HIGHLAND PARK, ILLINOIS, THURSDAY, MAY 24, 1928

NUMBER 13

H. S. COMMENCEMENT PROGRAM, JUNE 14

DEAN DENNIS IS SPEAKER

Head of Northwestern School of Speech; Other Features Of Annual Graduation Ceremonies

Dean Ralph B. Dennis of the Northwestern School of Speech has been chosen to speak at the commencement exercises of the Deerfield-Shields class of 1928 which will be on the night of June 14, in the high school auditorium, when 133 seniors, the largest class in the history of the school, will be graduated.

Dean Dennis is well known as a world traveler and speaker. He was vice-council to Russia in 1918 and later spent a year there studying the conditions of that country, and after his return to the United States spoke widely on the subject. He has been the head of the school of speech at Northwestern since 1913, and is well known along the North Shore as a reader, his favorite and best known subject being "If Winter Comes."

The commencement program of the class of 1928 will open by a march played by the school band. Following the march the invocation will be given by the Rev. Christoph Keller. The band will then play another selection after which Hester Ann Thomas, the salutatorian, will speak. Her subject however has not yet been chosen.

DEERFIELD LEGION IN MEMORIAL DAY PROGRAM

Award Medals for Essay Contest; Parade to Be Held

The Deerfield American Legion will observe Memorial Day with an exceptionally well balanced program. The exercises will start at the Deerfield school with the presentation of medals in the patriotic essay contest at 10 o'clock. This will be followed by the parade, which will start from the school.

The formation of the parade will be as follows: The colors (American Legion Color Guard) the Deerfield Municipal band, the firing squad (members Deerfield Post American Legion), Civil war veterans and wives of veterans, Spanish war veterans, Deerfield Post No. 738 American Legion, Deerfield American Legion Auxiliary, Daughters of the American Revolution, the Deerfield Boy Scouts (troops 51 and 52), the Girl Scouts, and school children (forming with lower grades first in line). Charles C. Kapschull will be marshal of the parade.

The line of march will be west on Deerfield road to Rosemary terrace, north on Rosemary terrace to Orchard place, west on Orchard place to Waukegan road, south on Waukegan road to St. Paul's cemetery, where the public will gather and a patriotic address will be delivered by Comrade Jack Keaton, a special speaker of the Department of Illinois, American Legion, after which a salute of three volleys will be fired by the firing squad, and the soldiers last tattoo "taps" will be blown by the Deerfield Boy Scouts, which will close the ceremonies at the cemetery.

Appropriate ceremonies will be held by Deerfield post at Wheeling cemetery and the two cemeteries west of Northbrook on the Dundee road.

Significant as Memorial Day is, reminding us of the many sacrifices made to perpetuate the ideals of Americanism, it behooves every citizen with a warm spot in his heart for these ideals, so dearly brought, to display the flag of his country on this day.

FORD FORDOR MODEL IS EXHIBITED HERE

The first Fordor Ford car of the Model A type to be seen in Highland Park is on exhibition in the show-rooms of Parnell & Wilson, local Ford dealers, today, Friday and Saturday and Sunday. The Fordor is now in production in the Ford plant at Detroit and some are being assembled in the Chicago ware house. It is a classy model, differing in numerous respects, besides the additional doors, from the Tudor model, and all who have seen it are much impressed with its appearance.

HOLIDAY NEXT WEEK; GET COPY IN EARLY

Wednesday of next week, May 30, is Memorial day, and the Press will observe it as usual by closing for the day. It is therefore necessary that all advertising and news copy for next week's paper be in the office earlier in the week than usual in order to appear in next week's issue. Get your copy in early, as the week will be one day short, and promptness is essential.

Clean-Up Week Is Helping Rid City Of Much Rubbish

While a large quantity of rubbish has been hauled away by city trucks during this week, annual Clean-Up Week in Highland Park, the response of residents to the request of the city administration for co-operation has not so far been as extensive as in previous years. This may be because the notice in last week's Press, through a misunderstanding, was not given as much prominence as heretofore in advance of Clean-Up Week.

It is urged, however, that, in as far as possible, householders on the routes remaining to be visited by the city teams have all the rubbish from their premises collected on the parkways in boxes, barrels or other receptacles to facilitate handling. Ashes will not be hauled away, and city employes will not go into basements nor yards to collect the material.

The region to be covered by the city trucks today is that lying between Lincoln avenue and Roger Williams avenue. On Friday they will work in the section between Roger Williams avenue and the county line.

Because of the expense attached to the work, city officials say that it will be impossible to extend the time, or to make any back calls in sections already visited. On Monday the district between Vine avenue and the north city limits was covered; on Tuesday that between Vine and Laurel, and on Wednesday between Laurel and Lincoln.

