BUSINESS MEN HOLD IMPORTANT MEETING

Continued from page 1

too small for a building which in capacity and appearance would not meet the requirements of a city like Highland Park, so that a change of location seems advisable. "The happiest situation would be to have the city hall so located that it would be visible to most people entering the city and at the same time located within the central business zone, or, if the price of property so located prove prohibitive, adjacent to this zone.

"The committee believes that if the northeast corner of St. Johns avenue and Hazel avenue could be purchased at a reasonable figure, it would fill all these qualifications.

"This location adjoins the proposed site for a new library building and anticipating the location of a new post office on a triangular piece of property to be formed when the Sheridan road extension is completed, provides a site for a city hall which would become the nucleus for a splendid group of municipal buildings."

This report is signed by Lyle Gourley, E. F. Pratt and S. A. St. Peter.

Approved by Small Majority

A lengthy and sometimes quite warm discussion followed the reading of the report, some favoring its approval and some opposing. Among those who talked were E. M. Laing, F. Humer, S. A. St. Peter, E. F. Pratt, F. B. Williams, C. H. Witt, Lyle Gourley, L. R. Rigdon, Herman Denzel and others. Finally a vote on approval of the recommendations of the report was taken and carried favorably, by a majority of four, with about 20 members not voting either way.

Two New Members

Two new members were admitted at this session, William Krumbach, Sash doors and millwork, and E. M. Knox, local manager of the Illinois Bell Telephone Co.

J. W. Simons, chairman of the Community Chest committee, reported that his committee had been working on the project, but would require more time to complete a comprehensive report.

Other Business

L. R. Rigdon reported having attended a meeting of the Highland Park hospital board as a representative of the Chamber, as per an invitation received some time ago from the board. Mr. Rigdon also moved that a committee be appointed to review the by-laws of the Chamber, making such additions as may be necessary, and report same to the chamber, with a view to having it printed in booklet form, also including the list of members, so that every member might be supplied with a copy. The motion was carried.

It was also decided to have mimeograph copies made of the annual report of the Chamber for 1927 and a copy sent to each member, showing the financial condition of the organization.

Gentle Is as Gentle Does

PLAN MEETING TO DISCUSS BOND ISSUE

(Continued from page 1)

money is to be spent for, so that at the special election they may be able to vote either for or against the propositions with full understanding. Any information desired will be readily given at the city hall, it is announced.

\$150,000 Street Widening Bonds
These bonds to be issued for the purpose of paying the City's portion of special assessments which are either in court or are contemplated and will serve the same purpose as the \$100,000 corporate purpose bonds. The fact that these public benefits or special assessments are not yet on the books of the city makes it impossible to issue corporate purpose bonds, and while the proceeds from the sale of these bonds goes for practically the same purpose as the \$100,000 issue, the bonds are called street widening instead of corporate purpose bonds. They are however for the purpose of reducing from 6% to 4% or less the interest on an indebtedness which is now being contracted to do special assessment work.

\$85,000 Bridge Bonds
These bonds to be used for the purpose of building a new bridge on Dean avenue and a new foot bridge on Cary avenue. These bridges are both in a dangerous condition and unless they are rebuilt immediately they will be closed. This issue will also take care of repairs on practically every other bridge in Highland Park. Waverly Road bridge needs a new railing, deck repaired, concrete wing-walls repaired, sidewalks and arches repaired. Forest avenue bridge is in very bad condition, needs the deck repaired, new concrete rail, sidewalks repaired and wing-walls repaired. There is also more or less work that has to be done on the Beech street, Cedar avenue, Wade street, Judson avenue, Hazel avenue and St. Johns avenue bridges and by doing this work at the present time the bridges can be saved while if the repair work is put off it will mean additional cost or perhaps new bridges in several instances.

\$25,000 Municipal Yard Bonds
These bonds to be issued for the purchase of a site and buildings for a municipal yard. At the present time the city has no place to store any material nor has it sufficient space to house equipment, cars, etc., and a new municipal yard with garage and proper buildings will afford the city an opportunity to give the present equipment the proper care and will enable the city to buy materials in quantities that will warrant the best prices and afford an opportunity of operating the departments doing outside work more efficiently.

\$25,000 Fire Station Bonds
These bonds to be used for the purpose of purchasing a site and constructing a fire station to cover the southerly portion of Highland Park. It is reported that local insurance rates will be raised if this step is not taken in the very near future because the present department is unable to cover the large area to the south as efficiently as is required under the present insurance rating. It will therefore mean a saving in insurance rates to the citizens of Highland Park.

\$55,000 City Hall Bonds
These bonds to be used for the purpose of purchasing a site for a city hall and to pay a portion of the cost of constructing a new building with the view of selling the present site and building and purchase a new site which we feel can be done at a saving of at least \$50,000. The present City Hall is inadequate and something must be done immediately to provide space for the efficient administration of the city's business. A visit to the city hall will make clear the need of more room and better facilities.

