

HIGH SCHOOL GETS SIX NEW TEACHERS

THREE ADDED; THREE GO

Growth of School Makes Necessary Additions; Mr. Taylor Misses Crosby and Olsen Go Elsewhere

Deerfield-Shields high school faculty will be increased by the addition of three new teachers for the next school year, and three other new teachers will take the places of three who are leaving. Mr. Taylor, Mrs. Crosby and Miss Olsen. Increase in the faculty is made because of the steady growth of the school, Principal Sandwick announces.

The two new mathematics teachers, one taking the place of Mr. Taylor, the other an addition to the department, are Stanley Nelson, present head of mathematics departments of the Stoughton high school, Stoughton, Wis., and H. E. Meyers, mathematics instructor and coach at Mendota high school, Mendota, Wis. Mr. Nelson is a graduate of the University of Wisconsin, while Mr. Meyers comes from the North Central college and the University of Michigan.

Mr. Taylor, who leaves Deerfield-Shields after seventeen years of teaching, will be missed by the school. Well liked and respected by students, he has always been one of those "to be seen" by the visiting grads. He has always had the entire confidence of the principal and board of education. His work has been eminently satisfactory to them and they regret very much that he is leaving.

Principal Sandwick has relied on him for a number of years as chairman of the athletic committee and a person of integrity to supervise the handling of funds of the Boys' Athletic association and the selling of tickets.

Mr. Taylor has been head of the mathematics department since the organization of the work on a departmental basis. He is succeeded in this capacity by Miss MacMartin.

Mr. Crosby Leaves
The teacher taking Mr. Crosby's place in the commercial department is E. P. Barnes, head of the commercial department of the Monticello, Ill., high school.

Mr. Crosby leaves to become head of the department of commerce of the North Dakota State Normal school at Valley City, N. D., a teacher's training school with an enrollment between five and six hundred. He will teach accounting and commercial law.

Mr. Crosby has taught four and one-half years at Deerfield, during which time he has secured his master's degree at Northwestern university. His experience also includes two years teaching in our night school, two years teaching financial organization of business at the De Paul university night school, Chicago, and one summer teaching accounting at the State Normal university, Normal, Ill.

Ora Phelps, who takes Miss Olsen's place, is studying at the Chicago Art Institute on a year's leave of absence from the West Alice high school, at West Alice, Wis.

Miss Olsen spent last summer out west and expects to go again this summer. If plans materialize, she will remain to teach through the winter months.

New English Teacher
Ruth Porter Martin, a new teacher being added to the English department, has just received her master's degree at the University of Chicago. Last year she taught in the Junior college of the Bradford academy, Bradford, Massachusetts. Prior to that she was head of the English department of the Highland Park (Michigan) high school. Mrs. Martin's husband is a teacher of journalism at Northwestern university.
Dorothy Teare, public librarian of Saginaw, Michigan, is the librarian taking the place of Mrs. Van Ingen who could only be secured part time for this semester. As the public library in Saginaw is also the school library, Miss Teare is well qualified for working with students.
In order to secure the very best teachers, Mr. Sandwick not only wrote to the agencies, but asked for recommendations from the leading colleges of the country.

TRACK TEAM BRINGS HOME 2 MORE SHIELDS

Two more shields have been added to the collection of trophies that have been won by the various Deerfield-Shields athletic teams. These two trophies were won by the two-mile relay team at the Madison relay meet.

One of the trophies is a traveling shield, the winner of the two mile relay each year keeping the shield for that year. The first time this shield was awarded to the winner of this event was in 1924, when the team from Cedar Rapids was the winner. Galenburg won in 1925-26, Milwaukee East in 1927, the Deerfield-Shields in 1928. Next year will be the last year the trophy will be awarded and the team that has made the best time during the last six years will be awarded the shield for all time. The other trophy won by the team, composed of Dick and Bill Hammond, Frank Zanier, and Ken Wessling, is a permanent shield.