Collecting of the rubbish begins at 8 o'clock each day and in the sections not yet covered residents are urged to have their material in proper receptacles on the parkways early so as not to delay the men.

PLAN CARNIVAL FOR MAY 29 AT MORAINE

For Northwestern Settlement; Local Group Arranging Fine Program

The outstanding interest among a large group of people of Highland Park just now is the Carnival, to be held May 29 at the Moraine hotel for the benefit of the Northwestern Settlement. Recently a branch consisting of an advisory board of fifteen members and an active board of forty members was organized to work for the Northwestern settlement. Interesting and original entertainments have been given in other North Shore suburbs of various branches, but it has remained for Highland Park to conceive the idea of a carnival.

Mrs. Walter Rutledge is chairman and Mrs. Karl Meyer co-chairman. They are making every effort to offer an evening of unusual entertainment.

The spacious ball-room at the Moraine hotel has been engaged, a part of which has been reserved for the dancing in charge of Mrs. Morton J. Traub, who has secured a five piece orchestra. Mrs. Louis Leverone, chairman of the branch is to see to the fortune telling. Mrs. Roland Hastings, the bean pot, Mrs. Roger Vail, the moving pictures. Mrs. George Hart and Mrs. Carl O'Dell are looking after the side shows and Mrs. Robert Walker and Mrs. Rutledge taking care of other features.

The boys and girls will be interested in the grab bag in charge of Mae and Madeline Bliss, who will wear attractive costumes. Mrs. Fred Shafer and Mrs. Howell Murray will have the refreshment booth. Several prominent business firms of Chicago and Highland Park have donated prizes.

The date is Tuesday, May 29, the hour eight in the evening. There is something interesting for all. Join the carnival spirit, come early and stay late.

FRANKEN BROS. HAVE BIG TULIP DISPLAY

Invite Public to Visit Gardens in Deerfield During Blossom Time

The Franken Brothers nursery located at Deerfield is exhibiting one of the most beautiful showings of tulips in this vicinity this week and continuing until the end of the blooming season.

Over nine hundred varieties including the Darwins, Breeder and Cottage tulips, both single and double in shades ranging from white through the delicate pink, lavender and yellow, to the deeper red, purple and bronze and black varieties are being displayed. The clear pink flushed with salmon of the Clara Butt vies with the soft canary yellow of the Inglescomb and the darker purple of the Phillippe de Comines.

Any garden lover will be well repaid for a visit to these beds of tulips. One cannot help but feel the call of the outdoors and sense the

Memorial Day Poppy—our thoughts turn to you

Enthroned in memories of "Khaki" and blue
May you keep before us "lest we forget"—

Our reverence for those who in fighting death met
Relief work you spell for World War disabled too

In the good you accomplish; the veterans are now [making you
And rehabilitation and child welfare in no endless [pause
Love prompts every giver to contribute to your worthy [cause.

Dear little Poppy—the relief work still grows
And you can diminish the ex-service man's woes.

You give the disabled soldiers now the chance to
make you.

Poppy, you help so many families — you do!
Oh, you gladden the convalescent as he starts on his [way—

Perhaps giving him courage and gladden his day.

Poppy Day, we hail you—our heart's with you, too;

Yes, it is a great privilege for us to wear you!

E. M. B.

The American Legion Auxiliary Unit, Dumaresq Spencer Unit No. 145, will tag here Saturday, May 26th

PLAYGROUNDS PLAN SUMMER CAMP HERE

OUTLINE GOOD PROGRAM

Directors Are in Charge; Fine Opportunity for Children; Many Features Are Included

Summer Camp at Home. A number of children from Highland Park go to camps for the summer months, but this summer they will have the opportunity of having camp life in Highland Park with the added opportunity to be with their parents at home.

Mr. Howard Copp and Mrs. Cox, directors of recreation, are working with Mr. Edward M. Laing, secretary of the East Park Board on a program that will take different age groups at different times for a regular summer camp program.

Like Regular Camps. The activities will be modeled after summer camp as much as possible for Junior camp. They will include: swimming under supervision at the beach, baseball games, handicraft, group games, nature study, story hour, hikes, and picnics, educational trips.

For Intermediate Camp the activities will include: swimming with an

700 ATTEND OPENING OF VILLAGE HOUSE

Dedication Took Place Saturday Evening; Praise Mr. Van Bergen's Work

The opening of the new Village House in Ravinia was an event that will be long remembered by all who were there. Expectations of a large attendance were exceeded by reality, for more than seven hundred enthusiastic spectators crowded the attractive auditorium last Friday evening.

