### DEERFIELD LEADS IN MEET ON POINTS

But Because of Handicaps Is Given Second Place at County Contest

Deerfield	55	2-3
Waukegan	47	
Libertyville	29	1-3
Antioch	19	
Waukegan	11	3-4
Gurnee	6	

Because of a handicap system worked out by the five coaches, Libertyville with only 29 1-3 points was able to win the Lake County track and field meet held at Waukegan last week. Deerfield with a gross score of 55 2-3 points finished second, while Waukegan placed third.

#### Explain Handicap System

This new handicap system worked out by the coaches from the five teams, Deerfield, Waukegan, Libertyville, Antioch, and Gurnee, was arranged with the purpose of giving the smaller schools a more even chance with the two larger schools, Waukegan and Deerfield. Libertyville, Gurnee, and Antioch were entered at scratch while Deerfield was placed at 3-1 and Waukegan at 4-1. That is to say, Waukegan would have to win four times as many points as any of the other teams in order to cop the meet, while Deerfield must collect three times as many points. That explains how Deerfield, the actual winner of the meet was forced to finish second.

The high scorer of the meet was Gordon of Waukegan, who scored thirteen points. Spellman of Waukegan was second in the individual scoring with eleven points, while our own "Dud" Onderdonk placed third with ten and two-thirds points.

#### Deerfield Scores Seven Firsts

In seven of the fifteen events, a blue and white track man was the first to break the tape. "Dud" Onderdonk led in the number of firsts scored, when he avenged his former defeat in the high hurdles administered to him by Gordon in the Waukegan-Deerfield dual meet a few weeks ago and cleared the bar at eleven feet three inches in the pole vault. "Dud's" performance in the pole vault was the real sensation of the meet. R. Hammond, Zanier, Westling, Colclasure, and Sloan were the other boys who finished out in front of their opponents. In fact, a Deerfield runner finished first in everything from the 440 up.

The civic committee has planted fifty shrubs on Journal Place park. "O, that some one would give us a larger park!"

Paul E. Bertram, deputy state fire marshal, and L. B. Eylar, representing the National Board of Fire Underwriters, were in Highland Park Tuesday for the purpose of organizing an "arson squad" here, as is being done in many other larger cities of the state. They announced the appointment of Fire Chief E. C. Hoskin, Chief of Police Edward Moroney and Robert Greenslade as members of the local squad to confer with the state fire marshal's representatives on fires of questionable character here. Credentials will be sent these men from the state fire marshal's office at Springfield.

### WAUKEGAN SUN OPENS PLANT TO INSPECTION

Thousands Visit New Home of That Newspaper Saturday; Governor Attends

The Waukegan Daily Sun last Saturday threw its doors open to the public, so that as many as chose could view the new home of the institution and get a fundamental conception of how a newspaper "gets to the street." The staff and its publishers, W. J. and F. G. Smith, received the throngs from 3 o'clock in the afternoon until 10 o'clock.

During that time hundreds poured through the structure. Unfortunately no accurate count could be kept but fully 6,000 must have visited as 1,500 roses were given to the women received and this supply was exhausted early in the evening and it was impossible to get more in the city. 2000 souvenir pencils were given out to the men, according to the Sun.

Gov. Len Small, who came from Kankakee with his son, Leslie, Mrs. Leslie Small, and his personal attorney, Werner Schroeder, and wife, were among the afternoon visitors.
