MOONEY FAMILY IN EARLY HISTORY HERE

SETTLE IN DEERFIELD

Emigrate from Ireland in 1844; Interesting Events in Their Early Life

In 1886 the Lake county biographical album said: "John Mooney, a farmer, brick manufacturer and dealer in shade trees is a pioneer settler in Deerfield township, now East Deerfield and resides on section 27, his postoffice being Highland Park. He was born in County Monaghan, Ireland, August 1, 1838, and is a son of James and Maria Mooney. His parents were also natives of the Emerald Isle and with their family they emigrated to America in 1844, arriving in the town of Deerfield, Lake county, in October of that year. His father pre-empted forty acres of land on section 27 of that town where he made his home until his death, which occurred in Nov. 1855. The mother survived her husband about nine years, and died in New Orleans in the spring of 1864, where she had gone to care for her son, an invalid soldier.

There were five sons and four daughters in the family. Thomas, the eldest was an engineer on a steamer in southern waters at the time of the breaking out of the Rebellion. He was forced into the Confederate Army, from which he made his escape after a service of two years, and enlisted in the Union Army. He died of cholera in Galveston, Texas, while on his way to get the body of his mother.

John was soldier of the Twentieth Illinois Infantry.

Bridget married Joseph Phillips of Chicago.

Ann is single, and resides in Chicago.

James was a soldier of the One hundred and thirteenth Illinois Infantry, and is married and resides in Missouri.

Ellen is single and resides in Chicago.

Sylvester was a soldier and wedded Mary Decker. His home is in Chicago.

Elizabeth is married and resides in Lincoln, Neb.

John Mooney, the subject of this sketch, was brought up on a farm and engaged in agricultural pursuits on reaching manhood.

Having three brothers in the army in the late war (Civil) it devolved on him to stay at home, attend to the business interests and care for his mother and sisters. However he was drafted, September 24, 1864, and while others were seeking some physical defect that might exempt them from service, he asked the examining surgeon to pass him without examination, as he knew he was perfectly sound. His request was not granted, of course, but he was passed, and went in as a noted case, where a drafted man was found who did not claim that anything was the matter with him. He was assigned to the One Hundred and Thirteenth New York Infantry under General Thomas, and later under General Sherman.

He was in the battle of Nashville and that of Kingston, and was mustered out in June, 1865.

On his return from the war Mr. Mooney married Miss Theresa McDonald, a daughter of Daniel McDonald. She was born in Deerfield township, where her family were among the early settlers.

Mr. and Mrs. Mooney became the parents of eight children, three sons and five daughters. Daniel, the eldest who was born in 1866, died in 1884; Thomas was born in 1868; Mary Rose Ann in 1870; Joseph Francis in 1872; Mary Elizabeth in 1876 died in 1882; Mary Ellen born in 1877; Margaret Frances born in 1879; Frances Lydia born in January 30, 1882, died the ninth of August following.

The mother of this family was called to her final rest in 1882, and Mr. Mooney was again married in 1884. Miss Margaret Peters becoming his wife. She was born in County Tipperary, Ireland, and is the daughter of Thomas Peters. By the second marriage there were two children, Jane and Alexander John.

Mr. Mooney has a well improved farm of two hundred acres in East Deerfield and resides on section 27, adjoining the west limits of Highland Park.

In 1886 he engaged in the manufacture of brick near his home and since carried on a business in that line in connection with farming. For the past twelve years he has been engaged extensively in setting out shade trees in Chicago and the northern suburban towns. By contract he supplied and set out shade trees near the lake in Lincoln Park, Chicago. For two years he was engaged in the grocery business on the West Side, and for one year in Highland Park in the same line.

MRS. OTTO JUHREND PASSES AWAY FEB. 15

Died at Waukegan Hospital following Few Months' Illness; Funeral Saturday

Many were the hearts that were saddened at the report of the death of Mrs. Minnie Juhrend whose maiden name was Wilhelmina Lena Carolina Krueger and who departed this life Wednesday Feb. 15, 4:00 p. m., at the Waukegan hospital.

Mrs. Juhrend was the daughter of Mr. and Mrs. Jacob Krueger and was born Sept. 24, 1883, at Highland Park, Illinois, where her childhood and years of youth were spent. She was baptized and confirmed in the Zion Lutheran church of Highland Park, of which she later became a member.