STUDENT STUNTS AT H. S. WELL RECEIVED

Second Annual Affair of Kind Is Splendid Success Last Friday Night

The annual Student Stunts program at the Deerfield-Shields high school last Friday evening attracted a capacity house, and the net proceeds will afford a neat sum for the purposes intended. The numerous skits and individual performances were all pleasing and clever, and the students participating merit full credit for the very entertaining program furnished.

This is the second annual event of this kind, and those attending report that this year's program was better in many ways than the initial one. It was varied and interesting with plenty of amusing features and showing much care and effort in preparation.

Two shot plays, a musical comedy, tumblers, fencing, musical numbers, dancing features and other acts all were excellent and received merited applause from the widespread and enthusiastic audience, and the program as a whole won widespread applause.

DEERFIELD GRADUATES HONORED AT ILLINOIS

The Honor Day committee of the University of Illinois has just announced that three former Deerfield students have greatly distinguished themselves in scholarship at the university. These students are Pierre Bezy '23, John Gifford '24, and Celso Gentilini '26.

These boys placed in the upper ten per cent of their classes for the past two semesters and, as is the custom at Urbana, will be honored by the faculty and student body on May 18 in the Honor day ceremonies. There will be exercises at the University auditorium and other celebrations for these honor scholars.

SENIOR EXAMINATIONS HELD MAY 31, JUNE 1ST

Senior examinations at Deerfield-Shields high school will be given on Thursday and Friday, May 31 and June 1, in 214 and 216 east building. On those two days the study halls and the civics classes which meet in those rooms will meet in the lunch room.

Seniors need not report to school on those days except when they have examinations. They may use the study hall for study, but they will not be allowed to loiter in the corridors.

APPOINTS WOMEN TO AID SCHOOL BOARD

George J. McBride, president of the high school board of education, has appointed three members of the P. T. A. to meet with the board from time to time and discuss various problems.

The women appointed are Mrs. Raymond Flinn and Mrs. Robert Seyfarth of Highland Park, and Mrs. William Gourley of Lake Forest.

They were present at the last meeting and discussed the question of ordering gymnasium clothing from a local dealer, as opposed to selling them in the school. It was decided that they would be bought from local firms in the future.

HIGH SCHOOL PLAY WINS IN CONTEST

Act two of the Deerfield-Shields high school senior play, "To the Ladies," won second place Saturday night in the high school one-act play contest held at Hull house Friday and Saturday. The Deerfield entry also was named as the best play having the second best diction.

Senn high school, with an act from "Captain Applejack," won the contest, for which it received a large silver cup.

Three of the eight participating Deerfield students placed in the scholarship examination given at the University of Chicago on Saturday, May 12.

Hilliker Burchard won a half scholarship of \$150 in physics, while Genevieve Wolf and Robert Umbach received honorable mentions, Genevieve in French, and Robert in Spanish.

BOB STUPPLE PLAYS IN BRITISH OPEN

Bob Stupple, a graduate of Deerfield-Shields, Class of '24, with seven other American pros, qualified for the British open golf championship at Sandwich, Kent, England, May 7 to 11.

Some of the noted golf professionals who were playing in the championship with Bob were Walter Hagen, Tommy Armour, Gene Sarazen, Jose Jurads (an Argentinian), Jim Barnes, and Bill Melhorn.

However, on Thursday, Bob was eliminated from the match because he made a score of 85, after having made good scores in the first two days. Tommy Armour, the American open champion was also eliminated.

After playing in the championship Bob intends to make an extensive tour of Europe, visiting the principal golf courses.

BALLET UNIQUE OF 1928 TO BE GIVEN JUNE 3

Gladys High School to Give Program at 8th St. Theater, Chicago

The Gladys High School of Dancing is presenting "Ballet Unique of 1928" at the Eighth Street theater, June 3rd, Sunday afternoon. This is the tenth edition of this ballet.

There will be 150 adult pupils appearing in the "Love Goddess" a Japanese ballet written by Miss Hight.

