FEATURE FLASHY CARD**

Several Wisconsin Stars to Participate; Bobby Juhrend Also Scheduled

The Majestic A. C. has arranged a splendid card of eight real fights, any one of which could be used to headline the show. Bat Nelson has been matched with Sailor Coke to feature the show and the ability of both fighters is well known.

Dan Reyes the fighting Filipino has been rematched with Angelo Anzelone of Racine. Anzelone won a close fight from Dan in Kenosha last week and this fight promises to tie the windup for honors of the evening.

Bellei of Highwood meets Wirko of Sheridan the boy who won from Pasquesi at our last show.

Miller of Kenosha, and Stacey of Racine are two clever welters who can battle. Bobby Juhrend meets young Crady of Highwood and Juhrend will have to use all his skill to keep this windmill away from him.

Gino Palmeri meets Marco Stella of Kenosha at 155 pounds.

Soldier Pushins is to trade skill and wallops with Garlow of Racine. Fritz Behrens and Raymey of Sheridan will make up another bout. Behrens showed he can battle and Raymey can too, the finals in the army championships last month.

Midget O'Dowd meets Eddie Peddie in the curtain raiser and both boys are primed for the opening gong. O'Dowd packs a mean punch in each hand and Peddie is a fast stepping boy with no slight punch.

The Majestic promoters have promised to put on a show to make up for the last one, and this card will more than make up for what the last show lacked. A substitute bout has also been arranged between Samson and Turner. These boys fought a four round battle at Deerfield last week and neither one could best the other although Turner was awarded the decision after being floored four times in the second round by Samson.

Tickets are on sale at the Majestic Bowling alleys and at the Highland Park Electric, Phone 313, and also at Dini's Sweet Shop in Hubbard Woods.

**WHAT A LIBRARY  
DOES FOR A TOWN**

1. Completes its educational equipment, carrying on and giving permanent value to the work of the schools.

2. Gives the children of all classes a chance to know and love the best in literature. Without a public library such a chance is limited to the very few.

3. Minimizes the sale and reading of vicious literature in the community, thus promoting mental and moral health.

4. Effects a saving in money to every reader in the community. Through the library every reader in the town can secure at a given cost from 100 to 1000 times the material for reading or study that he could secure by acting individually.

5. Adds to the material value of property. Real estate agents in the suburbs of large cities never fail to advertise the presence of a library, if there be one, as giving added value to the lots or houses they have for sale.

6. Appealing to all classes, sects and degrees of intelligence, it is a strong unifying factor in the life of a town.—Highland Park Public Library.

**"EXCESS BAGGAGE" IS  
SUCCESS OF SEASON**

Now in Fifth Week at Garrick Theater, Chicago; Draws Large Crowds

At the Garrick Theatre "Excess Baggage" is in its fifth week and it is now established as the outstanding success of the Spring season. John McGowan has provided a veritable three ring circus in his comedy of these vaudeville folk, making it an ideal entertainment for children young and old. Just check up the elements that make "Excess Baggage" so entertaining. There is the clown who walks the tight rope, juggles and does the slide for life; there is the song plugger who sings "Among My Souvenirs" as it has seldom ever been sung, there is the vaudeville three act with its nifties, songs and dancing, there is the quartette and the jazz band and back of all this is a story as funny as any that has been spun in many a long day. Yes it doesn't take much to account for the success of "Excess Baggage."

**FATHER OF LOCAL WOMAN  
DIES IN LAKE FOREST**

Friends here have received news of the death at Lake Forest of John Henry Freie, aged 74 years and nine months, and a resident of that city for 42 years, and who previously lived near Everett. He passed away early Monday morning at his home, following prolonged illness. He is survived by his widow and two daughters, Mrs. Ada Jones of Highland Park and Miss Mabel Freie of Lake Forest and four grandchildren and five great-grand children. The funeral was held at the Methodist church in Lake Forest, and burial was in the Lake Forest cemetery.

Many people complain that no one pays any attention to them in their home towns, but at least the tax collector will notice them.

**IN MEMORIAM**  
Mr. Henry J. Thayer  
I cannot say, and I will not say  
That he is dead—He is just away.  
With a cheery smile and a wave of  
the hand,  
He has wandered into an unknown  
land,  
And left us dreaming how very fair  
It needs must be, since he lingers  
there.  
  
And you, oh you, who the wildest  
yearn  
For the old-time step and the glad  
return,

Think of him faring on, as dear  
In the love of there as the love of  
here.  
Think of him still as the same, I  
say:  
He is not dead—He is just away.  
—James Whitcomb Riley.  
Mrs. H. J. Thayer and family wish  
to thank all of their Highland Park  
friends for their kind expressions of  
sympathy.
