It pays to go to the Buick Dealer
Two used cars may look much the same from the outside. Mileage, model, tires and general appearance may be all about alike.
Yet there may be a great deal of difference nevertheless—a difference in mechanical condition which will soon show up in actual driving.
You have only the word of the dealer to go by.
That's why it pays to go to the Buick dealer. You can rely on what he says. And you may be sure his price is fair.