A baby ballet with more than a hundred children will appear in the "Story Book Ball."

Many children from Highland Park, Lake Forest, Glencoe and Evanston are to be in the performance.

Helen Joan and Mary Elizabeth Murphy of 975 Eastwood avenue, Glencoe, and Mignon Gaskill, Evanston, Dolly Bell of Wilmette, are among the long list of North Shore children who will be seen.

Gladys Hight will sail for Japan and China, where she will spend the summer studying and collecting inspiration for her coming season. She will stop in Honolulu and Manila.

One of our British visitors, who says that there are apparently no indolent people in the United States, evidently did not happen to see a sidewalk committee watching a steam shovel.—Boston Transcript.

IREDALE FIREPROOF WAREHOUSES

Foremost along the North Shore

COMPLETE SERVICE

STORAGE

Unsurpassed facilities for safe storage of personal effects and household goods are maintained in our building on Central Avenue.

PACKING

Confidence is inspired by the careful way in which we pack valuables and household goods. By the Iredale method possibility of damage is reduced to a minimum.

MOVING

Equipment of the newest and most up-to-date type enables Iredale to remove your goods from place-to-place, in perfect safety. Rates, however, are not any higher than customary. Uniformed workmen, too.

FUR—and GARMENT STORAGE

In our moth proof vault we fumigate and store furs, fur coats, clothing, rugs, draperies, etc., by a process approved by the U. S. Government. Cold storage only keeps moths inactive. We have the only positive way to kill all moth life. Our process will not injure the most delicate fabric.

DEERFIELD SHIELDS IN NEW SUBURBAN LEAGUE

Recently Formed and Includes Six Large Schools; Details of Organization

Principals from some of the suburban schools at a recent meeting, organized a new league to be known as the Suburban League, composed of six schools; three schools from the west, Proviso, Oak Park and Morton; and three schools from the north section, Evanston, New Trier and Deerfield.

It was the principals' idea to have a controlling body, which would govern the activities of the newly formed league. This body is composed of one representative from each of the schools. The representative could neither be the principal or the coach, or anyone connected with the coaching staff of the school. The six men who are members of the body are: Mr. O'Brien, Oak Park; Mr. Carr, Proviso; Mr. MacConnell, Evanston; Mr. Wiebe, Morton; Mr. Kahler, New Trier; and Mr. Pertz, Deerfield. At the first meeting of the representatives, Mr. Kahler was elected chairman and Mr. O'Brien, secretary treasurer.

The Suburban league will take effect December 1, 1928, but all previously arranged games will be played as scheduled. Each team is required to engage each of the other schools in football, baseball, light and heavy weight basketball, junior and senior swimming, and in at least one league track meet.

There's one thing to be said for bobbed hair. The presence of woman customers in the barbershops has improved the quality of the funny stories told there.

MYSTIC WORKERS RECEIVE \$25 PRIZE

Friday evening, April 27th was Inspection night at the Mystic Workers lodge. Mrs. Conaway supreme sentinel of the grand lodge was present and inspected the work. Full details of the inspection were given at the meeting, Friday evening.

Following the meeting Friday night cards were played and a social hour enjoyed.

The local organization is the recipient of \$25 from the Grand office as a prize for the excellence of their work and the regularity of their meetings. \$50 was given to Terrell, Texas, lodge No. 1085. Thirty-six other lodges were the recipient of a \$25 prize.

Through an oversight the above article was omitted from last week's issue.

WAUKEGAN LEGION TO ABANDON BEAUTY GAME

Waukegan's annual display of pulchritude and pretty bathing suits that were not meant to get wet, passed into oblivion last night at a meeting of the American Legion Festival committee under the chairmanship of E. A. Sayle.

Whether it was Legion wives, lack of contestants, or the fact that male visitors at the beach during the annual Festival spent all their time waiting for the beauties, that caused the Legion to drop the shapely ones from their list of entertainments is not generally known, but sufficient it is that along with Atlantic City and throughout the country, the bathing beauties are no longer on the program.