In the year 1904 she was married to Mr. Otto Juhrend. Four children were born to this union. Soon after their marriage they made their home in Deerfield, since then affiliating with the St. Paul's Evangelical church where her children were baptized and confirmed. For many years she has been a very active and loyal member of the St. Paul's Ladies Aid, and her death is a distinct loss to the society. However great the loss to friends and church most severe is the loss to the home and family where the departed had devoted her time and strength, physically and spiritually to the maintenance of her home and family. All too soon her earthly career came to a close. Since early in the fall of 1927 Mrs. Juhrend's health began to fail. December 9, she took to the bed of sickness from which she strongly hoped to arise before many days, but God willed otherwise. On Christmas day it was found necessary to remove her to the Highland Park hospital. Her condition being somewhat improved she returned home after five weeks only to grow worse and on February 15 she was taken to the Waukegan hospital where she died four hours later.

Mrs. Juhrend had reached the age of 44 years and leaves to mourn her death, four children, Emil, Isabel, Lester and Pearl, her mother, three sisters, six brothers and many other relatives and friends.

Funeral services were held Saturday afternoon from St. Paul's Evangelical church with the Rev. Piepenbrock officiating. Burial was in the Deerfield cemetery where the R. N. A. members took charge.

Mrs. Juhrend was a charter and a very faithful member of the Deerfield R. N. A., holding various offices and was especially active on membership.

LARGE ATTENDANCE AT PIANO RECITAL

Although it is reported that the radio has driven several piano manufacturers out of business, more pianos are being sold and used in Deerfield than ever before and more children are taking music lessons on various instruments than in the history of the village.

Piano recitals by pupils are also attracting unusually large audiences, and the one given by the piano pupils of Miss Frances Biederstadt last Monday evening so crowded the Presbyterian church that extra chairs were placed in the aisles and the ventilating system, none too good at its best, was insufficient to care for the extra humanity packed into the building.

However the performance of the pupils was not effected by the heat and they made a creditable showing of instruction.

The complete program is as follows:

GARDEN CLUB HAS INTERESTING MEETING

Mrs. E. R. Jordan Talks on "Conservation of Native Shrubs and Flowers."

The regular meeting of the Garden club was held at the home of Miss Sadie Galloway on Wednesday afternoon, February fifteenth.

During the business meeting, plans for the Flower Show to be held at the Hotel Sherman the last week in March were discussed at length. Also, Mr. Bates brought before the club his scheme of forming a junior Garden club in the grammar school. He was anxious to have the support of the club and the ladies were delighted with the idea of being able to help the plans to materialize. The president, Mrs. Gray, appointed a committee to work with Mr. Bates consisting of Mrs. R. B. Patterson, Miss Sadie Galloway and Mrs. Irving Brand. An announcement also was made of the all day meeting to be held at the Hotel Sherman under the auspices of the Garden club of Illinois on Monday, February twenty-seventh. Each member is urged to attend and may take one guest.

The meeting was then turned over to the speaker of the afternoon, Mrs. E. B. Jordan, whose subject was "Conservation of Native Shrubs and Flowers." It was most adequately treated. In general, Mrs. Jordan told of the trend of conservation work in the United States, Illinois, Cook and Lake county. Having brought the subject right close to home, the speaker then told about the two ways of conserving shrubs and flowers, namely in their natural habitat and by moving them into our own yards. Pictures of a number of wild flowers which should not be picked were shown among which were trillium and wild columbine.

In regard to planting wild flowers in our yards, they may be either purchased or transplanted from subdivisions with the permission of the owner. As to shrubs, however, many of them may be grown from cuttings. The demonstration of how shrubs could be successfully grown from wild flowers like sun and which ones cuttings was most interesting and instructive. The question of which insisted on shade was very complete. The subject was made doubly interesting by the fact that a great deal of information had been acquired not only from books, but also from personal observations made by a true nature lover, who has spent many happy hours in the woods.

The meeting was adjourned for a social hour with tea.

SCOUT DEMONSTRATIONS TOMORROW EVENING

To Be Held in Presbyterian Church; Was Organized Last April; Leaders

Troop 52 Boy Scouts of Deerfield, also known as the Presbyterian Church Troop, is giving a Demonstration in the Presbyterian church this Friday evening at 7:45 to which the public is cordially invited. The program appeared in these columns last week. Refreshments will be served after the meeting.

