

ENTERTAINS WINNERS IN LEGION CONTESTS

Commander of Eighth District Host to Leaders in Membership Gains

Edward J. McGeogh, the commander of the Eighth District of the American Legion, paid off a number of debts last week, incurred by reason of the large membership campaign that has been rolled up in Lake County for the American Legion for the year, 1928. Mr. and Mrs. William Woodward were entertained at dinner at the new Stevens Hotel by reason of winning the contest for the first Post in 1928 to reach 100 per cent of its 1927 membership.

Mr. and Mrs. R. C. Russell and Mr. and Mrs. Kenneth L. Muir of the George Alexander McKinlock Jr., Post, Lake Forest, Ill., Mr. and Mrs. George L. Hart of the Navy and Marine Post, Great Lakes, Ill., Mr. and Mrs. Wm. H. Woodward of the Sharvin Post, North Chicago, Ill., Mr. and Mrs. A. Maplethorpe and Mr. and Mrs. J. L. Horan of the Antioch Post, Mr. and Mrs. C. C. Hoskins of the Libertyville Post, Mr. and Mrs. C. E. Hahn and Mr. and Mrs. A. F. Meyer of the Deerfield Post, and Mr. and Mrs. Harry Francisco of the Arthur J. Daley Post, Wauconda, Ill., were entertained at the Cort Theater.

The members of the theatre party achieved their good fortune in defeating other posts of the county in the membership race which ended on Jan. 1, 1928, and which resulted County over all the other counties of the State of Illinois, and raising up a new total for surpassing any previous year total of Lake County on a similar date.

LAKE COUNTY TO SHARE IN GAS TAX DIVISION

Will Get Approximately \$49,590 for First Five Months of Its Operation

Lake county has approximately \$49,590 in gasoline tax refunds due from the state for the first five months the tax was in effect, August 1, 1927 to January 1, 1928, according to a computation just completed by a large news association. Figured on the same basis, the county's share of the tax receipts for a year's time would total approximately \$119,016.

Lake county remitted \$247,950, in automobile license fees during 1927, according to figures announced by the secretary of state and if the state supreme court holds the gasoline tax law valid the county will receive approximately one dollar of the tax money for every \$2 paid into the state treasury in license fees.

The gas tax act provides that counties shall be refunded fifty per cent of the tax on the basis of the auto license fees remitted.

During the five months the gas tax has been effective it has raised approximately \$6,000,000, according to Col. A. E. Ingelsh, state administrative auditor. Fifty per cent of six million dollars—the amount collected in the five months period—is \$3,000,000. Of this sum Cook county will receive 38.95 per cent, or \$1,155,620, leaving \$1,844,380 for distribution among the down state counties.

DEPRESS OR ELEVATE TRACKS IS QUESTION

Matter Discussed by North Shore Representatives at Meeting

Shall the railway tracks through Wilmette be depressed or elevated? When will the start be made on the job? Can Wilmette citizens assist in the logical solution of the grade separation problem?

These and similar questions were the burden of the discussion at the January meeting of the Wilmette Civic luncheons held recently at the University club of Chicago. Aside from the Wilmette members of the group, there were present as guests official representatives of most of the north shore communities from Evanston to Highland Park including mayors, trustees, attorneys, engineers or similar officials interested in the solution of the problem of grade separation as it affects the two railway companies and all citizens of all the towns.

President Henry F. Tenney of Wilmette, who is also chairman of the joint official committee of the north shore towns now studying the problem, was the principal speaker of the day. An animated discussion developed from numerous questions asked, and among other speakers Glencoe, Trustee Paul A. Hoffman of Wilmette and Judson F. Stone and Hayes McKinney of Wilmette.

Kitchen tables with cutlery drawer at \$2.98, porcelain top tables at \$5.48, window shades at 59c, bridge lamps at \$3.75, telephone stands at \$5.65, are items that the thrifty housewives are buying right now. Schwartz Furniture Co., 11-13 South Genesee street, just south of Washington, Waukegan, Ill.

NORTH SHORE GUILD CONSIDERS NEW PLAYS

Choice of One of Three to Be Made Shortly; Many Try Out for Parts

Three plays are being considered by the play reading committee of the North Shore Theater Guild, one of which will be chosen for the next offering of the Guild. The three plays under consideration are "Caesar's Wife," by Somerset Maugham; "The Metropolis Secret," by Karl Capek; and one called "Tons of Money." As soon as one is decided upon, plans will go forward toward selecting a cast and starting the machinery in motion for its presentation along the north shore, beginning March 6.

The privilege of acting in North Shore Theater Guild productions is highly valued by actors and actresses in north shore towns. This was proved when about one hundred amateurs appeared at the Guild try-outs Monday afternoon and evening, January 30, at the Winnetka Community House.

IDENTIFY CAR FOUND HALF-BURNED IN WOODS

The mystery surrounding the discovery of a burned Peerless sedan in a dense woods near Half Day was partially solved last week when it was reported that the machine had been the property of Robert Anderson, a storekeeper at Everett.

Anderson, it was learned, had driven to Chicago and parked the machine before the Uptown theater Sunday evening. He had reported it as being stolen from in front of this place. It was learned.

On Monday it had been found in the woods near Half Day by Deputy McLaughlin who reported the matter to Sheriff Lawrence Doolittle.

Taking numbers found on the dash and those on the motor the sheriff had made an effort through the company to locate the owner.

The license plate had been stripped from the car, McLaughlin reported means of quick identification.