The dedication ceremony of lighting the fire was simple and impressive, and the speeches made by Mr. Alfred Stern, Mr. Carleton Vail, and Mrs. Joseph Leaming were appropriate for the occasion.

The dedication was followed by "The Ravinia Revels,"—a series of most entertaining numbers all presented by local talent. It would be unfair to any of the actors, actresses, or musicians to single out any one or group for special praise, for all of them were of professional calibre, and most enthusiastically received by the audience. The entire performance was a credit to the ability and arduous labor of the Chairman of the Arts Committee of the Woman's Civic club, Mrs. James Cady Ewell and her able helpers. The attractive programs were printed and donated by Mr. Ralph Fletcher Seymour.

beauty of nature when they see this marvelous display of color.

The exhibit is open to the public and it is hoped many will take advantage of this opportunity to visit the tulip beds.

BOND ISSUE VOTE, DIST. 108, JUNE 2

TOTAL ASKED IS \$180,000.00

For Purchase of Two New School Sites and Building Addition to Lincoln; For Future Needs

Saturday, June 2, from 12 o'clock to 7 o'clock p. m., is the time selected for the special election in District 108 to vote on school sites and bond issue. The propositions to be voted on are as follows:

1. The purchase of a five acre site at a cost of \$30,000 on Clavey Road near Green Bay Road to serve the future needs of the south central portion of the district.
2. The purchase of a site on Lincolnwood near Braeside consisting of about three acres, on which a primary building will be erected to take care of the south eastern section of the district. The cost of the site to be about \$80,000 and the building about \$40,000.
3. The erection of a \$24,000 addition to the Lincoln School to give additional class room to care for the growing needs of the north end of the district.

Not to Increase Taxes. This program calling for \$180,000 bond issue can be carried out without increasing the school taxes of the people. District 108 has been taxing for the past few years the full limit of one per cent on the equalized valuation for building purposes. This is the limit provided for by the state law and cannot be increased. This building fund has been used in car-

MISS BYRN JOINS REAL ESTATE CONCERN

Miss Margaret Byrn who was head of the physical education department of Deerfield-Shields High School for seven years has now successfully entered the real estate business.

Miss Byrn has been associated during the past year with Miss Harkness in the firm of Harkness Real Estate, 17 North Sheridan Road and has had unusual success in a field new to her.

The new firm, Harkness and Byrn, in which Miss Byrn enters as partner will be located at 8 North Sheridan Road, the present location of the Central Tire Company in the North Shore Bank Building. The firm expects to be able to occupy these premises by June 1st, as the Central Tire company is now fairly confident that their new building on St. Johns avenue will be completed by that time.

BAKE SALE TO BE HELD NEXT SATURDAY

Why trouble to bake when you can get such delicious home bakery goods at most reasonable prices at the Bethany Evangelical bake sale, Saturday, May 26, at Meierhoff's Hardware store. The sale begins at nine o'clock in the morning.

Let Contracts For Large Addition To Masonic Temple

Contracts were awarded Tuesday for the work on the proposed new addition to the Masonic Temple building, which is expected to cost approximately \$40,000 and will make the Temple one of the largest and finest structures of its kind in the suburban region. A bond issue is planned to finance the improvement.

The contractors received awards are as follows: Fred G. Obee, masonry; Henry G. Winter, sheet metal work; Albert Olson, carpenter work; S. G. Curry, plastering; Edward Strenger, plumbing; Vetter Electric Co., electrical work; Vic J. Killian, heating system; Harry Friebele, painting; Sharp-Partridge Co., glass.

The new addition will be three stories in height and of architecture in harmony with the original building. The dimensions will be about 36 feet frontage on Sheridan road and extending back about 140 feet. There will be two stores on the main floor, and two offices and dining room and dance floor on the second floor. Mrs. Green is to take over the dining room in the present building. Recreation rooms will be located on the third floor. Construction work will start immediately and effort will be made to have the addition completed in the shortest possible time.

The improvement necessitates the removal of the old Temple building, a landmark here for many years. The Edward Strenger plumbing office is removing to Mr. Strenger's premises on South First street, where he is erecting a building, and Miss Harkness' office is removing to the present location of Central Tire Co., which will remove to its own new building on St. Johns avenue, being built for its use by McPherson.

