The Bethany Evangelical church, South Second Street, will have a unique service next Sunday evening, April 22. Beginning at 7:45 p. m., the orchestra of the Deerfield Bungalow church will give a sacred concert. They have been playing together for several years and have some very good talent that will be well worth hearing in their thoughtfully arranged program.

A radio receiving set will be installed in the church and at 9 o'clock it will be tuned in to hear a program from the Illinois conference of the Evangelical church, now in session at Aurora, Ill., broadcast from the Mooseheart radio station, WJJD. During the hour Presiding Bishop J. S. Stamm, D. D., will read the appointments of the ministers to the various churches for the next year and a program of music will be given by the conference quartette and the Aurora church choir.

Ordinarily people have sat at home and listened to church services over the radio, but this is probably the first time the residents of Highland Park have been invited to go to church where they could hear a service broadcast from a distant church.
