**HIGH SCHOOL TEAM
WINS ONE; LOSES ONE**

Though the use of timely hits and plenty of them, the Deerfield baseball team conquered U. High 10-1 at the latter's carnival.

For the past three years Deerfield has furnished the opposition at U. High's carnival but until this year have been unable to beat them. A goodly crowd filled the one stand to capacity, and kept the game "pepped up" by constant yelling.

Rogan pitched invincible ball for the victors while his mates rapped out thirteen safe blows. Bloomfield and Richards shared the offensive honors with three safe hits a piece while Maestri was a close second with two hits and two walks in five appearances at the plate.

After three runs had crossed the plate for Evanston in the first inning with that team with only one out, Bleimehl replaced Rogan, and pitched excellent ball for fourteen innings. A single combined with a walk and two errors paved the way for Evanston's victory 8-6 in the fourteenth inning.

Although Evanston started off with a five run lead, Deerfield's boys came back in the second, third, and fourth innings to put Deerfield in the lead 6-5. But in the fifth inning Evanston came back and knotted the count 6 all. From the fifth inning to the fourteenth Bleimehl and Davidson staged a pitching duel.

Deerfield knocked Davidson out of the box in the fourth inning, Fogarty taking his place. Davidson again came back in the sixth and held Deerfield powerless until the end of the game.

The winner was judged from the standpoint of health, posture, and physical development. Dr. Carlstrom gave the boys a severe examination.

**TRUCK AND BUTTER ARE
STOLEN FROM CREAMERY**

Hansen Warehouse Robbed Monday Night of 1,000 Pounds Butter; Truck Found

C. B. Hansen's Highland Park creamery was entered by burglars Monday night, and a Dodge truck and about 1,000 pounds of butter were stolen, according to reports to the police. Entrance was gained by breaking a pane of glass in a door. The truck was found abandoned on the west side in Chicago early Tuesday. Officer Driscoll, who went in from here to investigate, reported, but so far no trace has been found of the butter. The spare tire from the truck was missing when the machine was recovered.

Chief of Police Moroney reports that he has learned that milkmen going to work about 1:30 Tuesday morning noticed a man walking in front of the creamery and heard noises inside, but as they had seen signs of activity about the place late at night before, they paid no attention. The robbery is credited to Chicago yeggs.

**COMPLETE FACULTY FOR
H. S. SUMMER SESSIONS**

Now that Miss Bredin has been appointed to teach English in Deerfield-Shields summer school and Miss Ellen Knox has been substituted for Mrs. Sanborn to teach typewriting, the summer school faculty has been completed.

Miss Knox, who lives in Lake Forest, was a substitute for Mrs. Sanborn earlier in the year when Mrs. Sanborn was taken ill. She is a graduate of Deerfield and two years ago she had a position in the office that Miss Baker has now. She has taught typing in summer school before.

A daring burglar who sometime ago was interrupted as he started to loot the garage of the W. C. Winters estate in this city of valuable drapes which had been stored there pending completion of a new home, has been apprehended by the Chicago police and is being held there on robbery charges, it is reported.

**H. S. MUSICAL GROUPS
PRAISED AT FESTIVAL**

Deerfield-Shields Band and Glee Clubs Make Hit at Morton Affair

According to music critics attending the third annual high school Music Festival at Morton high school last Friday, Deerfield-Shields high school has established a high standard by the exceptional music that she contributed to the music festival. The Festival as a whole, many declared, was probably the largest and finest display of high school talent ever brought together under one roof.

The Girls Glee club, under the direction of Mr. Dinkeloo, was excused from school at twelve o'clock, making it possible for them to take part in the afternoon program which started at two-thirty.

They sang three selections, "A Japanese Tea Party," by Kieserling; "Three Little Girls from School" (from the Mikado), by Sullivan; and the "Japanese Love Song," by Thomas. Other schools that took part in the afternoon program were Lyons, New Trier, Morton, and Oak Park.

The program in the evening which started at eight o'clock was opened by Mr. Bolle's band. The selections that they played were "The Pioneer March," by Goldman, "A Japanese Sunset," by Deppen, and the "Royal Pageant Overture," by Bernard.

The students guests of Morton were entertained at an informal dance program which started immediately after the afternoon program.

Special North Shore cars transported the students to and from Cicero in which Morton is situated.

**PRESENT PLAYS AT
ELM PLACE SCHOOL**

Last Friday evening the pupils of the sixth grade of the Elm Place school presented two plays, "The Iliad" and "Alice in Wonderland." Both plays were very well given and each pupil taking part should be commended upon the splendid manner in which they portrayed their part. Those who directed the plays should also be complimented on the success of the plays, for their efforts in putting on the productions were well repaid.

**ALLEGED SLAYERS OF
WM. BECK ARE IN JAIL**

Brought to Waukegan from City Tuesday; One of Bandits Still at Large

Chief Deputy Fred Brown and Deputy George Heckinger of the Sheriff's office went to Chicago Tuesday and brought to the county jail in Waukegan two of the men charged with the murder of Will Beck, 34, farmer, who resided between Millburn and Lake Villa, back for trial. The two who have been held at the Chicago station, are Dominick Brette, 33, a Chippewa Indian who admitted engineering the robbery, and John Brown, negro, who took part.

Beck was killed last week, when he resisted the robbers as they sought to steal his bonds. As he closed the door to deny the trio admittance one of them, said to be Claud Pauchamp, fired the shot that later caused his death.

Pauchamp, a negro, is still being sought as are two other negroes who drove the robbers out to Lake Villa. But \$200 was gained as loot. It was discovered Saturday that \$1,200 in stolen bonds had been dropped by the men as they hurried through the fields from the Beck home.

Warrants charging the men with murder were left there by Sheriff Doolittle when the Indian and negro were arrested.

The Indian surrendered to the police because he said that his pals double crossed him.

Some of our people will say that a national holiday, with ringing of church bells and processions of patriotic societies, should be observed on the day when the income tax returns are finally made out.

Many signs of progress are reported, but the signs along the highways suggest that in many cases progress is too fast.
