PROGRAM FOR THIRD WEEK RAVINIA OPERA

3 POPULAR PRODUCTS

Operas So Far Unheard Here in Present Season to Be Given; Double Bill July 14; Other Details

The presentation of three operas unheard so far this season, the first appearance in several seasons of Armand Tokatyan, the brilliant young tenor who has won the unstinted praise of the New York critics, and several important cast changes in four operas, are the features of the third week of Ravinia opera and concerts which begins Sunday, July 8.

Again Mr. Eckstein has eliminated the Monday night concert in favor of an operatic performance that Gounod's "Faust," the perennially popular French work may again be presented. Of the unheard works which are to be given during the week, "La Juive" is scheduled for Tuesday night, July 10; "Martha" for Wednesday night, July 11, and "Roméo and Juliet" for Friday night, July 13.

Double Bill July 14

There is good news in the announcement that on Saturday night, July 14, the double bill of "Pagliacci" and "Cavalleria Rusticana" will be given again in response to numerous requests which Mr. Eckstein has received since these operas were unexpectedly given on the inaugural night of the season when it was learned at the last moment that

FLORENCE MACHETH it would be necessary to cancel the performance of "The Masked Ball" due to the sudden illness of Mme. Rethberg. The cast of "Pagliacci" will be the same as it was on that

"THE ENEMY" COMES TO ALCYON THEATRE

Much interest is displayed in the picture "The Enemy" which comes to the Alcyon Theatre next Monday Tuesday and Wednesday. The picture "The Enemy" is produced on a gigantic scale, being recorded as the most expensive production of the season. It stars Lillian Gish with Ralph Forbes and is directed by Fred Niblo. No lover of motion picture art should miss it.

Tomorrow night the Alcyon presents 3 acts of vaudeville in place of the Graeme Players who were compelled to leave Highland Park for the summer season. The Alcyon management announces that the Graeme Players will be back about the middle of August.

Much satisfaction is expressed over the opening of the Pearl Theatre which now operates every day presenting first run feature photoplays at popular prices.

MRS. MARTHA FAUST DIES AT SON'S HOME

Aged Woman Passes Away Tuesday Afternoon; Funeral Held Friday

Mrs. Martha Faust, mother of W. J. Faust, 1545 Judson avenue, died Tuesday afternoon, following a stroke suffered a few days previously. She was 70 years of age and the widow of Henry Faust. Besides the son, W. J. Faust, there is one sister, Mrs. Gertrude Millawski of Beverly Hills, Ill. The funeral service will be held Friday at 1 o'clock, at H. M. Prior company's chapel, and burial will be in Montrose cemetery. The friends of the family here extend sincere sympathy.

LEGION CELEBRATION IS SPLENDID SUCCESS

The Independence Day celebration held by the local post of the American Legion over the Fourth was a great success, with large attendance and many attractions which pleased the crowds which thronged the section of First street roped off for the occasion. The parade on the evening of the third with the famous drum and bugle corps at its head was a special attraction and proved an outstanding feature.

The Legion Carnival will continue again this evening. The rain last night put a damper on the affair so it was thought best to continue it another day. Prizes will be awarded tonight.

North Shore Open Golf Tourney To Be Held August 8 and 9

The first annual North Shore Open championship tournament will be held on August 8 and 9 under the auspices of the Sunset Valley Golf club, members of the Western Golf association. Fifty-four holes medal play composes the tournament schedule and \$300 in prizes is offered, according to official announcement. Eighteen holes will be played the first day, and 36 holes the second day.

The first prize is \$150, the second, \$75, the third, \$50 and the fourth, \$25. Silver trophies will be given to amateurs. An entry fee of five dollars includes green fees and two days of practice privileges. Entries should be sent to Edward M. Laing, president, 543 Central avenue, Highland Park, Ill., before August 2, 1928.

This tournament promises to attract a large number of prominent amateur and professional golf players and will help to place the Sunset Valley Golf club on the map as one of the notably excellent courses of the north shore.

Local golfers are much interested in the tournament and a number undoubtedly will compete, while it is expected that some of the best players along the shore will participate, and two days of interesting sport are promised on August 8 and 9. Golfers are urged not to forget the dates, and if they plan to play in the tournament, they should send in their entry fees to President Laing of the Sunset Valley club before August 2.

HIGHWOOD BUSINESS MEN PLAN FOR BIG CARNIVAL

To Be Held There July 20 to 22 Commerce Chamber Working Hard for Affair

A very enthusiastic meeting was held by the Highwood Chamber of Commerce on July 2nd, to plan for the three day Carnival to be held July 20th, 21st and 22nd. The members of the organization have decided to display about 12 to 15 booths, in which their merchandise will be sold at reasonable cost. A Nash sedan will be one of the prizes.