WOMAN'S CLUB CARD PARTY ON JUNE 1ST

To Be at Home of Mrs. R. W. Stevens, S. Green Bay; Proceeds to Picture Fund

Reservations are now being made for the benefit card party to be given at the home of Mrs. R. W. Stevens, of the Meadows, S. Green Bay Road, on Friday afternoon, June 1. This party has been arranged by the Art Department of the Highland Park Woman's club, one of the branches of the Fine Arts department of which Mrs. Cary Wood Thomas is chairman. The proceeds of this party are to go toward establishing a permanent picture fund. Any one wishing to come to this affair may do so if they are accompanied by a member of the club. Several liberal donations have been made to this fund by individual members who are interested in seeing the club acquire a permanent picture gallery. With this as a nucleus the committee expects to realize enough additional from the party to purchase a painting for the club before the fall opening.

Many members will be interested to know that an art study class to meet one morning a month is to be a part of the club's activity next year. All members of the club are eligible to join this class or department for a small fee. The object of the class will be to become familiar and keep in touch with all art interests through lectures and talks on art. Also it is planned to have the class visit art exhibits and artists studios.

The committee feels that this is a big step forward in club growth, and it invites all members to join.

ENTERTAIN WOMAN'S MISSIONARY UNION

Presbyterian Church Organizational Are to Be Hostesses, June 1

The women's organizations of Highland Park Presbyterian church are to be hostesses to the Woman's Missionary Union of Chicago Presbyterian on Friday, June 1. This Union includes all the women's missionary societies of the district in and about Chicago under the Presbyterian church.

The program will be an interesting one, for the committee expects to have missionaries returning from General Assembly at Tulsa, Oklahoma taking an active part on the program. The first general session will be held in the morning in the church and luncheon will be served at 12:30 in the parish house. Those desiring to attend should call Highland Park 683 for reservations or send word to the church before Thursday.

All women interested in missions are invited to attend the sessions and a fuller announcement regarding the program will be made later.

TRAGIC DEATH OF DEERFIELD CHILD

OCCURS SUNDAY EVENING

Bessie Ruth Clavey, 2, Run Over and Killed by Father's Car Backing Into Driveway; Burial Wednesday

In all this section of the North Shore heartfelt sympathy was expressed Wednesday for Mr. and Mrs. Harry Clavey of Deerfield, as the remains of their two-year-old daughter, Bessie Ruth Clavey were laid to rest in the beautiful North Shore cemetery, following a funeral service

at two o'clock in St. Paul's Evangelical church of Deerfield, conducted by Rev. F. G. Piepenbrock. A large attendance of friends, neighbors, and relatives and profuse beautiful floral tributes marked the final rites.

Heart Rending Tragedy. The little girl's accidental death Sunday evening was one of the most heart-rending tragedies in North Shore history. Playing happily in the shrubbery alongside the driveway at her home about 7 o'clock Sunday evening, the child ran into the drive just as her father was slowly backing his automobile in from the street, unaware that she was near. The rear wheel ran over her head. It was the first time that Mr. Clavey had backed into the drive, having always previously driven in directly from the street. The child was huried to the Highland Park hospital, but was dead on arrival. It is believed that she was killed practically instantly. An inquest was held by Coroner Taylor Monday morning at Northbrook, where the remains were taken, and the verdict of the jury was one of "accidental death."

Family Reunion. At the Clavey home Sunday afternoon were Mr. and Mrs. Orville St. Peter of Waukegan, Mrs. Clavey's parents. Also with them were Mr. and Mrs. Geo. Rudolph of Waukegan, Mrs. Rudolph being another daughter of the St. Peters. The family reunion had been a pleasant one and the life of the affair was little Bessie Ruth, the idol of her father, and who would have been two years old next month. About 7 o'clock the Waukegan relatives decided to start for home.

The Clavey and Rudolph autos were in the driveway, Mr. Clavey's

(Continued on page 12)

BAKERY SALE AT NIEBUHR'S SATURDAY

The Live Y'er club of high school Girl Reserves will hold a bakery sale all day Saturday at Niebuhr's store, South St. Johns avenue. The sale is for the benefit of the Girl Reserves summer conference fund. The Highland Park Girl Reserves will be represented by Florence Glader, newly elected president of the high school Girl Reserves at the conference to be held at Camp Gray, Saugatuck, Mich., from June 22-July 2. Girl Reserves from five states will attend the conference.

DR. F. H. PAGE TO OPEN OFFICE IN THIS CITY

At the request of many of his friends and patients, in Highland Park and along the North Shore, Dr. Forrest H. Page, osteopath, with offices in the Chicago loop, has arranged to open a North Shore office in the Moldaner building, in Highland Park, at 16 North Sheridan road.

MYSTIC WORKERS WILL HOLD CARD PARTY

The Mystic Workers will hold a card and bunco party on Friday evening, May 25 at Masonic hall at eight o'clock. Five hundred, euchre and bunco will be played. There will be a prize for each table. An invitation is extended the public to attend.