\$100,000 Library Site Bonds
These bonds to be used for the purchase of a new site for the public library. The present library is entirely inadequate and according to the report of various architects it is impracticable to rebuild or add to the present building, that it would be cheaper to construct an entirely new building and it is desirable to purchase a new site for this purpose. It is also the idea at the present time to purchase a site which will be integral with the City Hall site. Citizens should visit the present library and see conditions for themselves.

MERRY MUSICAL COMEDY AT OLYMPIC THEATRE

The eighth week of "Just Fancy" finds Joseph Santley's merry musical comedy crowding the Olympic to capacity. Audiences are unanimous in their verdict that Chicago has not seen a more beautiful and charming production for many seasons. The cast includes such stars as Raymond Hitchcock, Ivy Sawyer, Joseph Santley, Mrs. Thomas Whiffen and H. Reeves-Smith.

DEERFIELD QUINTET DEFEATS HARRISON

Led by Jack Thomas, the Deerfield heavyweights chalked up their second win of the season by defeating Harrison 23 to 13. The Harrison lights, however, were victorious in their game, winning 27-22 in a fast and well-played game. New Trier again proved to be much for Deerfield last week. Their "heavies" won 31-14, and their "pointers" 21-18.

ANNOUNCING THE INSTALLATION OF A TRAVEL BUREAU A New Department

This bank has been duly appointed branch of the GUILD TRAVEL BUREAU, INC., of Chicago, and is now equipped to render you a complete travel service.

A private room in our bank has been set aside exclusively for this department where you may leisurely consult our travel representative without cost, on all matters pertaining to your vacation plans . . . domestic or foreign . . . independent or en tour.

Whether it be a mere question . . . a single ticket, or a de luxe cruise . . . Miss Virginia Nunez, representative in charge, will be glad to advise you in any capacity connected with travel, anytime, anywhere. Phone 1800 at Highland Park 1800 or come in at your convenience. Free literature furnished upon request, without obligation.

L. G. YOE, PIONEER RESIDENT, IS DEAD

Continued from page 1

of Mr. and Mrs. Robert Yoe Williams. One daughter, Mrs. Robert C. Williams, who was the wife of Col. R. C. Williams, is dead, as is also her husband, who was a colonel of a U. S. cavalry regiment.

Mr. Yoe had many warm friends in Highland Park, especially among the older residents, by whom he was held in highest regard, and among them there is sincere sorrow that his long and useful life has reached its close. His exemplary life, sincere faith and loyal friendship will long keep his memory green in the hearts of those close friends who knew him best and appreciated his many fine qualities. The relatives have the deep sympathy of the entire community at this time.

Funeral Held Wednesday
The funeral service was held at 2 o'clock Wednesday afternoon, at the family residence, 160 Hazel avenue. The Rev. Frank Fitt officiated, assisted by Dr. J. G. K. McClure, formerly head of McCormick Theological seminary, and a friend of the decedent for many years. The pall bearers were Charles Yoe Freeman, John Edgar Freeman, Halstead Gurnee Freeman, Robert B. Dickinson, George Allen Mason, John A. Putnam, Robert Yoe Williams. Interment was in Graceland cemetery, where a private service as the final rites were of private nature.

RAVINIA RESIDENTS ON NOTED COMMITTEES

Two Ravinia residents, Carl Haessler and Thomas A. Allison, members of the American committee on information about Russia will be among those prominent at the meeting in Ashland boulevard auditorium Friday night in Chicago when the report of the trade union delegations to Russia will be made by representatives of the committee who have investigated the conditions in that country. Mr. Haessler is to be one of the speakers, according to the notices of the meeting issued.

DEERFIELD C OF C TO MEET TOMORROW NIGHT

There will be a meeting of the Deerfield chamber of commerce Friday evening, Feb. 17, at eight o'clock in the Deerfield Masonic Temple. Dr. Metcalf will talk on his trip to Europe; D. E. Wells will speak on "Moving Telephone Poles Off Sidewalks" and Mr. George Briggs will tell "How to Write Up Alluring Ads."

K. OF P. GRAND LODGE CONVENTION HERE FEB. 22

The twenty-fourth annual Grand lodge District convention of the Knights of Pythias will be held at Witten hall, Wednesday evening, Feb. 22, at eight o'clock under the auspices of Lake Shore Lodge No. 558. Several grand lodge officers will be present and one of the main speakers of the evening will be Grand Chancellor Weeks.

A very interesting evening is looked forward to, therefore the members, Pythians, Sisters and friends are urged to attend.

Sounds Logical

Wet: I don't feel any rain.
Wetter: No wonder! You've got your hand turned wrong.

ATTENDANCE IS AIM OF PYTHIAN LODGE

Chancellor Commander Thomas Urges Members to Turn Out Regularly

Large attendance will be the major objective of Highland Park lodge, Knights of Pythias for the first six months of the new year, according to R. R. Thomas, chancellor commander, who was recently installed. In his short address before the lodge after being installed, he declared that all other lodge activities were dependent upon a high percentage of attendance. He said that the most important work of the various committees during the early months of the year would be to stimulate attendance at the weekly conventions.

