The mid-week service will be held during Lent this year as in former years, but it is hoped that our regular Sunday morning services may take the place of special Lenten services, and that the attendance and interest of our members and friends may be mutually helpful and inspiring. The pastor will preach a series of sermons appropriate to the thought of the season, and special music by members of the girls' choir and by others will contribute toward making our services helpful. Come and worship with us regularly on Sunday mornings.
