great interest earlier in the season, will once more be heard in this part. The ballet will dance in two scenes and Giorgio Polacco will conduct what many call the most beautiful of all operas.

Monday evening's repetition of "Die Fledermaus" will offer opportunity of hearing one of the company's most entertaining works. The same principals responsible for the great success of the holiday performance, will sing. These include Rosa Raisa, Irene Pavloska, Charles Hackett, Forrest Lamont, Jose Mojica, Giacomo Rimini, Virgilio Lazzari, Chase Baromeo and others. The ballet will dance, and Henry G. Weber will conduct.

Tuesday evening's repetition of "Lohengrin" will bring to a second public what has been called one of the most important productions of the Chicago Opera has ever made. The title role will be sung by Rene Maillon, the handsome young Belgian tenor.

A special matinee at 2 o'clock on Wednesday will pair once more the two popular operatic companions, "Cavalleria Rusticana" and "I Pagliacci."

"Falstaff" will be sung Wednesday evening, with Rosa Raisa, Edith Mason, Irene Pavloska, Maria Claessens, Antonio Cortis, Jose Mojica, Lodovico Oliviero, Giacomo Rimini. When "Sapho" is revived on Thursday evening, Mary Garden will give her first Chicago performance of Massenet's title role.

A special performance of "Tosca" will be sung Friday evening. The cast will include Claudia Musio, Charles Hackett. A ballet will follow the opera.

The Saturday matinee performance of "Tannhauser" will be sung by Leone Kruse, Augusta Lenska, Forrest Lamont, Richard Bonelli and Alexander Kipnis. Henry G. Weber will conduct. For the popular-priced performance of "Il Trovatore" on Saturday evening, a great cast, including Claudia Musio, Kathryn Meisle, Giovanni Polace and Virgilio Lazzari, is scheduled. The ballet will be seen. Henry G. Weber will conduct.

RECORDER'S OFFICE CLOSES BUSY YEAR

The county recorder's office at Waukegan has had another busy year, although the number of instruments filed were about 2,000 less than the year 1926.

Up to December 24, 1927, the number of instruments of all kinds filed for record being 18,394.

The total amount of loans being over \$27,000,000.00, being a little over last year.

PLAN NEW HIGHWAY ON GLENCOE ROAD

PETITION IS PRESENTED Village Board To Act Later And Through Route Is Being Backed by Many Glencoe Citizens

Citizens of Glencoe, through the board of local improvements last week took important preliminary steps to bring about at an early date the construction of the new through highway from the south limits of the Village to the county line.

The route proposed is along Glencoe road, west of the North Western tracks.

The matter was formally presented to the board by Building Commissioner William Edwards, in the form of a resolution to which were attached the names of about six hundred residents of Glencoe.

There was not a sufficient number of trustees present to constitute a quorum as a village board, by which the resolution will be taken up at its next meeting.

The resolution sets forth that it has been represented that the commissioners of Cook county will appropriate sufficient funds to construct 40 feet of the proposed 50 foot pavement through Glencoe and that it has been conclusively shown that such county aid road will not be tolerated through and along streets zoned for residential use only, in Glencoe, therefore the village board is petitioned to take steps to establish the location and improvement of such intermural road as above mentioned and to secure aid from the county in the construction of a portion of the pavement for the road.

\$781,461 Cost Estimate
The estimated cost of the project is \$781,461, including land, buildings damaged or destroyed, and payment.

Of this amount it is estimated county aid can be obtained to the amount of \$529,000, leaving the total of only \$252,461 as the village share.

In addition statistical information by Mr. Edwards, he makes a comparison of this amount with the estimated cost of the previous proposed route, north of Vernon avenue, and gives figures showing a tremendous saving to the property owners, in a total project, of approximately \$290,000.

Represents Big Saving
His statement further adds: "And when you stop to consider that the burden of providing the right-of-way is necessarily upon the village, you will see that the difference between \$119,961 and \$527,787, or \$407,826 is the saving in this item alone."

This comes about, it is said, as a result of being able to secure the route along the North Western right-

of-way at a less cost than the other proposed route, up through Vernon avenue, a highly developed business and residential street.

MEMORIAL CEMETERY FOR POOR CHILDREN

Rev. Leland H. Danforth, rector of the Church of the Holy Comforter, Kenilworth, announced to his congregation at the Christmas midnight services that he had been given 15,000 square feet in the Butterfield Park cemetery, west of Chicago, and that he received the deed for this property on Christmas eve. This deed is to be taken care of by Dr. Danforth or his successor.

The plot is to be known as the Eugene Field Memorial and is to be used as a resting place for children whose parents are unable to provide a suitable grave. It is open to the United Charities, Hull House, Chicago Commons, Catholic Shelter and the United Jewish Charities.

CORONER TAYLOR IS CANDIDATE ONCE MORE

Coroner John L. Taylor last week officially announced his candidacy for re-election to the office he now holds.

Dr. Taylor has held the office of coroner in Lake county for more than 20 years. He said that he will make a strong fight to retain his office. He is being opposed by Edward Conrad, of Waukegan, who announced his candidacy for the office some weeks ago. Dr. F. H. Martin, of Libertyville, is also considering casting his hat into the race, it is understood.

The psychologists say many people have mental defects, and one often thinks so after election day.
