DEERFIELD P. T. A. HAS INTERESTING MEETING

HELD FRIDAY IN EVENING

Explain Supervised Study; Miss Wilson, Dean of D. S. High School Speaks on "Career Books"

Owing to the inability of the president Mrs. R. A. Nelson, to be present, a death in the family of the vice president, Mrs. Cazel, and the illness of the secretary, Mrs. Irving Brand, two other members were elected as temporary officers at the March meeting of the Deerfield-Parent Teacher association held in the Bungalow church Friday evening.

Mrs. J. A. Reichelt, Jr., served as the chairman and Mrs. Leslie Brand as secretary. The latter gave a very accurate detailed report, prepared by the delegate, Mrs. Irving Brand, of the meeting of District nineteen of the Illinois Council of Parent-Teacher associations held in Waukegan.

Miss Wilson, Dean of girls of the Deerfield-Shields high school gave a very illuminating talk on "What the high school expects of students entering."

The cards sent to principals of grade schools, and to the parents of prospective freshmen on which special pointers are given the teachers of handicaps, or of special talents of the children were explained and the reasons given were to give special attention to these students in order to develop them.

Miss Wilson told of the career books made by the pupils under the vocational guidance teachers in order to make the children "career conscious" as Mr. Burwell calls it.

Supervised study was explained, and the parents were warned that if a child selects a commercial course and pursues it for four years he is entitled to graduate but has not selected the subjects which will entitle him to enter college should he so decide after commencement.

The high school offers six different courses all of which prepare the student for special occupations.

The nominating committee selected to secure officers names to be voted upon at the annual meeting is as follows: Mesdames William Galloway, A. R. Warner, and C. Wanner Getty.

PLAN FOR EXTENSIVE MEMBERSHIP DRIVE

On Monday afternoon, March 12, a meeting of the Deerfield American Legion auxiliary was held at the home of Mrs. Mary Huhn with her daughter, Miss Louise Huhn, assisting.

During the business meeting plans for an extensive membership campaign were outlined, also arrangements discussed to send one girl to camp this summer from the soldiers orphans home at Normal, and to send money for entertainment at Easter time. The meeting adjourned for a social hour with refreshments.

The next meeting will be held in the evening at the home of Mrs. Austin Plagge, April 9.

R. N. A. CELEBRATES 17th ANNIVERSARY MAR. 8th

Outstanding in social events for the Deerfield R. N. A. was the seventeenth anniversary celebration of the local camp held Thursday evening, March 8 in the Masonic temple. Guests from neighboring camps, Libertyville, Highland Park, and North Chicago enjoyed the festivities. The one-act comedy "The Little Girl Upstairs" proved very entertaining and characters were well portrayed.

Refreshments concluded an evening long to be remembered by all who attended.

WOMEN URGED TO JOIN AUXILIARY

An open letter to the women of Deerfield:

Ten years ago, 1918, how proud every one was of the service men: How eager to aid in every possible way; and now—1928—are we just as proud of our ex-service men and just as eager to aid? How much larger is the field for service now—how many and varied are the tasks waiting for willing hands and grateful hearts.

One of the aims of the American Legion auxiliary (as well as the Legion itself) is to help those who gave their best back in 1918. Until one sees for oneself, it is impossible to realize just how heavy the load is for those men (and their families), who were not fortunate enough to return sound in body and mind. We feel it is a privilege, as well as a duty, to be able to brighten their lives in any way. Therefore we feel it is a privilege to be a member of the American Legion auxiliary, and we feel that every woman who is eligible to membership in this splendid organization, through having a brother, father, husband or son who is a legionnaire or who died in or after war service should avail herself of the honor and privilege of membership.

The American Legion auxiliary Unit No. 728 hereby extends to all women eligible a very cordial invitation to join its ranks. The membership chairman, Mrs. Ed Jacobson, telephone 227-J, will be glad to hear from those interested. Are you one?

REPORTS MONTH'S WORK OF CHICAGO RED CROSS

Mrs. Hazel M. Plagge who conducted the successful roll call for the Red Cross in Deerfield last fall today made a report showing that Chicago chapter has secured \$2,855.74 governmental payments to disabled war veterans or their families in the past month.

This money was paid the veterans as a result of the efforts of the workers in the chapter. In all of these claims for disability compensation if necessary for the Red Cross to produce affidavits proving that the injury or disease is connected with the claimants war-time service. After such proof is reviewed by the U. S. Veterans' Bureau the claimant receives his check from the government. The payments were made on claims of the following classifications:

Table with 2 columns: Classification and Amount. Includes Disability compensation (\$15,557.32), Dependency allowance (2,051.12), Adjusted compensation (2,377.65), Insurance payments (2,377.15), Burial (300.00), State rooms (162.50).

One of the families whose claim was worked out by the Red Cross received \$1800 in a lump sum and the mother of this disabled man will continue to receive \$80 per month during the period in which her son is incapacitated.

In another case a mother of a deceased soldier received \$1,200 in one payment and will continue to receive \$20 per month as long as her dependency continues.

Still another veteran received \$1,000 and others secured smaller amounts.

The outstanding case of the month brought to an estate \$8,995.53 which is the settlement of a claim of a deceased soldier. In seeking the heirs the Chicago chapter advertised in foreign speaking newspapers in Chicago and New York and the nearly \$9,000 is to be divided equally between six will be greatly benefited by this money.

In making this report Mrs. Hazel M. Plagge calls attention of loyal supporters of the Red Cross to the accomplishment of an organization whose work is made possible by the annual memberships. This community gave liberally to the support of the work last fall and the results of the war service are something in which our citizens had a large part.

Reports of the chapter work will be given from time to time.

"My son changed his name to Minute when he entered college." "What for?" "Minute always pass."

DEERFIELD LIBRARY HAS MANY REQUESTS

Plan to Lengthen Hours for Benefit of Out-of-Town Folks

"In December the circulation for our Library was:

"199 adult books — 284 juvenile books—total 503 books. In January it was 320 adult books — 343 juvenile books — total 663 books. In February it was 416 adult books — 502 juvenile books — total 918 books.

"Inasmuch as our library is only open eight hours a week, comparing with population and number of hours open, we believe we are doing more business than any other library in this section, Chicago included.

"We have had so many calls from people outside of Deerfield, such as farmers, and suburbanites of Deerfield, asking if they have the free use of the Library (and we were glad to advise them yes) that we feel we are going to have to enlarge the activities of the Library by keeping open more hours and adding more books.

"At a meeting of the Board of Directors Wednesday evening, March 7, it was decided to put before the voters of the West Deerfield Township, the proposition of making our Library, instead of a Village Library and asking the voters at the next election, April 3, to vote on the proposition of adding the tax for the support of this new West Deerfield Township Library. The tax will be nine tenths of one mill. In other words, if your taxes this year amount to \$25.00, and this proposition carries, next year your tax will be \$25.23 (23c additional). If your taxes this year are \$50, next year they would be \$50.45.

"Have you noticed Highland Park is going to vote a \$100,000 bond issue to erect a new library building? Show your loyalty to West Deerfield Township by voting 100% to put our Library on a self sustaining basis.

"Quoting from one of his last books Theodore Roosevelt says, "After the church and the schools, the free public library is the most effective influence for good in any town!"

Deerfield Public Library Association Reference books are the clearing houses of knowledge. They are libraries.