Troop 52 was organized the first of last April under the direction of Scout Executive Walter McPeck of the North Shore Area Council. Seven boys constituted the nucleus about which the new Troop was formed. Edmund Koebelin, Edocley Todd, Louis Stryker, Harold Huhn, Robt. Golby, Joseph Andrews, Mark Andrews. The Rev. M. J. Andrews became Scout Master with the following men serving as the Troop Committee: Clarence Huhn, Woodman Todd, J. B. Peters, John Huhn and George Stanger. Mr. J. G. Russell was appointed Assistant Scoutmaster and served until last fall when his removal to Chicago compelled him to relinquish his duties. Mr. John Huhn was then appointed to serve as Assistant Scoutmaster.

The characteristic feature of the new Troop was the adoption of the Standard Troop Program outlined by a Committee on Scouting representing Protestant churches and of which Dr. Shailer Matthews of Chicago University is the Chairman.

This new program is still in the nature of an experiment and but a limited number of Troops have been registered as such throughout our country. It has worked out very successfully in Troop 52 and has given opportunity for the Scouts to win special credit for specific service in the Churches or Church-schools with which they are affiliated. It is an attempt to link up Scouting with the Church in a specific manner.

Besides the seven names listed above, the following boys are members of the Troop: Robert Bruner, Frank May, John Dargan, Billy Sanders, Robert Vantreuen, Ralph Olson, Edward Cazel, Maurice Cazel, Kenneth Vetter, Russel Foxworthy,

Milton Merner, Robert Freeman. Several candidates have applied for admission and will be enrolled as soon as they pass the Tenderfoot requirements.

ST. PAUL'S WINS THREE GAMES IN PAST WEEK

The first game, Feb. 14, with Morton Grove had a very slow start. Somehow the St. Paul boys had lost their stride and it seemed as if Morton Grove to whom St. Paul's administered a crushing defeat in their first game, would wear the laurels. At the end of the first half the score stood 14 to 13 in favor of St. Paul's. In the second half the St. Paul's boys staged a rally bringing the final score to 34-23.

In the second game Thursday, Feb. 16, the St. Paul's gave Northbrook a neat trimming. Northbrook never once got near their enemies' goal. The four baskets that were made by Northbrook were shot from mid-field. A Johnson, Laegeler and Bleimehl shared equal honors in running up 39 points against Northbrook's 12.

Tuesday, Feb. 21, St. Paul played the St. Peter five in the second game of the series. St. Paul set out to take revenge for the previous defeat. At the start both teams played on the defensive and very few points were garnered, but ere the first half closed St. Paul's had gotten away to a good start. The score at the end of the first half stood 13-6. The St. Paul basket was never threatened. Peterson with the reach and stride of a giant got in the way of the threatening throws from the air. The final score was 31 to 13.

Referee for the three games: Carl Bates, Deerfield. Time-and-score-keeper: Jack Frost, Deerfield.

FATHERS AND SONS BANQUET POSTPONED

Because of the great number of school activities coming so close together, the Fathers and Sons banquet at Deerfield-Shields high school has been postponed indefinitely.

The date of the banquet had originally been set for February 22, but this being Ash Wednesday, it was necessary to change the date. It was then decided that the banquet would be held on Tuesday, February 21; but a basketball game with Evanston made it impossible to hold it on that night. It was then decided by a vote of the committee, consisting of Wallace Reichelt, Carl Becker, Lawton Crosby, Lyman McBride, and William Dickinson, that it would be best to postpone the banquet until a time more suitable.

TEACHERS MEETING, WAUKEGAN APRIL 16

Several speakers have already been engaged for the Illinois State Teachers' association meeting which is to meet on Monday, April 16, at Waukegan.

Last year, the meeting was held at Evanston high school on Monday, April 25, at which 2,500 teachers gathered from Cook, Lane, and Lake counties.

FLAG CONTEST PRIZE WON BY LOCAL GIRL

Ellen Truax, a junior at high school won ten dollars in the flag contest sponsored by the Chicago Tribune. The contest has been going for about four months. Every week a page of jumbled flag pictures appeared, and the contestants were required to arrange them in proper order and name the country which they represented.