Plans for this Carnival are practically worked out and every member is taking an active part. The officers of this organization hope that with this enthusiasm this first affair will be a very successful one. The net proceeds will be used for the purchase of beach and playground equipments for the children of Highwood, and the maintenance thereof.

The committee, which consists of the president, Mr. Otto F. Fisher and vice president, Mr. O. L. Olsson, have been working for several weeks with the Fort Sheridan authorities trying to get the permission for the use of the beach and playgrounds. This has been granted through the kindness and co-operation of Col. Miles, to whom the committee extends thanks.

The next meeting of the Highwood Chamber of Commerce will be held on July 9th at Santi's Hall at 8:30 p. m. This meeting will be for the chairman in charge of the different booths.

Two gentlemen who were personal friends of several of the members, Judge Burgess and Lester Tiffany, Chief of Police of Lake Forest, attended the last meeting and both spoke on the good work already done by the organization, in its short existence. Both these gentlemen commended both membership and officers on their efforts in obtaining the playground for the Highwood children.

HIGHWOOD CIVIC ASSN. PLANS FOR LABOR DAY

The Highwood Civic Improvement association is starting its plans for a big Highwood Day celebration on Labor day this year. Committees have been appointed and they are busy at work arranging for program features, etc. It is expected that Highwood Day this year will be one of the biggest affairs of the kind ever held in that progressive little city, and all citizens who appreciate the good work being done by the Civic Improvement association are co-operating to make it a big success.

WRAP GARBAGE IN PAPER IS REQUEST MADE

The men at the city dump have been instructed to refuse wet garbage. Due to the under sized plant, it is impossible to handle it at this time of the year. Keeping a cover on the garbage can is a small thing to ask of the individual but it makes a very great difference in the final disposal of the incinerator. Drain the garbage and wrap it in paper to keep the can sanitary and then be sure that it is always kept well covered.

BOWMAN DAIRY CO. BUILDING ENLARGED

LARGE ADDITION BUILT

Increased Demand for Product Makes Improvement Necessary; Grows Great Thru Service

The growth of a business depends upon its service to the community. An outstanding example of this economic law is the remarkable growth of the Highland Park division of the Bowman Dairy company.

Starting fifteen years ago with but five delivery wagons and a small sales and office force, the Bowman Dairy company, Highland Park branch, has enjoyed a steady, consistent gain in business until today it requires over fifty delivery units and a proportionately larger organization to properly serve its increasing number of customer-friends.

Such growth is not accidental. It is the inevitable result of serving milk and other dairy products of the highest quality, and serving them promptly and reliably every day of the year.

And so today we find the Bowman Dairy company engaged in a large program of expansion. Ever-increasing patronage has made the present distributing station too small. An extensive addition is being made to their present buildings.

Upon analyzing the growth of the community and the company's past rate of increase it was deemed advisable to provide now for double the volume of business. In the newly erected addition there will be room for one hundred delivery trucks and wagons. The present main building will be remodeled and redecorated to serve as sales and executive offices.

When completed, this attractively designed and artistically landscaped building will be the largest and most modern milk distributing station between Evanston and Waukegan, a notable example of the commercial development of the North Shore, for the Highland Park division of the Bowman Dairy company serves not only Highland Park but Glencoe, Lake Forest, Deerfield, Wheeling, Northbrook, Half Day, Mundelein, Libertyville and the territory north to the northern boundaries of Waukegan.

RAVINIA COMMUNITY BEACH PARTY JULY 7

Fireworks Display Interrupted by Rain on 4th to Be Main Feature

Ravinia's annual community 4th of July celebration which owing to the rain was robbed of its climax—the evening display of fireworks—will be continued this Saturday evening, July 7, at the Ravinia beach at the foot of Roger Williams avenue, where Ravinia residents and their guests are invited to join in a community beach party.

Picnic suppers will be in order. Soft drinks and ice cream may be obtained at stands conducted by the social committee of the Woman's Civic club of Ravinia under whose auspices the affair will be conducted.

At 8:30 o'clock the postponed fireworks display will begin with the lake as a background. The display will be in charge of Fred D. Sadler who will be ably assisted by Beverly Persons, Walter Rietz and Arthur Kopf.

Beach fees applicable to residents who have not registered and to guests of residents will be waived by the East Park District board after 5 p. m. in order that all residents and their guests may participate in this community affair without charge. Restrictions against non-residents, however, will be strictly enforced unless they come as guests of bona-fide residents.

