COUNTY HAS DEFICIT IS REPORT TO BOARD

Chairman of Finance Committee Tells Supervisors Overdraft Is \$17,000

Supervisor Arthur W. Vercoe, of Highland Park, on Tuesday sounded a note of warning before the board of supervisors when he stated that this, the third quarter, found the county \$17,000 overdrawn on its budget.

With three more months to go he pointed out, he dreaded to think of the financial state of the county at the end of the fiscal year.

Hints of a bond issue were couched in his talk in which he charged that the county hospital ate into the receipts of the county.

While the \$17,000 overdrafts are shown the income from the offices have not been deducted as yet.

COUNTY FARM SEEMS TO BE DEAD ISSUE

The county poor farm, a greater problem than ever to the board of supervisors since a \$250,000 bond issue for modernizing it was voted down by the public, will not be brought up at the June session, it was learned today. Supervisor Bert C. Thompson, chairman of the poor farm committee, stated that he would not say a word on it unless it was brought up by some one else.

Early season visitors to White City, Chicago's great Amusement Park, 63rd at South Park avenue, have found a myriad of novelties in the many new entertainments there. Here is to be seen an entirely changed vista with a multitude of new creations to replace the antiquated features that were former favorites of visitors each year. In the big free Outdoor Circus are to be found the greatest of big top entertainments including the wild animals, the tame trained animals, the daring acrobats, the funny clowns, the amazing feats of human endeavor and other unique features that go to furnish the round of excitement usually seen under canvas but now in a permanent arena with comfortable accommodations. Three shows are displayed each day, one in the afternoon and two in the evening and crowds are on hand to revel in the spectacles at each time.

Dancing and Roller Skating continue to be exceedingly popular throughout the summer season with sessions each evening throughout the warm weather in the delightfully cool Ballroom and Roller Rink at White City.