A special committee has been appointed to work with the entertainment committee to provide programs of unusual interest which will be given at each meeting when the lodge is not engaged in conferring the ranks. The attendance committee is composed of H. J. Friebe, chairman and Wm. Stuppel, R. Hansen, and A. Bailey.

"The most active lodges are those which have the largest regular attendance," said Chancellor Commander R. R. Thomas. "Every other interest of the fraternity grows naturally when attendance is normal. I have read the Pythian publications of many lodges which devoted a few months to building up interest through attendance and note that in every case when the attendance reaches a maximum, initiations follow and the lodge becomes active in many community projects. We have had many drives in our lodge. We have sought membership and have conducted reinstatement campaigns with nominal results. I believe if we can obtain an average attendance of fifty per cent of our membership at each regular convention, we will enjoy a normal growth and at the same time reduce losses through non-payment of dues.

"I was much impressed by a recent statement made by Harry Wade, president of our insurance department, published in the Insurance Department News, when he said: 'Our subordinate lodges need attendance, and for that reason every member of the insurance department should regularly attend his lodge.' If the members of this branch of the order feel the need of increased attendance at lodge conventions, it is infinitely more important for all members to feel the responsibility of attendance.

"The power and influence of fraternity is increased by fellowship. Lodge attendance intensifies fellowship and when men meet regularly in our castle halls, they not only know each other better but are drawn together by a common interest and matters of the lodge and community are developed to a much greater degree by such association."

The committees in charge of this activity have under consideration a plan of providing trophies or awards to the members who have a hundred per cent in attendance to July 1. Chancellor Commander R. R. Thomas said that perfect attendance would begin with the officers of the lodge and that only sickness or absence from the city would be taken as a good excuse for the absence of any lodge officer.

Meetings are held every first and third Tuesday of each month in the Masonic hall.

INTERESTING SPEAKER AT RAVINIA GARDEN CLUB

Plans Also Made for Garden Show at Sherman Hotel, March 24-April 1

The Ravinia Garden club held a most instructive and interesting meeting on Friday, Feb. 10, at the home of Mrs. Edelbert Leonard of Carroll Court. Mrs. F. L. Gault assistant hostess.

A great deal of time was spent discussing and making plans for the Garden and Flower Show to be held March 24, to April 1, at the Sherman Hotel. Mrs. C. C. Brackett gave a fine paper on the process of building a hot bed or cold frame. She told the group when and how to plant seeds, to produce vigorous plants, ready for outdoor planting when the weather permits.

A shadow box was shown with exhibition of flower arrangements, flowers led by local florists.

An all day meeting will be held at the Hotel Sherman, Monday, Feb. 27, beginning at eleven o'clock, under the auspices of the Garden club of Illinois. Each member of the Ravinia Garden club is invited to come and bring a guest. There will be no charge.

Following is the program:
11: a. m.—Conservation of Wild Flowers, Mr. A. H. Conrad, illustrated.

1:00 p. m.—Round table talk, led by Mrs. Frederick Fisher.

1:30 p. m.—Original Composition in Music and Garden Verse. Reader, Christine Mogge.

2:30 p. m.—Mrs. V. K. Spicer.

Any person wishing to attend this may call Mrs. Eldon H. Gleason at H. P. 2797.

RECITAL GIVEN IN WITTEN HALL SUNDAY

The Sisters of Loretto presented the following first and second grade piano students in recital at Loretto convent, February 12, 8 p. m.

Billy Schmidley, Vincent Peddie, Harold Connolly, Ambrose Gibbons, Patricia Golden, Winnifred McGovern, Beatrice May, Marie Berube, Dorothy Larson, Dolores Dean, Josephine Dowdall, Rose Frost, Lorraine Huncke, Frederick Golden, Laura Mae McMahon, Everett Inman, Dolores Koch.

These were assisted by the following violin students: Alvin Larson, Alice Johnson, Joan Crist, Robert Clarkston.

At 8 o'clock Sunday, Feb. 19, at Witten hall, other students will be presented in recital for parents and friends. The students are: Madeline Thielan, Florence Skuldy, Janet McCaffrey, Florence Leuer, Hugo Winkler, Erna Gaede, Josephine MacAllister, Joan Crist, Mary Elizabeth O'Connell, Helen Leuer, Anna Mae Flannigan, Edna Bloch, Edward Carrell, Loretto Schwalbach, Mortimer Killison, Margaret Carlson, Margaret McNeill, Elizabeth Rafferty, Elma Galassini, Sigrid Holmberg.

The violin students are: Alvin Larson, Edwin Schwalbach, Robert Clarkston, Joan Crist, Alice Johnson, Loretto Rafferty, Milton Carrell, Ivan Gilkison.

"EXCESS BAGGAGE" TO COME TO CHICAGO

"Excess Baggage" will open at the Princess theater on February 26. This play has been one of the sensational successes of the current season on Broadway. The drama was written by John McGowan and is about stage folk.