Celebration Success Despite Rain
The Ravinia community celebration of the Fourth which was held as usual on the Ravinia school grounds yesterday afternoon and evening was a most enjoyable occasion, marred only by the rain which prevented the evening display of fireworks and drove home the large crowd of Ravinia residents in attendance all too early.

Various sports and races and a costume parade in the afternoon kept the children and parents alike amused and interested. At 6 p. m. an excellent buffet supper was served by the social and civic committees of the Woman's Civic club under the direction of Mrs. Dudley Crafts Watson, chairman of the social committee.

HOSPITAL AUXILIARY MEETS NEXT WEEK

The regular monthly meeting of the Woman's Auxiliary of the Highland Park hospital will be held at Trinity church parish house on Wednesday, July 11 at ten o'clock. Luncheon will be served at twelve-thirty.

Open Bids on North Bridge on July 18, City Council Told

Notice has been received by the city of Highland Park that the state department of highways plans to open bids July 18, at Springfield, for the contract of constructing the north bridge on North Sheridan road, Highland Park. Work on the south bridge already is in progress. This contract and one for a bridge in Lake Forest were let to the Widell Co. of Mankato, Minn., some time ago.

At Monday evening's session of the city council engineers were authorized to prepare plans and estimate for opening Sheridan road north according to a request of the state department of highways in connection with the construction of the bridge in question. Further details regarding this proposal will be available later, it is understood.

At the meeting of the board of local improvement hearing on the Lauretta place paving plan was deferred until next Monday night. A new ordinance regarding the widening of Clavey road was filed for consideration of the council.

The annual appropriation ordinance was filed for inspection and as there are possible amendments, figures will be available later and the ordinance in full will be published as soon as passed. The communication of F. P. Hawkins regarding the proposed filtration plant was referred to the corporation counsel. The notice threatening injunction against use of the beach property as waterworks site, but it is believed that the matter may be amicably settled.

The report of the building inspector for June was filed and is printed in another column of this issue. Frank Laing was appointed to spread assessment for the paving of an alley in Block 5; George Vetter to spread assessment for sewer, water and pavement on Ridgewood place, and R. E. Clark for paving on Rice street.

The mayor and city clerk were authorized to accept the state permit for shore protection for the filtration plant.

FRED CLOW DIES EARLY ON TUESDAY

RESULT OF FALL SATURDAY

Away at Hospital; Lived Here Many Years; Service Is Today

Early Tuesday morning of this week, Fred Clow, 119 South Second street, passed away at the Highland Park hospital. The previous Saturday afternoon, while doing some repair work on the gutters at the corner of the roof of his home, he fell from the ladder. Within a short time he was taken to the local hospital and the medical examination indicated serious injury. His constitution was so rugged that for a time it seemed that he might recover, but last Monday evening there was a turn for the worse and he passed away several hours later. He did not regain consciousness after his sudden fall.

Born in Wisconsin

Mr. Clow was born at Chambers Island, Green Bay, Wis., on May 29, 1853, and lived as a young man at Crystal Lake, Ill. He came to Highland Park about 1890 and since then has been engaged in numerous business enterprises here in his capacity as contractor, gaining a widespread reputation for integrity and during that period erecting many fine homes in this community.

He was married to Miss Lyra Dike of Crystal Lake on Dec. 12, 1893, and he and his wife settled in their present home on South Second street the same year.

Faithful Churchman

Mr. Clow's chief interest outside his business and family life was in the Highland Park Presbyterian church. He united with that church on profession of faith in 1894 and was elected a ruling elder in 1917, serving in that capacity until his death. For twelve years he had been in charge of ushering at the church on Sunday mornings and was held in affectionate regard by the members of the congregation. He was always faithful in the performance of his duties and constantly showed a willing spirit to help. The last three Sundays of his life he had made special trips to our local hospital to cheer an old-time friend who was seriously ill.

Was Y.W.C.A. Trustee

For eight years Mr. Clow was a trustee of the Y.W.C.A. here and was always deeply interested in its welfare and progress. During the period in which removal was made to the building now occupied he was active in advice and assistance and his aid was a great help in many ways, officials of the association state.

Funeral Is Today

The service in Mr. Clow's memory is to be held at the Presbyterian church this (Thursday) afternoon at two o'clock. The members of the Session will act as honorary pallbearers. The interment will take place at Crystal Lake. Mr. Clow was a member of the A. O. Fay Masonic lodge.

The sympathy of many friends in this community is extended to Mrs. Clow in her great bereavement.
