H. PARK PRESS TRIMS PUBLIC SERVICE NINE 3-2

The third week of the Business Men's Indoor League, now being sponsored by the East Park Board, found some real baseball four teams swinging into full action.

On Tuesday night the Highland Park Press aggregation took the Public Service into camp by a 3-2 count. It was a wonderful ball game, the winning run being made in the last of the ninth when John Gerken, the Press pitcher, slammed the ball past the infield. Harold Giss the P. S. twirler, pitched superb ball but weakened in the final innings. The losers counted twice in the first inning and were helpless afterwards. The fielding of "Charlie" Wake, and Engberg featured.

In another spectacular game, Fell's beat Larson's school boys 4-0 on Monday. Neither nine was able to register at the plate until the eighth when a single, Ed Laing's home run a two errors gave Fell's boys their full total of four.

Hammond twirled for Larson's while "Lefty" Weiss was the winning pitcher. Anspach Realtors mettop pitcher.

Anspach Realtors meet Nash-Ford tonight.

Games this week are as follows: Thursday—Public Service vs. Larson's.

STUDENTS IN HONOR PLACES ON PROGRAM

Dorothy Keller Valetictorian Hester Ann Thomas Salutatorian Of Class

Because of her numerous number of A's and B's throughout the entire four year term, Dorothy Keller has been chosen valedictorian of the Deerfield-Shields senior class. Hester Ann Thomas, also because of her exceptionally high grades, has been chosen salutatorian. Commencement is June 14.

Dorothy Keller, a very active and well known student, has been a member of many clubs and also a participant in various sports. She held the position of class secretary and treasurer in her first and second year. In her sophomore and junior years she held the position of social chairman. She is now the editor of the Annual and will complete her four year stay on the honor roll.

In addition, she has been a member of the D. G. A. for four years. She has belonged to the French club for one year, the fencing club for one year, and the swimming, basketball, and hockey teams for four years. She also has been a member of the Junior and Senior Garrick clubs and a member of the debating club.

Chosen from a group of 110 competitors, Dorothy was recently awarded one of the two Swarthmore college open scholarships for women. Hester Ann Thomas has very nearly tied Dorothy in sports, clubs, positions, and grades. She has been on the honor roll for three years. She is organization editor of the Annual and is also a member of D. G. A. and the French, Debating, Fencing, and Senior Garrick clubs.

Hester Ann has been on her class hockey and swimming teams for four years. She is planning to attend Bryn Mawr college.

TWO RAILROADS OBJECT AGAINST CERTAIN TAXES

The Chicago & North Western and the Chicago Milwaukee & St. Paul railways are preparing to object to \$3917.51 on their tax bills, in Lake county, it is reported from Waukegan.

These objections, filed in the county court, make protest if the assessments are illegal or if the tax is excessive.

The Northwestern has paid all of its taxes with the exception of \$606.26. This amount has been left unpaid, according to J. B. Morse, county treasurer. As this road files each year when the levy exceeds the allowances of the law on certain portions it is safe to presume that this is the reason that the bill has not been fully paid this year.

The St. Paul line has refused to pay \$3310.25 it is understood so this will be the amount of its objection.

POLICE OFFICER HURT IN CRASH LAST WEEK

Edward Patten's Foot Crushed When Motorcycle Collides With Auto

Edward Patten, Highland Park motorcycle policeman, had his right foot mangled and crushed last Thursday when he collided with a car while in the pursuit of a speeder.

Patten is now in the Highland Park hospital. At police headquarters his condition was said to be encouraging and that he would have the use of his foot again.

The motor-cop was chasing a speeder. Directly in front of him was a car driven by Peter Glader, Highland Park carpenter.

Patten started to pass Glader who turned from a driveway at that moment. Patten slammed full into the side of the car pinching the foot between the motorcycle and machine. Patten is 27 years old and unmarried.

DEERFIELD TO CONDEMN STRIP FOR ROAD USE

The village of Deerfield, through its attorney, Judge Decker, has started a condemnation proceeding against Theodore Lange and several other property owners for the purpose of getting a strip of property through which to cut a road. The action was taken in the county court says the Waukegan Sun.

Is This the **World's Largest Shoe?**

SEE IT in our window this week—and then judge for yourself. We believe it to be the largest shoe ever produced by actual shoe-building methods, of real leather.

It's 28 inches long; that would make it about size 90. The height is 17 inches and the 7-ply sole is 2 1/4 inches thick. The upper is fashioned from sole leather. Someone said it represented the biggest feat in shoe-dom.

This giant shoe, designed for the Philadelphia Centennial Exposition, 1876, was made by a craftsman employed by an organization that is still in business after more than fifty years. This old experienced firm today makes many of the shoes sold in this store.
